HABA Amanda's Alpacas Stacking Puzzle Game Instruction Manual

Model: 2011825007

Introduction

Welcome to the HABA Amanda's Alpacas Stacking Puzzle Game. This logic game is designed to engage young minds aged 5 and up with 60 unique challenges. Players help Amanda, the magical alpaca, by untangling the colorful necks of her alpaca friends through strategic stacking. The game promotes fine motor skills, problem-solving, and critical thinking.

Safety Information

WARNING: Choking Hazard. Contains Small Parts. Not for Children under 3 years.
Always supervise young children during play. Ensure all components are handled appropriately to prevent accidental ingestion of small parts.

Package Contents

Before starting, please verify that all the following components are included in your game box:

- 24 colorful wooden cylinders
- 6 alpaca bases
- 1 magic wand
- 6 magic wand tiles
- 1 spiral book with 60 challenges and solutions
- 1 bonus sticker sheet

Figure 1: All components included in the HABA Amanda's Alpacas Stacking Puzzle Game.

Setup

1. Unpack all game components and place them on a flat, stable surface.
2. Open the spiral challenge book to the first challenge you wish to attempt. Each page displays a starting configuration for the alpaca necks.
3. Select the alpaca bases and colorful cylinders required for the chosen challenge.
4. Stack the cylinders onto the alpaca bases exactly as depicted in the challenge image in the spiral book.

Figure 2: Initial setup for a challenge, matching the cylinder stacks to the book's illustration.

How to Play (Operating)

The objective of the game is to rearrange the colorful cylinders on the alpaca bases to match the target configuration shown in the challenge book. You can move cylinders one by one or use the magic wand for specific actions.

Basic Moves:

- You can move the top cylinder from one alpaca stack to the top of another alpaca stack.
- You can move the top cylinder from one alpaca stack to an empty alpaca base.

Using the Magic Wand:

The magic wand allows you to reverse the order of cylinders within a stack. To use it:

1. Place the magic wand over a stack of cylinders.
2. Carefully lift the stack with the wand.
3. Flip the wand over, reversing the order of the cylinders.

4. Place the cylinders back onto an alpaca base in their new, reversed order.

Figure 3: Demonstrating how to use the magic wand to reverse a stack of cylinders.

Solving Challenges

Each challenge in the spiral book presents a unique starting configuration and a target configuration. Your goal is to transform the starting stacks into the target stacks using the allowed moves and the magic wand.

- **Analyze the Challenge:** Carefully observe the colors and order of cylinders in both the starting and target configurations.
- **Plan Your Moves:** Think several steps ahead. Consider which cylinders need to be moved, and when the magic wand might be most effective.
- **Experiment:** Don't be afraid to try different sequences of moves. If you get stuck, you can always reset to the starting configuration.
- **Check Solutions:** The spiral book includes solutions for all 60 challenges. If you are completely stuck, you can refer to the solution page for guidance.

Figure 4: A challenge successfully completed, with the physical stacks matching the solution shown in the book.

Figure 5: An example of a more advanced challenge from the game book.

Maintenance and Care

To ensure the longevity of your HABA Amanda's Alpacas Stacking Puzzle Game, follow these care instructions:

- **Cleaning:** Wipe components with a dry or slightly damp cloth. Do not immerse wooden parts in water. Avoid harsh cleaning agents.
- **Storage:** Store all game pieces in the original box or a designated container in a dry place, away from direct sunlight and extreme temperatures.
- **Handling:** Handle wooden cylinders and bases gently to prevent dents or scratches.

Troubleshooting

Problem: Difficulty solving a challenge.
Solution: Review the challenge instructions and allowed moves. Try breaking down the problem into smaller steps. If still stuck, refer to the solution section in the spiral book. Start with easier challenges to build confidence.

Problem: Missing a game piece.
Solution: Carefully check the game box and surrounding play area. If a piece is genuinely missing, contact HABA customer support for assistance.

Specifications

Feature	Detail
Product Dimensions	8.46 x 8.46 x 2.6 inches
Item Weight	1.79 pounds
Item Model Number	2011825007
Manufacturer Recommended Age	5 years and up
Manufacturer	HABA
Material	Sustainably sourced wood, non-toxic paints
