CIKUNASI B0FG7LCPDN

CIKUNASI Twin Size Platform Bed Frame with Headboard, Storage, and LED Lights

Model: B0FG7LCPDN

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your CIKUNASI Twin Size Platform Bed Frame. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

SAFETY INFORMATION

Important: Do not exceed the weight limit of **1000 lbs**. Ensure proper assembly to maintain stability and prevent accidents. Always follow assembly instructions carefully. Keep small parts away from children during assembly.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Bed Frame Components (metal slats, side rails, support legs)
- Headboard with Integrated Storage Shelf
- Charging Station Module (2 AC outlets, 1 USB-A, 1 USB-C port)
- 2 Fabric Storage Drawers with Wheels
- Self-Adhesive LED Light Strip
- LED Remote Control
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

SETUP & ASSEMBLY

Assembly typically takes approximately 45 minutes for two people. No additional tools are required beyond what is provided. Follow the step-by-step instructions included in your package for detailed guidance.

Assembly Tips:

- Lay out all components on a clean, soft surface to prevent scratches.

- Ensure all screws are securely tightened, but do not overtighten.
- Connect the headboard to the frame first, then proceed with the side rails and slats.
- Install the fabric drawers last, ensuring the wheels are properly aligned for smooth operation.

OPERATING INSTRUCTIONS

Headboard Charging Station:

The headboard features a built-in charging station for your convenience. It includes:

- 2 Standard AC Outlets
- 1 USB-A Charging Port
- 1 USB-C Charging Port

Simply plug your devices into the appropriate ports. The charging station is designed to provide easy access to power for your phone, tablet, and other electronic devices while in bed.

Figure 2: Detail of the integrated charging station on the headboard, showing the AC outlets, USB-A, and USB-C ports for convenient device charging.

LED Light Operation:

The optional self-adhesive LED light strip can be installed on the headboard shelf or its backside to create ambient lighting. Control the lights using the provided remote or a compatible mobile application.

- **Colors:** Choose from over 20 colors.
- **Modes:** Select from 4 adjustable modes (e.g., static, fade, flash).
- **Brightness:** Adjust the light intensity to your preference.

Figure 3: The headboard with its LED lights activated, demonstrating the customizable lighting options and the remote control for adjustment.

Storage Drawers:

The bed frame includes two fabric storage drawers with wheels, providing 9.8 inches of space underneath the bed. These drawers are designed for storing clothes, bedding, shoes, or other items, helping to keep your room tidy.

- Pull out the drawers gently using the integrated handles.
- Ensure items are placed evenly to prevent damage to the drawer structure.
- Push the drawers back in until they are flush with the bed frame.

Figure 4: A close-up view of one of the fabric storage drawers, showcasing its capacity for storing various items like blankets and pillows.

MAINTENANCE

To ensure the longevity and appearance of your bed frame, follow these maintenance guidelines:

- **Cleaning:** Wipe metal surfaces with a soft, damp cloth. For fabric parts of the headboard and drawers, use a mild fabric cleaner or vacuum with a brush attachment.
- **Hardware:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain stability and prevent squeaking.
- **LED Lights:** Keep the LED strip clean and free from dust. Avoid exposing the lights to excessive moisture.
- **Drawers:** Ensure the drawer wheels are free of debris for smooth operation.

TROUBLESHOOTING

Common Issues and Solutions:

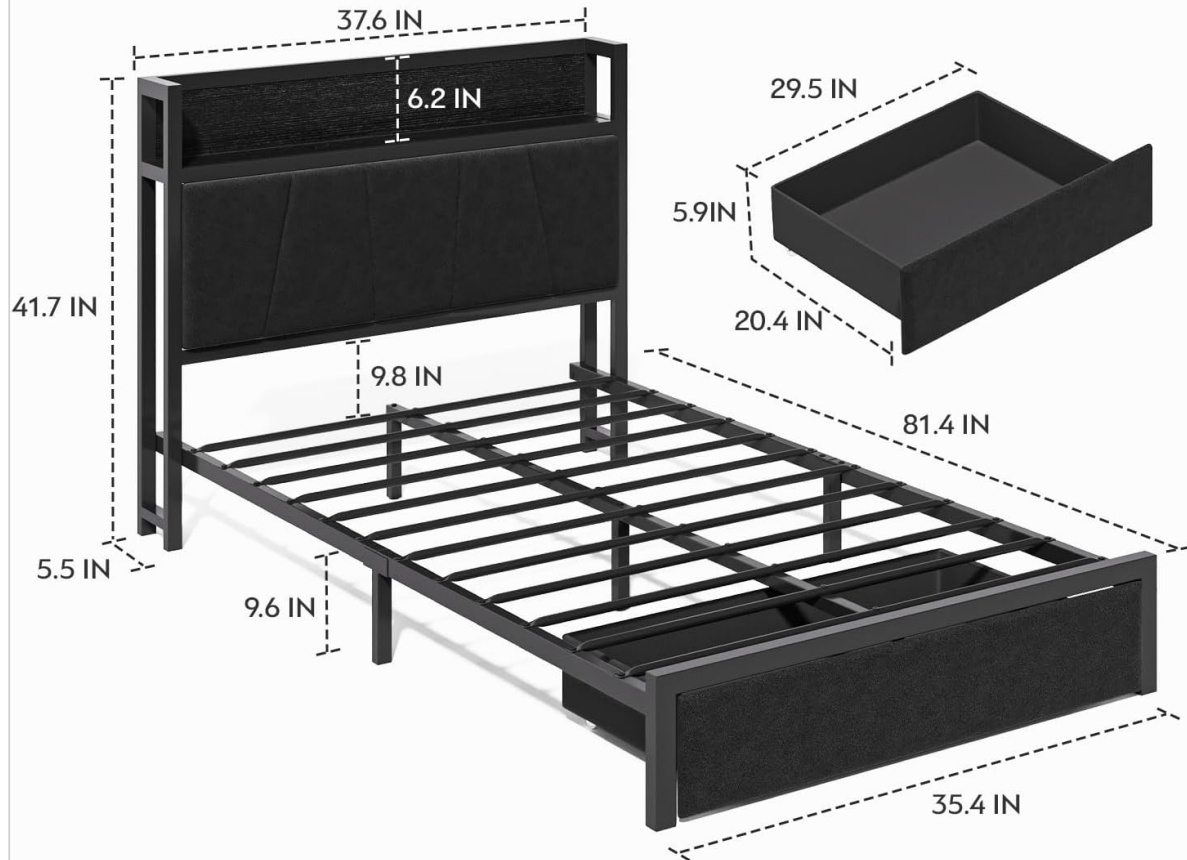

- **Mattress Sliding:** If your mattress tends to slide on the frame, consider using an anti-slip mat placed between the mattress and the slats. Alternatively, mattress retainer brackets can be purchased and attached to the frame to secure the mattress in place.
- **Squeaking Noises:** Squeaking often indicates loose connections. Re-tighten all assembly bolts and screws. Ensure the metal slats are properly seated in their designated positions.

- **LED Lights Not Working:** Check the power connection to the LED strip and ensure the remote control batteries are functional. If using the app, verify Bluetooth connection.
- **Drawers Not Sliding Smoothly:** Inspect the wheels for any obstructions or damage. Ensure the drawers are aligned correctly within the frame.

SPECIFICATIONS

Size	Twin
Product Dimensions	81.4"L x 35.4"W x 41.7"H
Weight Capacity	1000 lbs
Color	Black
Material	Engineered Wood (Headboard), Metal (Frame)
Special Features	Headboard with Storage Shelf, Charging Station (2 AC, 1 USB-A, 1 USB-C), LED Lights, 2 Fabric Storage Drawers
Assembly Required	Yes
Box Spring Needed	No
