4.5 Other Features

The watch includes additional functionalities such as music control, weather updates, a 'Find Phone' feature, alarm, and flashlight.

5. MAINTENANCE

5.1 Water Resistance

The MOMAX Smart Watch has an IPX8 and 3ATM waterproof rating, meaning it is suitable for swimming, showering, and diving up to 30 meters without needing to be removed.

5.2 Cleaning and Care

To maintain the watch's appearance and sensor accuracy, regularly clean the device and its strap with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials.

5.3 Battery Care

To prolong battery life, avoid exposing the watch to extreme temperatures. Charge the device using only the provided magnetic charging cable.

6. TROUBLESHOOTING

If you encounter issues with your MOMAX Smart Watch, consider the following common solutions:

- **Connectivity Issues:** Ensure Bluetooth is active on both devices and the watch is within range of your smartphone. Try restarting both the watch and your phone.
- **Charging Problems:** Verify that the magnetic charging cable is correctly aligned with the watch's charging points and that the USB power source is functional.
- **App Synchronization:** Check if the 'Momax Wear' app is updated to the latest version. Ensure the app has necessary permissions on your smartphone.
- **Inaccurate Readings:** Ensure the watch is worn snugly on your wrist and the sensors are clean and in direct contact with your skin.

For further assistance, refer to the 'Momax Wear' app's help section or contact MOMAX customer support.
