

IFANNY 11012-HU

IFANNY Low Loft Bed Twin Size with Movable Storage Shelves and Chalkboard (White) Instruction Manual

Model: 11012-HU

1. INTRODUCTION

Thank you for choosing the IFANNY Low Loft Bed. This manual provides essential information for the safe assembly, proper use, and maintenance of your new loft bed. Please read all instructions carefully before assembly and retain this manual for future reference.

This low loft bed is designed to provide a comfortable sleeping area, integrated storage, and a creative play space for children. It features a solid wood frame, built-in chalkboards, and movable bookshelves.

2. SAFETY INFORMATION

Your child's safety is paramount. Please adhere to the following safety guidelines:

- **Guardrails:** The bed is equipped with a 12-inch high full-length guardrail for 360-degree protection. Ensure all guardrails are securely installed before use.
- **Ladder Safety:** The angled 2-step ladder is designed for secure climbing. Always ensure the ladder is stable and properly attached. Children should use the ladder carefully when ascending or descending.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 250 lbs for the bed platform.
- **Mattress Requirements:** Use a twin-size mattress with a thickness of 6 inches or less to ensure the effectiveness of the guardrails. No box spring is required.
- **Assembly:** This product requires adult assembly. Follow all assembly instructions precisely. Do not use power tools for assembly unless specifically instructed, as overtightening can damage the wood.
- **Placement:** Position the bed away from windows, cords, or other items that could pose a strangulation hazard.
- **Chalkboards:** Use only non-toxic chalk on the integrated chalkboards. Supervise children during use.
- **Regular Checks:** Periodically check all bolts, screws, and connections to ensure they remain tight.

and secure.

- **Age Recommendation:** This bed is intended for children capable of safely using a loft bed.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Low Loft Bed Frame (White)
- 1 x Instruction Manual
- All necessary assembly hardware (screws, bolts, etc.)

5. SETUP AND ASSEMBLY

The IFANNY Low Loft Bed requires assembly. Detailed step-by-step instructions, along with diagrams and a list of all hardware, are included in the separate assembly guide provided with your purchase. Please follow these instructions carefully to ensure correct and safe assembly.

- **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware and compare them against the parts list in the assembly guide.
- **Tools:** Ensure you have the necessary tools as specified in the assembly guide (typically a screwdriver and Allen wrench, often included).
- **Team Assembly:** It is recommended that two adults assemble this product for safety and ease.
- **Tightening:** Hand-tighten all screws and bolts initially. Once the entire structure is assembled, go back and fully tighten all connections. Avoid overtightening.

6. OPERATING AND FEATURES

The IFANNY Low Loft Bed is designed for multi-functional use, combining a sleeping area with creative and storage solutions.

6.1. Integrated Chalkboards

Child-friendly Design

4 Chalkboards encourages creativity and interactive learning

4 Bookcases

Easy Access to Upper Bunk

2-Step Ramp Ladder

Figure 3: Child-friendly design highlighting the four integrated chalkboards for creative expression.

- The bed features four built-in chalkboards on three sides, encouraging creativity and interactive learning.
- Use standard non-toxic chalk for drawing and writing.
- Clean the chalkboards with a damp cloth or a chalkboard eraser.

6.2. Movable Storage Shelves

4 Chalkboards

Promoting Imagination

Nurturing Artistic Talent

2 Storage Shelves

Get your child into the good habit of organizing

Toys

Books

Photo Frames

Decorations

Figure 4: Detail of the two movable storage shelves, ideal for organizing toys, books, and decorations.

- Two movable bookshelves are integrated into the bed's structure, providing convenient storage.
- These shelves can hold books, toys or decorative items, helping to keep the room tidy.
- Ensure items placed on the shelves do not exceed the 50 lbs weight capacity per shelf.

6.3. Under-Bed Play Space

Figure 5: The spacious under-bed area, suitable for play, storage, or a small desk.

- The design includes a spacious under-bed area (76" L x 39" W x 21" H) that can be utilized as a play zone, a study nook, or for additional storage.
- This feature maximizes room space, offering versatility for your child's room.

6.4. Solid Wood Construction

Solid Wood Bed Frame

Long-lasting
Use

No Easy
to Deform

Natural
Glamour

Figure 6: Detail of the solid pine wood frame, emphasizing durability and natural material.

- The bed frame is constructed from premium solid pine wood, ensuring stability and durability.
- Reinforced plywood slats provide firm support for the mattress without the need for a box spring.
- The frame features a child-safe, splinter-free varnish and rounded edges for enhanced safety.

7. MAINTENANCE

Proper care and maintenance will extend the life of your IFANNY Low Loft Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Hardware:** Periodically check and tighten all bolts, screws, and fasteners to ensure the bed remains stable and secure. Do this at least once every three months or if you notice any wobbling.
- **Chalkboards:** Clean chalkboards regularly with a damp cloth to prevent chalk residue buildup.
- **Avoid Moisture:** Protect the bed from excessive moisture and direct sunlight to prevent warping or fading.

8. TROUBLESHOOTING

If you encounter any issues with your IFANNY Low Loft Bed, refer to the following common solutions:

- **Wobbling or Instability:**

- Ensure all bolts and screws are fully tightened.
- Verify that the bed is placed on a flat, level surface.
- Re-check the assembly steps in the instruction manual to confirm all parts are correctly installed.

- **Squeaking Noises:**

- Tighten all hardware.
- Ensure the mattress is properly seated on the slats.

- **Damaged or Missing Parts:**

- Do not attempt to use the bed with damaged or missing parts.
- Contact IFANNY customer support immediately for replacements.

9. WARRANTY AND SUPPORT

IFANNY is committed to providing high-quality products. For any questions, concerns, or assistance with your Low Loft Bed, please contact our customer support team. Please have your model number (11012-HU) and purchase information ready when contacting support.

While specific warranty details are not provided in this manual, IFANNY offers customer support for product inquiries and assistance with parts. For information regarding protection plans, please refer to your purchase documentation or contact your retailer.

Contact Information: Please refer to the contact details provided with your purchase or visit the official IFANNY website for support.
