- Always place heavier items in the lowest drawers.
- Do not allow children to climb or hang on drawers, doors, or shelves.
- Never open more than one drawer at a time.

3. Package Contents

Before beginning assembly, ensure all parts and hardware are present and undamaged. Refer to the included parts list for a complete inventory. If any parts are missing or damaged, please contact customer service.
The package typically includes:

- Wooden panels for the dresser frame and drawers.
- Metal drawer slides.
- Drawer handles/knobs.
- Assembly hardware (screws, dowels, cam locks, etc.).
- Anti-tipping device.
- Assembly instructions.

Note: The exact number and type of components may vary slightly. Always refer to the specific parts list provided in your product packaging.

4. Setup and Assembly

Assembly is required for this dresser. Follow the step-by-step instructions carefully. It is recommended to have two people for assembly to ensure safety and ease of construction. A power drill with appropriate bits will significantly speed up the process.

Key Assembly Tips:

- Lay out all components on a clean, soft surface to prevent scratches.
- Identify each part by its label (if provided) and match it with the instruction manual's diagrams.
- Do not overtighten screws, as this can damage the wood.
- Ensure all cam locks and dowels are securely fastened for structural integrity.
- When installing drawer slides, ensure they are aligned correctly for smooth operation.

5. Operating Instructions

This dresser is designed for easy and convenient use. The 6 drawers slide smoothly on ball bearings, allowing for effortless opening and closing.

- To open a drawer, gently pull the handle.
- To close a drawer, push it firmly until it is fully seated.
- Avoid overloading drawers to ensure smooth operation and prevent damage to the slides.
- The spacious tabletop can hold various items such as keys, alarm clocks, photo frames, and potted plants.

6. Maintenance

To maintain the appearance and longevity of your Chrangmay 6-Drawer Dresser, follow these simple care instructions:

- **Cleaning:** Wipe with a dry cloth. For tougher spots, a light wipe with a damp cloth followed immediately by a dry cloth is recommended. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the surface with a soft, dry cloth.
- **Protection:** Avoid placing hot items directly on the surface. Use coasters or protective pads.
- **Sunlight:** Keep the dresser out of direct sunlight to prevent fading or discoloration of the wood finish.
- **Moisture:** Protect the dresser from excessive moisture. Promptly wipe up any spills.

7. Troubleshooting

If you encounter any issues with your dresser, refer to the following common troubleshooting tips:

- **Drawers not sliding smoothly:**

- Check if the drawer slides are properly aligned and securely fastened.
- Ensure drawers are not overloaded.
- Verify that the correct drawer is in its designated slot (some drawers may be designed for specific positions).

- **Dresser feels wobbly:**
  - Ensure all assembly hardware (screws, cam locks) are fully tightened.
  - Verify the dresser is on a level surface. Adjust furniture levelers if applicable.
  - Confirm the anti-tipping device is correctly installed and secured to the wall.
- **Missing parts:**
  - Carefully check all packaging materials.
  - Contact customer service with your product model and a description of the missing part.
