HONOR MAL-HP00

HONOR Choice Pencil User Manual

Model: MAL-HP00

1. Introduction

The HONOR Choice Pencil is a precision stylus designed to enhance your experience with compatible HONOR tablets. It offers advanced features such as high pressure sensitivity, tilt recognition, and intelligent palm rejection, making it ideal for writing, drawing, and navigation. This manual provides essential information for setting up, operating, and maintaining your stylus.

2. Compatibility

The HONOR Choice Pencil is optimized for seamless integration with the following HONOR tablet models:

- HONOR Pad 10
- HONOR Pad 9
- HONOR Pad X9a

It utilizes Bluetooth 5.1 and HPP3.1 protocols to ensure stable and low-latency connections. Please ensure your tablet's operating system is Android 10.0 or higher for full compatibility.

Image: The HONOR Choice Pencil is compatible with HONOR Pad 10, HONOR Pad 9, and HONOR Pad X9a, showing each tablet model with its screen size, refresh rate, and ROM.

3. Setup

3.1. Charging the Stylus

To charge your HONOR Choice Pencil, connect it to a USB-C power source using a compatible cable. A full charge typically takes approximately 60 minutes. A quick 1-minute charge can provide approximately 15 minutes of writing time.

3.2. Pairing with Your Tablet

1. Ensure your HONOR tablet is powered on and Bluetooth is enabled in its settings.
2. Press the physical button on the stylus once to wake it up.
3. For initial pairing, press and hold the button for more than 5 seconds until the LED indicator on the stylus begins to blink, indicating it is in pairing mode.
4. A pop-up window should appear on your HONOR tablet for quick pairing. Confirm the connection.
5. Once successfully paired, the stylus will automatically reconnect to your device when activated.

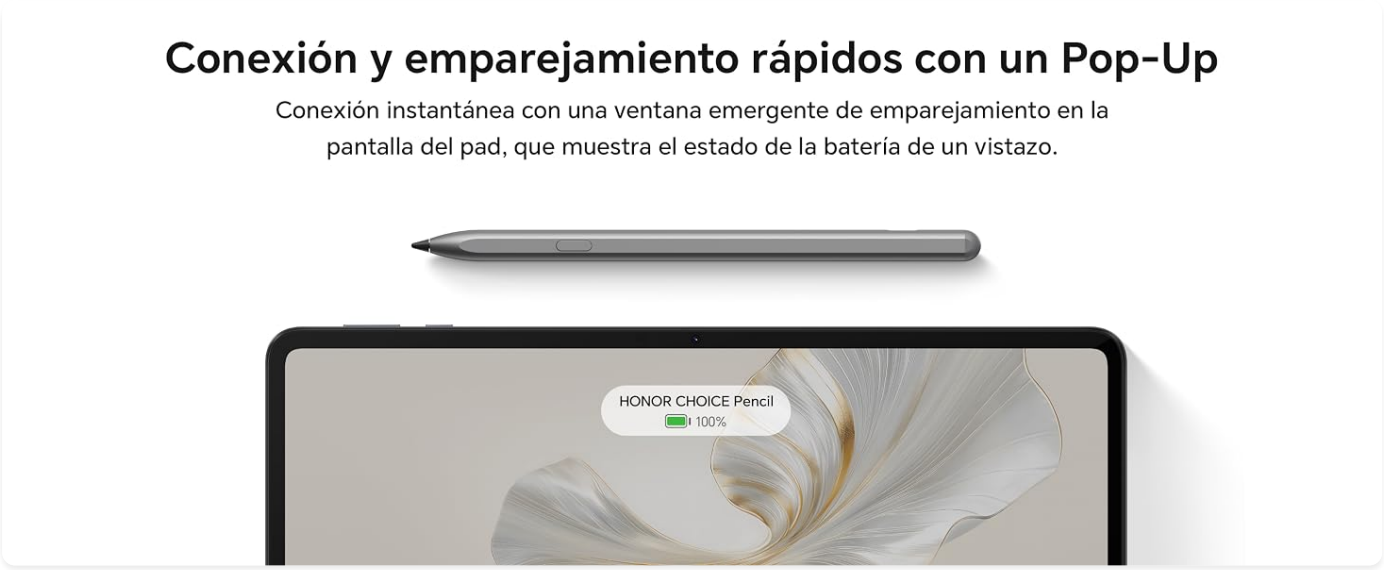

Image: The HONOR Choice Pencil displaying a quick pairing pop-up on an HONOR tablet screen, showing the stylus battery level.

4. Operating Instructions

4.1. Writing and Drawing

The stylus features 4096 levels of pressure sensitivity, allowing for dynamic stroke thickness and intensity based on the pressure you apply (activation at ≤5g). It also supports tilt recognition, enabling authentic shading effects in compatible applications.

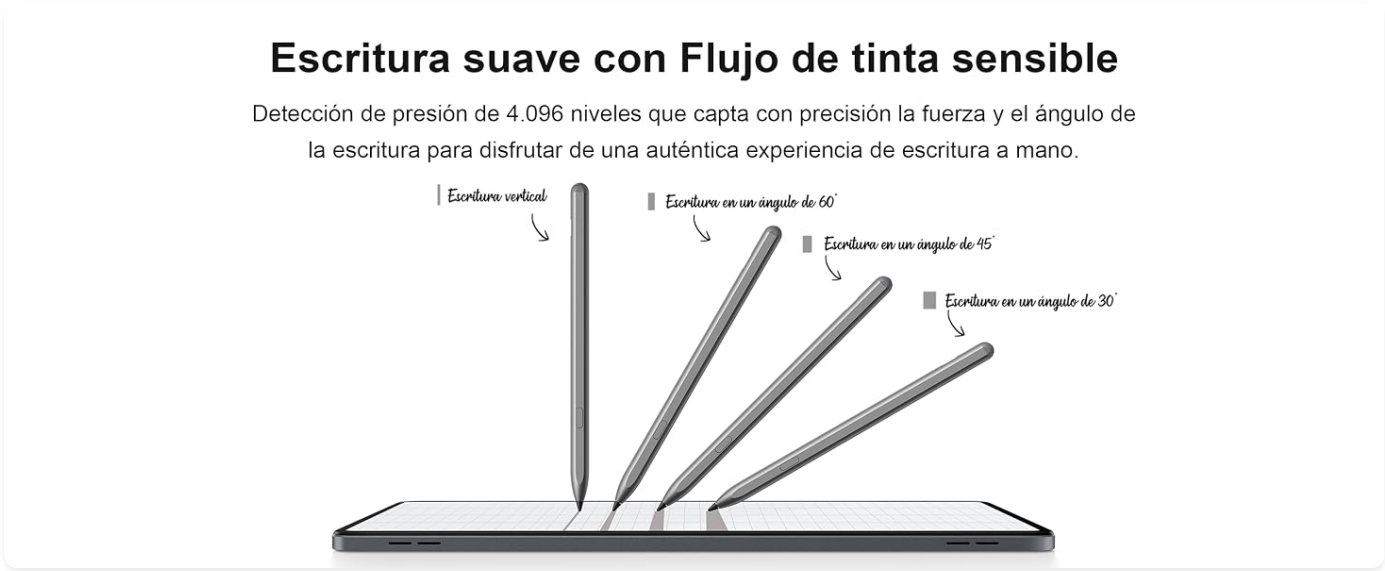

Image: Illustration demonstrating various writing angles (vertical, 60°, 45°, 30°) of the HONOR Choice Pencil to show pressure and tilt sensitivity.

Experience ultra-low latency for instant, fluid, and natural writing and drawing, fostering your creativity without delay.

Image: A hand using the HONOR Choice Pencil to write 'Pencil' on a tablet screen, highlighting the low-latency writing experience.

4.2. Palm Rejection

The intelligent palm rejection technology ensures that only the stylus input is registered, allowing you to rest your hand naturally on the tablet screen without causing unintended marks or interference.

Image: A hand writing with the HONOR Choice Pencil on a tablet, illustrating the palm rejection feature by showing smooth lines even with the hand resting on the screen.

4.3. Multifunction Button

- **Single Click:** Wakes up the stylus and initiates reconnection with a previously paired device.
- **Double Click:** Instantly switches between writing (pen) and eraser functions within compatible applications, providing efficient workflow.

Image: A hand double-clicking the button on the HONOR Choice Pencil, with an arrow indicating the toggle between pen and eraser functions on a tablet screen.

4.4. Battery Monitoring

You can monitor the battery level of your HONOR Choice Pencil directly from your tablet's settings. Navigate to **Settings > Accessibility > Tablet stylus** to view the current battery status.

5. Maintenance

5.1. Tip Replacement

The HONOR Choice Pencil is designed with a durable POM tip, and one extra replaceable tip is included in the package. To replace a worn tip:

1. Gently pull the old tip straight out from the stylus body.
2. Insert the new tip firmly into the stylus until it is securely seated.

Image: A close-up of the HONOR Choice Pencil tip, showing how to remove and replace it with an arrow indicating the direction of removal.

5.2. Charging and Storage Care

- Always use a standard USB-C cable and a compatible charger for charging.
- Avoid exposing the stylus to extreme temperatures (outside 0°C to 45°C) during charging and storage, as this can affect battery life and performance.
- When not in use, the stylus automatically enters a smart protection mode to conserve battery power.

6. Troubleshooting

If you encounter any issues with your HONOR Choice Pencil, please refer to the following common solutions:

- **Stylus not connecting or pairing:**
  Ensure the stylus is sufficiently charged. Verify that Bluetooth is enabled on your HONOR tablet. Try restarting both the stylus (by pressing the button once) and your tablet. If the issue persists, re-initiate pairing mode by holding the stylus button for more than 5 seconds.
- **Inaccurate writing or drawing:**
  Check if the stylus tip is clean and free from any debris. Ensure the tip is securely installed. Verify that your tablet's software is up to date.
- **Battery drains quickly:**
  Ensure the stylus is fully charged before use. Avoid leaving the stylus in environments with extreme temperatures. If the issue persists despite these steps, please contact customer support.

7. Specifications

Feature	Detail
Model Number	MAL-HP00
Dimensions	15.96 x 0.9 x 0.9 cm (Length x Width x Height)

Weight	10 Grams
Color	Grey
Battery Type	1 Lithium Polymer battery (included)
Charging Port	USB-C
Charging Time	60 minutes
Active Use Time	>8 hours
Standby Time	>20 hours
Pressure Sensitivity	4096 levels
Compatible OS	Android 10.0 or higher
Connectivity	Bluetooth 5.1, HPP3.1
Included Accessories	1 extra replaceable POM tip
