SAFETY INFORMATION

To ensure safe use and prevent injury, please adhere to the following guidelines:

- Always use caution when opening and closing the drawers to prevent injury.
- Keep the cabinet away from heat sources.
- Do not overload the drawers to prevent tipping.

- This product is not intended for use by children without adult supervision.
- It is highly recommended to secure the cabinet to a wall using the provided anti-tipping device to enhance stability, especially in households with children or pets.

PRODUCT OVERVIEW

The RUSTYER Narrow Shoe Storage Cabinet is designed for functionality and aesthetic appeal. Its slim profile is ideal for tight spaces, while the two flip-down drawers offer discreet storage.

Key Features:

- **Space-Saving Design:** Measuring 27.56"W x 9.45"D x 33.27"H, this cabinet is suitable for narrow areas.
- **2 Flip-Down Drawers:** Each drawer includes adjustable dividers to accommodate various shoe types and sizes.
- **Elegant Design:** Features stylish curved edges and an arched stripe-printed panel, blending modern and classic aesthetics.
- **Durable Construction:** Made from high-quality MDF with a stable structure and premium metal handles.

SETUP AND ASSEMBLY

Assembly of your RUSTYER shoe cabinet is designed to be straightforward. All necessary parts are clearly labeled, and detailed, easy-to-follow instructions are included in the packaging for assembling the freestanding cabinet, attaching the legs, and installing the drawers.

Assembly Steps:

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Assemble the main frame of the cabinet according to the diagrams.
3. Attach the legs securely to the base of the cabinet.
4. Install the two flip-down drawers, ensuring they operate smoothly.
5. Install the adjustable dividers within each drawer as desired.
6. Secure the anti-tipping device to the back of the cabinet and to a wall stud, following the specific instructions for your wall type.

OPERATING INSTRUCTIONS

The RUSTYER shoe cabinet is designed for easy access and organization of your footwear.

Using the Flip-Down Drawers:

- Gently pull the handle on each drawer to flip it open. The drawers are designed to tilt forward, providing easy access to your shoes.
- Place shoes into the compartments. Each drawer can hold approximately 6-8 pairs of shoes, depending on their size and style, for a total capacity of 12-16 pairs.
- The internal dividers can be adjusted or removed to accommodate different shoe heights, such as heels, flats, or children's shoes.
- To close, push the drawer back into the cabinet until it is flush with the cabinet front.

MAINTENANCE

To maintain the appearance and longevity of your shoe cabinet, follow these simple maintenance tips:

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight and secure. Tighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your shoe cabinet, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cabinet wobbles or is unstable.	Uneven floor; loose connections; anti-tipping device not installed.	Ensure the cabinet is on a level surface. Tighten all assembly screws. Install the anti-tipping device as per instructions.
Drawers do not open/close smoothly.	Obstruction; misaligned drawer slides; loose hardware.	Check for any items blocking the drawer mechanism. Verify that drawer slides are correctly aligned and free of debris. Ensure all screws securing the drawer mechanism are tight.
Shoes do not fit in drawers.	Shoes are too large; dividers are incorrectly positioned.	Adjust or remove the internal dividers to create more space. Note that taller shoes like boots or high heels may not fit in the flip drawers.
Missing parts during assembly.	Packaging error.	Contact customer service with your purchase details and the specific missing parts.
