2. SAFETY INFORMATION

WARNING:

- Always assemble the desk and hutch according to the provided instructions.
- Ensure the desk is properly anchored to the wall or floor to prevent tipping, especially with the hutch attached.
- Keep the workspace clear of obstacles during assembly and use.
- Always use appropriate safety measures when handling heavy objects.
- The desk and hutch will be delivered in two separate packages and may arrive at different times. This is to better protect all components during transit.

3. PACKAGE CONTENTS AND ASSEMBLY

Your LayBurst L-shaped desk and hutch are shipped in two separate packages. Please ensure both packages have arrived before beginning assembly. All parts are numbered, and a detailed step-by-step instruction manual is included in the packaging to guide you through the assembly process.

For optimal assembly, we recommend:

- Reviewing all parts and hardware against the included list before starting.
- Assembling the desk on a soft, clean surface to prevent scratches.
- Having a second person assist with lifting and positioning larger components.

4. OPERATING INSTRUCTIONS

4.1 Integrated Charging Station

The desk features a built-in charging station for convenient power access. It includes:

- Two standard AC power outlets (AC 1500W MAX)
- One USB-A port (DC 18W MAX)
- One USB-C port (DC 18W MAX)

Simply plug your devices into the appropriate ports to charge them directly from your desk, reducing cable clutter.

4.2 Storage Features

The desk and hutch offer diverse storage options to keep your workspace organized:

- **Lockable Drawer:** A drawer on the left side of the desk can be locked to secure important documents or personal items. Keys are provided.
- **Adjustable Shelf Cabinet:** Located beneath the lockable drawer, this cabinet features adjustable shelves for flexible storage of various items.
- **Open Storage Space:** An open section on the right side of the desk provides easy access storage.
- **File Cabinet:** This cabinet is designed to accommodate A4, letter, and legal-sized documents, helping you organize your files efficiently.
- **Hutch with Sliding Barn Doors:** The hutch features enclosed storage on both sides with semi-transparent acrylic sliding barn doors, and an open middle section. All shelves within the hutch are adjustable, allowing you to customize the storage layout. The sliding doors can be positioned to cover either side or the middle section as needed.

5. MAINTENANCE

To ensure the longevity and appearance of your desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the wood-look surfaces.
- **Heat and Moisture:** Avoid placing hot items directly on the desk surface. Use coasters for drinks to prevent water rings.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.

6. TROUBLESHOOTING

If you encounter any issues with your desk, please refer to the following common solutions:

- **Wobbly Desk:** Ensure all assembly screws are securely tightened. Check that the desk is on a level surface. If necessary, use furniture levelers (not included) under the feet.
- **Drawer Issues:**
 - If a drawer is difficult to open or close, check the drawer slides for obstructions or misalignment. Ensure the screws holding the slides are tight.
 - If a drawer detaches, inspect the screws and mounting points. Re-secure with appropriate fasteners, potentially using wood glue for added stability if the original holes are stripped.
- **Lock Mechanism Not Functioning:** Verify that the lock cylinder is properly aligned with the locking mechanism. Ensure the key turns smoothly. If the lock is damaged, contact customer support for assistance.
- **Charging Station Not Working:** Check that the desk's power cord is securely plugged into a functional wall outlet. Test the charging station with different devices and cables to isolate the issue.

If these steps do not resolve the issue, please contact LayBurst customer support.
