# Owala FreeSip Sway Insulated Stainless Steel Water Bottle User Manual

Comprehensive instructions for your Owala FreeSip Sway 30oz water bottle.

## INTRODUCTION

The Owala FreeSip Sway water bottle is designed for convenient hydration. This 30-ounce insulated stainless steel bottle features a unique 2-in-1 FreeSip spout, a leak-proof lid with a lock, and a comfortable bucket handle. Its triple-layer insulation keeps beverages cold for up to 24 hours, and its tapered design ensures compatibility with most cup holders. Constructed from BPA-free, durable materials, it is suitable for various activities including travel, school, and sports.

## KEY FEATURES

---

- **Patented 2-in-1 FreeSip Spout:** This unique design allows you to either sip upright through the built-in straw or swig by tilting the bottle back.
- **Leak-Proof Lid with Lock:** The push-button lid keeps the spout covered and clean. A sliding lock mechanism prevents accidental opening and ensures leak-proof transport.
- **Ergonomic Bucket Handle:** Designed for easy carrying, the sturdy handle facilitates grab-and-go convenience for various activities.
- **Triple-Layer Insulation:** Maintains beverage temperature, keeping drinks cold for up to 24 hours.
- **Cup Holder Friendly Design:** The tapered base allows the bottle to fit securely in most standard car cup holders.

- **Easy to Clean:** Features a wide-mouth opening for simple cleaning and effortless ice addition. The lid is dishwasher safe and can be disassembled for thorough cleaning.
- **Safe Materials:** Made from BPA, lead, and phthalate-free materials for safe drinking.

## SETUP AND FIRST USE

---

1. **Unpack:** Remove all packaging materials and labels from the water bottle.
2. **Initial Cleaning:** Before first use, hand wash the bottle and disassemble the lid for thorough cleaning. The lid is dishwasher safe (top rack recommended).
3. **Assemble:** Ensure the straw is securely attached to the lid and the lid is properly screwed onto the bottle.

## OPERATING INSTRUCTIONS

---

### Using the FreeSip Spout

The FreeSip spout offers two ways to drink:

- **Sip through the Straw:** For upright sipping, simply use the built-in straw.
- **Swig from the Spout:** For a larger gulp, tilt the bottle back and drink directly from the wide opening of the spout.

# The FreeSip<sup>®</sup> Spout

Image: The FreeSip spout, illustrating both the built-in straw for sipping and the wider opening for swigging.

## Lid Operation and Lock

- **Opening the Lid:** Press the push-button located on the front of the lid to release the spout cover.
- **Closing the Lid:** Push the spout cover down until it clicks securely into place.
- **Locking the Lid:** Locate the small sliding tab on the back of the lid. Slide it to the "Lock" position to prevent accidental opening of the spout cover.
- **Unlocking the Lid:** Slide the tab back to the "Unlock" position to enable the push-button function.

# Leak Proof Lock

## MAINTENANCE AND CLEANING

Proper cleaning ensures the longevity and hygiene of your Owala FreeSip Sway water bottle.

- **Disassembly:** The lid can be easily disassembled for thorough cleaning. Remove the straw and any other removable components.
- **Lid Cleaning:** The lid is dishwasher safe (top rack recommended).
- **Bottle Cleaning:** Hand wash the stainless steel bottle with warm, soapy water. The wide-mouth opening facilitates easy access for cleaning.
- **Drying:** Allow all components to air dry completely before reassembling to prevent odor or mildew.
- **Important Note:** This bottle is not for use with hot liquids.

## SPECIFICATIONS

Feature	Detail
Brand	Owala
Model Name	Owala FreeSip Sway
Model Number	C08676
Material	Stainless Steel

## TROUBLESHOOTING

If you encounter any issues with your Owala FreeSip Sway water bottle, please consider the following:

- **Leakage:** Ensure the lid is securely screwed onto the bottle and the spout cover is fully closed and locked. Check that the silicone seals are properly seated and free from debris.
- **Difficulty Opening/Closing Lid:** Verify the lock tab is in the "Unlock" position before pressing the push-button.
- **Reduced Insulation Performance:** Extreme temperatures or prolonged exposure to direct sunlight can affect insulation performance. Ensure the lid is tightly sealed.

For further assistance, please contact Owala customer support.

## WARRANTY AND SUPPORT

For information regarding product warranty, returns, or additional support, please visit the official Owala website or contact their customer service department. Keep your purchase receipt for warranty claims.
