vSeeBox vSeeBox

vSeeBox Bluetooth Voice Remote Control User Manual

Model: vSeeBox

1. INTRODUCTION

Welcome to your vSeeBox Bluetooth Voice Remote Control. This manual provides detailed instructions for setting up, operating, and maintaining your remote control, ensuring seamless interaction with your compatible vSeeBox media box. Please read this manual carefully before use.

2. PACKAGE CONTENTS

- 1 x vSeeBox Bluetooth Voice Remote Control

Note: AAA batteries are required and sold separately.

3. PRODUCT OVERVIEW

The vSeeBox Bluetooth Voice Remote Control is designed for intuitive navigation and control of your vSeeBox media device. It features dedicated buttons for common functions, voice control capabilities, and the ability to program basic TV functions.

Image: Front view of the vSeeBox Bluetooth Voice Remote Control, showcasing its buttons including power, volume, channel, number pad, navigation, and dedicated app buttons for YouTube, Netflix, Prime Video, and Disney+.

Key Features:

- **Bluetooth Connectivity:** For reliable wireless control.
- **Voice Control:** Activate with the dedicated microphone button for hands-free commands.
- **TV Control Programming:** Learn basic functions from your TV remote (e.g., Power, Volume).
- **Ergonomic Design:** Comfortable to hold and use.
- **Dedicated App Buttons:** Quick access to popular streaming services.

4. SETUP

4.1 Battery Installation

1. Locate the battery compartment on the back of the remote control.
2. Slide the battery cover downwards to open it.
3. Insert two (2) AAA batteries, ensuring the correct polarity (+ and -) as indicated inside the compartment.
4. Replace the battery cover by sliding it back into position until it clicks securely.

Image: Back view of the vSeeBox remote control with the battery compartment open, showing the slots for two AAA batteries.

4.2 Bluetooth Pairing

To connect your vSeeBox Bluetooth Voice Remote Control to your vSeeBox media device, follow these steps:

1. Ensure your vSeeBox media device is powered on and visible on your screen.
2. On the vSeeBox Bluetooth Voice Remote Control, press and hold the **[OK]** button and the **[Volume Down (-)]** button simultaneously.
3. Hold both buttons until a message indicating successful pairing, such as "Remote control connected successfully," appears on your vSeeBox screen.
4. The remote is now paired and ready for use.

5. OPERATING INSTRUCTIONS

5.1 Basic Navigation

Use the directional pad (up, down, left, right) and the **[OK]** button to navigate menus and select items on your vSeeBox device. The **[Back]** button returns to the previous screen, and the **[Home]** button takes you

to the main menu.

5.2 Voice Control

To use the voice control feature:

1. Press the dedicated **[Microphone]** button on the remote control.
2. Speak clearly into the remote's microphone.
3. Release the **[Microphone]** button when you have finished speaking. Your vSeeBox device will process the command.

5.3 TV Control Programming

This remote can be programmed to control basic functions of your television, such as power and volume, eliminating the need for a separate TV remote. The programming instructions are also printed on the back of the remote.

Image: Back view of the vSeeBox remote control, showing printed instructions for programming TV control functions.

To program TV control functions:

1. Press and hold the **[TV Control Power]** button (blue button at the top left) for 5 seconds. The LED indicator will change from solid to slowly blinking, indicating it is in learning mode.
2. Press the key on the vSeeBox remote that you wish to program (e.g., **[TV Control Power]**, **[VOL+]**, **[VOL-]**). The LED will begin blinking slowly.
3. Point your TV's original remote control directly at the front of the vSeeBox remote (distance less than 3 cm). Press and hold the corresponding key on your TV remote.
4. If the learning is successful, the LED on the vSeeBox remote will flash 3 times quickly and then return

to a slow blink.

5. Repeat steps 2-3 for any other keys you wish to program (e.g., Volume Up, Volume Down).
6. To exit learning mode, press any other button on the vSeeBox remote that is not being programmed, or wait for the LED to turn off automatically.

6. MAINTENANCE

6.1 Battery Replacement

When the remote control's performance degrades or it stops responding, it is likely time to replace the batteries. Refer to section 4.1 for battery installation instructions. Always use two new AAA batteries for optimal performance.

6.2 Cleaning

To clean the remote control, use a soft, dry cloth. Do not use liquid cleaners or abrasive materials, as these can damage the remote.

7. TROUBLESHOOTING

- **Remote not responding:**

- Check if the batteries are correctly installed and have sufficient charge. Replace if necessary.
- Ensure the remote is paired with your vSeeBox device. If not, repeat the Bluetooth pairing process (Section 4.2).
- Make sure there are no obstructions between the remote and the vSeeBox device.

- **Voice control not working:**

- Ensure the remote is properly paired via Bluetooth.
- Speak clearly and directly into the microphone.
- Check your vSeeBox device's settings to ensure voice control is enabled.

- **TV control programming failed:**

- Ensure the TV remote is pointed directly at the vSeeBox remote and is within 3 cm during the learning process.
- Make sure the vSeeBox remote is in learning mode (LED blinking slowly).
- Try repeating the programming steps carefully (Section 5.3).

8. SPECIFICATIONS

Documents - vSeeBox – vSeeBox

Thank you for your recent purchase of the vSeeBox v3 Plus, the newest digital streaming hardware. This device allows you to access the most recent movies, pay-per-view events, sporting events, and every live channel imaginable. This is all available in your initial purchase of the hardware; there are no recurring costs. The vSeeBox will provide "over-the-air" updates as long as the device is connected to the Internet.

Note: You will need two AAA batteries for the remote, as it does not come with the

Unboxing, Physical, and Software Setup

What's included in the box?

■ vSeeBox - V3 Plus Device

- Power Adapter
- HDMI Cord

- Remote Control

How do I connect the box to the TV?

1. When looking at the back of the box, connect the power adapter to the first port on the back of the **vSeeBox**.
2. Connect the **vSeeBox** to your TV with the **HDMI cable** provided. If you already have an **HDMI cable** plugged in to your TV, you can use it as well.
3. **Optional:** If you are connecting your **vSeeBox** to an **Ethernet cable** for a direct internet connection, connect the **vSeeBox** to your router now.
4. At this point, your **vSeeBox** should be powered on, and you will see "Boot" on the box's display screen. It means the source is on your TV, and that you've HDMI input selected.

How do I proceed with the software setup?
