DWVO Vanity Desk with Mirror, Power Outlet, and LED Lights - Instruction Manual

INTRODUCTION

Thank you for choosing the DWVO Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This vanity desk features a high-definition mirror with 10 LED bulbs, offering three adjustable lighting modes and brightness levels. It also includes integrated power outlets (2 AC, 1 USB, 1 Type-C) for convenient charging of your devices and styling tools. Ample storage is provided through four drawers, multiple open shelves, and dedicated compartments.

SAFETY INFORMATION

- Always unplug the vanity desk from the power outlet when not in use or before cleaning.
- Exercise caution with sharp edges and the overall weight of the unit during assembly and daily use.
- Ensure all electrical components remain dry and are kept away from heat sources to prevent damage or hazards.
- Do not exceed the specified weight limits for the tabletop, shelves, or drawers. Refer to the specifications section for details.
- Keep small parts and packaging materials away from children to prevent choking hazards.

SETUP AND ASSEMBLY

The DWVO Vanity Desk is designed for straightforward assembly. All necessary parts are clearly labeled, and

detailed instructions are included in the packaging. Please follow the step-by-step guide provided with your product for optimal results.

Before You Begin:

- Clear a spacious area for assembly.
- Verify all components and hardware are present against the parts list.
- Have a Phillips head screwdriver and a hammer ready.

Assembly Tips:

- Do not overtighten screws during initial assembly; tighten fully once the unit is stable.
- Assemble on a soft, clean surface to prevent scratches.
- Seek assistance for lifting and positioning heavy sections.

OPERATING INSTRUCTIONS

LED Mirror Lighting:

- Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- Change Color Mode:** With the lights on, tap the touch sensor repeatedly to cycle through the three color modes: Cold White (6000K), Warm White (4500K), and Warm Yellow (3000K).
- Adjust Brightness:** With the lights on, press and hold the touch sensor. The brightness will gradually increase or decrease. Release the sensor when the desired brightness level is reached.

3 LIGHTING MODES & ADJUSTABLE BRIGHTNESS

PRESS AND HOLD THE BUTTON ON THE MIRROR TO ADJUST THE BRIGHTNESS

Integrated Power Outlet:

The vanity desk includes a built-in power strip with 2 standard AC outlets, 1 USB port (5V/2A), and 1 Type-C port (2.5V/2.1A). This allows for convenient charging and powering of your electronic devices and styling tools.

- Ensure the vanity desk is properly plugged into a wall outlet.
- Connect your devices to the appropriate AC, USB, or Type-C ports.
- The power strip is located near the hair dryer holder for easy access.

MAINTENANCE

Cleaning:

- For general cleaning, wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- For the mirror, use a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply to the cloth first.

Care:

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Avoid placing hot items directly on the surface. Use coasters or protective pads.
- Keep the vanity desk away from direct sunlight and excessive moisture to prevent warping or discoloration.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not turning on.	Power cord not fully plugged in; loose connection; faulty bulb.	Ensure the power cord is securely plugged into both the vanity and the wall outlet. Check for any loose wiring connections. If a bulb is faulty, contact customer support for replacement.
Power outlets not working.	Vanity not plugged in; circuit breaker tripped; device not compatible.	Verify the vanity desk is plugged into a live wall outlet. Check your home's circuit breaker. Ensure your device is compatible with the outlet's voltage/amperage.
Drawers are stiff or not sliding smoothly.	Improper assembly of drawer slides; obstruction in the tracks.	Review assembly instructions for drawer slide installation. Check tracks for any debris or objects. Apply a silicone-based lubricant to the slides if needed.
Vanity desk feels unstable.	Loose fasteners; uneven floor.	Tighten all assembly screws. Place the vanity on a level surface or use shims under the legs to stabilize it.

If you encounter any issues not listed here or if the suggested solutions do not resolve the problem, please contact DWVO customer support for further assistance.

SPECIFICATIONS

Feature	Detail
Model Number	MADWVbIUMD
Product Dimensions (W x D x H)	39.5 inches x 16 inches x 54 inches
