## IFGET GHJ4018-GR-1

# IFGET Curved Buffet Cabinet

MODEL: GHJ4018-GR-1

User Instruction Manual

---

## Introduction

---

Thank you for choosing the IFGET Curved Buffet Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

Figure 1: IFGET Curved Buffet Cabinet (Dark Grey)

This 66-inch sideboard storage cabinet features a modern design with curved edges and four doors, offering versatile storage solutions for your kitchen, dining room, or living area. It includes adjustable shelves and a durable top surface designed to support small appliances.

## Safety Information

---

- Read all instructions before assembly and use.
- Keep all hardware and small parts out of reach of children.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload shelves. Refer to the Specifications section for weight limits.
- Use the included anti-tip kit to secure the cabinet to a wall, especially if children are present.
- Avoid placing hot items directly on the surface without protection.

## Package Contents

---

Before assembly, verify that all components listed below are present. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (Top, Bottom, Sides, Back, Shelves)
- Doors (4 units)
- Hardware Pack (Screws, dowels, cam locks, hinges, handles, shelf pins, anti-tip kit)
- Assembly Tools (Allen wrench, screwdriver - may be included or required)
- Instruction Manual

## Setup and Assembly

---

Assembly typically requires two adults. Follow the step-by-step instructions provided in the separate assembly guide included in your package. General steps include:

1. **Unpack and Identify Parts:** Lay out all panels and hardware. Match them with the parts list in the assembly guide.
2. **Assemble the Base:** Attach the support feet to the bottom panel.
3. **Construct the Frame:** Connect the side panels to the bottom panel, then attach the internal dividers and the top panel.
4. **Install Shelves:** Insert shelf pins into desired holes and place adjustable shelves.
5. **Attach Doors:** Secure hinges to the doors and then to the cabinet frame. Adjust hinges for proper door alignment.
6. **Install Handles:** Attach the golden metal handles to the doors.
7. **Secure Back Panel:** Fasten the back panel to the cabinet frame.
8. **Anti-Tip Kit Installation:** Secure the cabinet to a wall using the provided anti-tip hardware to prevent accidental tipping.

## Product Dimensions

66"W x 15.75"D x 32"H

## Operating Instructions

- **Opening/Closing Doors:** Gently pull the golden metal handles to open the doors. Push firmly to close. The doors are designed for soft closing.
- **Adjusting Shelves:** The cabinet features adjustable shelves. To reposition a shelf, remove all items, lift the shelf, remove the shelf pins, insert pins into desired holes, and then place the shelf back on the pins.
- **Using Door Shelves:** The side doors include integrated shelves for smaller items like bottles or spices. Ensure items are securely placed to prevent falling when opening or closing the door.

## Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.

- **Spills:** Clean spills immediately to prevent staining, especially on the top surface which is designed to be waterproof.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as needed.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

## Troubleshooting

Problem	Possible Cause	Solution
Doors do not align properly.	Hinges are not adjusted correctly.	Adjust the screws on the hinges to align the doors. Refer to the assembly guide for detailed hinge adjustment instructions.
Cabinet feels wobbly.	Loose connections or uneven floor.	Ensure all assembly screws are tightened. Use the adjustable support feet to level the cabinet on uneven surfaces.
Shelf sags or falls.	Overloaded shelf or improperly inserted shelf pins.	Reduce the weight on the shelf. Ensure shelf pins are fully inserted into the holes and the shelf rests securely on them.

## Specifications

- **Brand:** IFGET
- **Model:** GHJ4018-GR-1
- **Color:** Dark Grey
- **Product Dimensions:** 66"W x 15.75"D x 32"H
