## Vibe & Dine Grey 12 Drawer Dresser

# Vibe & Dine Grey 12-Drawer Dresser Instruction Manual

Model: Grey 12 Drawer Dresser

## 1. PRODUCT OVERVIEW

---

The Vibe & Dine Grey 12-Drawer Dresser offers a minimalist and modern design, featuring a classic solid color scheme that complements various home decors. Its compact construction ensures stability and durability, making it a versatile storage solution for bedrooms or living rooms.

## 2. SETUP AND ASSEMBLY

---

This dresser is designed for straightforward assembly. An installation guide and all necessary hardware are included in the package. For optimal safety and stability, it is recommended to follow the instructions carefully and utilize the built-in anti-tip device to secure the dresser to a wall.

### Included Components:

- Dresser x 1
- Hardware Kit x 1
- Installation Guide x 1

## 3. OPERATING INSTRUCTIONS

---

The Vibe & Dine 12-Drawer Dresser features 12 spacious drawers, each designed for efficient storage. The drawers operate on high-quality metal slide rails, ensuring smooth and quiet operation during daily use. An integrated drawer anti-shedding device helps prevent drawers from accidentally falling out.

### Drawer Usage:

- To open a drawer, gently pull the top edge of the drawer front.
- To close, push the drawer firmly until it is fully seated within the frame.
- Avoid overloading drawers to maintain smooth operation and prevent damage to the slide rails. Each deep drawer has a load capacity of 55 lbs.

## 4. MAINTENANCE

To ensure the longevity and appearance of your Vibe & Dine dresser, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a dry cloth. The matte waterproof surface is designed for easy cleaning.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as these may damage the finish.
- **Liquid Spills:** Promptly wipe up any liquid spills to prevent staining or damage to the engineered wood.
- **Drawer Rails:** Periodically check and clean the metal slide rails to ensure continued smooth operation.

## 5. TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common troubleshooting tips:

- **Difficulty during Assembly:** Ensure all parts are correctly oriented according to the installation guide. Double-check that all screws and fasteners are tightened securely. Using an electric screwdriver can expedite the process.
- **Drawers Not Sliding Smoothly:** Verify that the metal slide rails are properly aligned and free from obstructions. Ensure drawers are not overloaded.
- **Drawers Sticking or Jamming:** Check for any items inside the drawer that might be catching on the frame or other drawers. Inspect the drawer anti-shedding device for proper engagement.
- **Wobbling or Instability:** Confirm that all connections are tight. Ensure the dresser is placed on a level surface. Utilize the anti-tip device to secure the dresser to a wall for enhanced stability.

If problems persist, please contact Vibe & Dine customer service for assistance.
