5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your tiramisubest Convertible Sofa Bed, follow these maintenance guidelines:

- **Cleaning:** The sofa is made with premium towel fabric, which is water-repellent and stain-resistant. For spills, blot immediately with a clean, dry cloth. For general cleaning, use a soft brush or vacuum with an upholstery attachment to remove dust and debris. For tougher stains, a mild fabric cleaner can be used, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa bed away from direct sunlight or use curtains/blinds.
- **Regular Inspection:** Periodically check all screws and connections to ensure they are tight. Retighten if necessary.

- **Sofa Bed Not Converting Smoothly:** Ensure there are no obstructions around or under the pull-out mechanism. Check that the casters are clean and free of debris. Apply a silicone-based lubricant to moving parts if necessary.
- **Unstable or Wobbly:** Re-check all screw connections, especially those for the feet and armrests, and tighten them securely. Ensure the sofa is placed on a flat, even surface.
