leejdn 808

leejdn Large Makeup Vanity Desk Model 808

INSTRUCTION MANUAL

IMPORTANT SAFETY INFORMATION

Assembly requires careful following of instructions. Use electrical components with caution, following manufacturer guidelines.

Always ensure the vanity is placed on a stable, level surface to prevent tipping. Keep small parts away from children during assembly.

Do not overload drawers or shelves. Disconnect power before cleaning or maintenance of electrical components.

PRODUCT OVERVIEW

The leejdn Large Makeup Vanity Desk, Model 808, is designed to provide a comprehensive and organized space for your beauty routine. It features an integrated mirror with adjustable LED lighting, ample storage with 8 drawers, and convenient power outlets for your electronic devices.

Powerful storage capacity

Maximize storage in limited space and enhance convenience.

Figure 1: Overview of the leejdn Large Makeup Vanity Desk, Model 808, showcasing its spacious design, integrated mirror with lighting, and multiple storage options.

Key Features:

- Dimmable Mirror with 3 Color Modes (Natural, Warm, Cool Light)
- Built-in Power Strip with 2 AC Outlets, 1 USB Port, and 1 Type-C Port
- 8 Storage Drawers with Metal Slides and Sturdy Handles
- Flexible L-shaped or Straight Configuration
- Leg-area Storage with Pegboard (Two Installation Methods)
- Constructed from Engineered Wood with Natural Wood Grain Finish

Figure 2: The vanity desk offers powerful storage capacity, designed to maximize space for various items such as cosmetics, skincare products, jewelry, and hair tools.

SETUP AND ASSEMBLY

The leejdn Large Makeup Vanity Desk requires self-assembly. Clear and concise instructions are included in the packaging. It is recommended to have a second person for certain steps, especially when lifting heavier components.

Unpacking:

Carefully unpack all components and verify against the parts list provided in the manual. Ensure all hardware is present. The product is shipped in a foam shock absorption box for protection.

Assembly Steps:

1. Follow the step-by-step instructions provided in the included assembly manual.
2. Assemble the main desk frame first, ensuring all connections are secure.
3. Install the drawer slides and then assemble the drawers. Ensure smooth operation.
4. Attach the mirror unit and connect the LED lighting power supply.
5. Position the storage cabinet. The flexible design allows for L-shaped or straight placement.
6. Integrate the power strip into the designated area.

OPERATING INSTRUCTIONS

LED Mirror Operation:

- **Power On/Off:** Touch the designated on/off button on the mirror surface to activate or deactivate the LED lights.

- **Change Color Modes:** Briefly touch the mode button to cycle through 3 different lighting colors: natural, warm, and cool light.
- **Adjust Brightness:** Long-press the mode button to continuously adjust the brightness level of the lights.

Mirror with three lighting modes

Touch the on/off button to adjust the light color

Cold light

warm light

warm yellow light

Long press the switch to adjust the brightness of the light

Figure 5: The dimmable LED mirror offers three distinct lighting modes (cold, warm, warm yellow) and adjustable brightness to suit various makeup and grooming needs.

Power Outlet Usage:

- The built-in power strip includes 2 standard plug sockets, 1 USB port, and 1 Type-C port.
- Connect your LED lights, hairdryer, curling iron, phone, tablet, or other electronics to the appropriate ports.
- Ensure devices are compatible with the provided power specifications (125V/12A for AC outlets, 5V/2A for USB, PD20W for Type-C).

Fast charging station

Figure 6: The integrated fast charging station provides convenient access to power for various electronic devices and styling tools.

MAINTENANCE

Cleaning:

- For general cleaning, wipe the vanity surfaces with a dry, soft cloth.
- For stubborn marks, a light wipe with a damp cloth is sufficient. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- Clean the mirror surface with a glass cleaner and a lint-free cloth.

Care for Metal Components:

- The metal handles and drawer slides are designed for durability. Keep them dry and clean to maintain their

appearance and smooth operation.

Figure 7: The drawers feature smooth three-section slides, ensuring effortless opening and closing while minimizing noise.

TROUBLESHOOTING

LED Mirror Not Lighting Up:

- Ensure the power cord is securely plugged into a working electrical outlet.
- Check if the power strip is turned on (if applicable).
- Verify that the touch sensor on the mirror is clean and unobstructed.

Drawers Sticking or Not Closing Smoothly:

- Check for any obstructions within the drawer or along the slides.
- Ensure the drawer slides are properly aligned and securely fastened.
- Verify that the drawer is not overloaded, causing misalignment.

Power Outlet Not Functioning:

- Confirm the main power cord for the vanity is plugged in.
- Test the electrical outlet with another device to ensure it is working.
- Avoid exceeding the maximum load capacity of the power strip.
