WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- Earclip C7 Open Ear Earbuds (Left and Right)
- Charging Case
- USB Type-C Charging Cable
- User Manual (this document)

SETUP

Initial Charging

Before first use, fully charge the Earclip C7 earbuds and their charging case. The charging case has a built-in screen that displays battery levels.

1. Place the earbuds into the charging case, ensuring they are properly seated.
2. Connect the provided USB Type-C cable to the charging port on the case and plug the other end into a USB power source (e.g., computer, wall adapter).
3. The indicator light on the case will show charging status. Allow approximately 1.5-2 hours for a full charge.

Pairing with Your Device

The Earclip C7 earbuds utilize Bluetooth 5.4 for a stable and efficient connection.

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing light on the earbuds.
2. On your device (smartphone, tablet, laptop), go to the Bluetooth settings.
3. Search for available devices and select "Earclip C7" from the list.
4. Once connected, the earbud indicator lights will stop flashing, and you will hear a confirmation tone.

OPERATING INSTRUCTIONS

Wearing the Earbuds

The Earclip C7 features an open-ear, clip-on design for comfortable and secure wear, even with glasses.

- Gently clip each earbud onto your earlobe, ensuring the speaker is positioned near your ear canal.
- Adjust for a snug yet comfortable fit. The lightweight design (4.5g per earbud) ensures minimal pressure.

Small and convenient Simple design aesthetics

No feeling in the pocket, more freedom, unexpected convenience
and small Exquisite shape

Touch Controls

The Earclip C7 earbuds are equipped with intuitive touch controls for easy management of calls and music.

Action	Function
Single Tap (L/R)	Play/Pause Music, Answer/End Call
Double Tap (L)	Previous Track
Double Tap (R)	Next Track
Triple Tap (L/R)	Activate Voice Assistant

Action	Function
Long Press (2s) (L/R)	Reject Call
Long Press (3s) (L/R)	Power On/Off (when not in case)

The charging case also features a built-in screen for managing calls, switching tracks, and adjusting volume directly from the case.

KEY FEATURES

Comfortable Open-Ear Fit

Weighing just 4.5g each, these earbuds feature a secure-clip design that is lighter and more breathable than traditional headphones. They fit snugly and are comfortable for extended wear, even with glasses. The open-ear design allows you to remain aware of your surroundings, making them perfect for outdoor activities.

Immersive Stereo Sound & Clear Calls

Experience enhanced clarity and a wider soundstage with professional digital audio tuning. The advanced directional audio ensures zero sound leakage, delivering deep bass, rich mids, and crisp highs for a truly immersive stereo experience. Equipped with ENC noise cancellation, the built-in microphone blocks up to 90% of background noise for crystal-clear calls, even in noisy environments.

Bluetooth 5.4 Connectivity

Utilizing the latest Bluetooth 5.4 technology, the Earclip C7 offers faster speeds, longer range, and more stable connections compared to previous versions, ensuring uninterrupted audio streaming.

Long Battery Life

Enjoy up to 8 hours of music playback on a single charge. The compact charging case provides an additional 36 hours, totaling 44 hours of combined battery life. With convenient Type-C charging, your earbuds will always be ready for long commutes or intense workouts.

based on human ear data.

IP45 Waterproof & Sweatproof

The Earclip C7 earbuds feature IP45 dust and water resistance, along with a nano hydrophobic coating. This protection allows them to withstand rain, sweat, and dust, making them ideal for running, cycling, hiking, and various workouts without compromising performance.

IP45 WATERPROOF AND DUSTPROOF

The equipment can withstand the impact of jet water without being damaged. It can prevent solid materials (diameter greater than 1 mm) from entering the interior.

Multi-Device Compatibility

The Earclip C7 earbuds are compatible with a wide range of devices, including mobile phones, laptops, tablets, and televisions, across various operating systems like Android, iOS, Windows, and HarmonyOS.

Support for multiple devices

Compatible with mobile phones, desktops, tablets, laptops and other wireless devices

MAINTENANCE

Cleaning

- Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts on both earbuds and case are clean and dry.

Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid storing in extreme temperatures or high humidity.

TROUBLESHOOTING

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "Earclip C7" in your device's Bluetooth settings and re-pair.
No sound from one earbud	Place both earbuds back in the case, close the lid, wait a few seconds, then open and try again. Check device audio balance settings.
Low volume	Adjust volume on both your device and using the earbud touch controls or charging case screen.
Charging case not charging	Check the USB-C cable and power adapter. Ensure the charging port is clean.
Earbuds misplaced	Utilize the flash function on the charging case (if available and enabled) to make the earbuds ring.
