Marsail 8-Drawer Farmhouse Dresser Instruction Manual

Model: RONGMEI-US VCAMDC03BN-US-04

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Marsail 8-Drawer Farmhouse Dresser. Please read all instructions carefully before beginning assembly or use to ensure proper function and safety.

SAFETY INFORMATION

Important Safety Warning: To prevent accidental tipping and potential injury, especially to children, it is mandatory to use the provided anti-tip kit to secure the dresser to a wall. Do not allow children to climb on drawers or the dresser itself. Always ensure all hardware is securely tightened before and during use. Place the dresser on a level surface.

Steady & Secure

Anti-Tip Straps

Anti-Tip Feet

This image illustrates the anti-tip straps and anti-tip feet designed to enhance the stability and safety of the dresser by securing it to a wall and preventing movement on the floor.

PACKAGE CONTENTS

Before beginning assembly, carefully unpack all components and verify that all parts and hardware listed in your physical assembly guide are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this dresser. Please refer to the detailed, step-by-step assembly instructions included in your product packaging. It is recommended to have at least two people for assembly to ensure safety and ease of construction. Ensure you have a clear, spacious area to work in and the necessary tools (e.g., screwdriver, hammer) as specified in the assembly guide. Follow the numbered steps precisely, paying close attention to diagrams and hardware identification. Do not overtighten screws, but ensure all connections are firm and secure.

OPERATING INSTRUCTIONS

Your Marsail dresser is equipped with 8 smooth-glide drawers for convenient storage. To open a drawer, gently pull the handle. To close, push the drawer until it is fully seated within the frame. Avoid slamming drawers to prevent damage.

- **Drawer Load Capacity:** Each drawer has a maximum load capacity of 22 lbs (10 kg). Do not exceed this weight to ensure smooth operation and prevent damage to the drawer slides.
- **Desktop Load Capacity:** The top surface of the dresser has a maximum load capacity of 176 lbs (80 kg).

Large Storage Capacity

This image demonstrates the spacious storage capacity of the dresser's eight drawers, suitable for organizing various household items.

MAINTENANCE AND CARE

To maintain the appearance and longevity of your dresser, follow these care guidelines:

- **Cleaning:** The dresser features a waterproof surface. Wipe spills immediately with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain the

dresser's structural integrity and stability.

- **Placement:** Avoid placing the dresser in direct sunlight or near heat sources, which can cause fading or warping.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Obstruction in the drawer slides; misaligned slides; overloaded drawer.	Check for items blocking the slides. Ensure drawer slides are correctly installed and aligned. Reduce drawer contents if overloaded.
Dresser feels unstable or wobbly.	Loose hardware; uneven floor; anti-tip kit not installed or improperly secured.	Retighten all screws and fasteners. Ensure the dresser is on a level surface. Install or re-secure the anti-tip kit to the wall.
Missing parts after unpacking.	Packaging error.	Do not proceed with assembly. Contact Marsail customer support immediately for replacement parts.
