SmallRig 5096

SmallRig Leather Case Kit for Nikon Z f, Model 5096 Instruction Manual

Comprehensive guide for installation, usage, and maintenance.

1. INTRODUCTION

The SmallRig Leather Case Kit, Model 5096, is specifically designed to protect and enhance the aesthetics of your Nikon Z f camera. This kit includes a form-fitting leather half-case and a comfortable shoulder strap, offering both protection and improved portability. Crafted from durable PU leather with a mock-croc texture, it complements the camera's vintage design while providing practical functionality.

3. KEY FEATURES

- **Retro Aesthetic:** Crafted from PU leather with a mock-croc texture, enhancing the camera's vintage appearance.
- **Classic Red Stripe:** Features a design element that pays tribute to Nikon's iconic styling.
- **Microfiber Lining:** The interior is lined with microfiber to ensure comprehensive protection and a snug fit for the camera body.
- **Dual Grip Support:** Includes a built-in front grip and a rear thumb rest to minimize slippage during extended use.
- **Cross-Body Shoulder Strap:** A soft and comfortable PU shoulder strap is included for enhanced convenience and portability.
- **Integrated 1/4"-20 Thread:** The bottom plate features a 1/4"-20 threaded hole for tripod mounting or other accessories without removing the case.

► Premium Vintage Style ◀

4. SETUP AND INSTALLATION

4.1 Attaching the Leather Case

1. Align the camera with the leather half-case, ensuring the camera body fits snugly into the case.
2. Locate the 1/4"-20 D-Ring screw on the bottom of the case.
3. Insert the D-Ring screw into the tripod socket of your Nikon Z f camera.
4. Tighten the D-Ring screw by hand until the case is securely fastened to the camera. Ensure it is firm but do not overtighten.

► Compatible for Nikon Z f ◀

Specially designed for Nikon Z f,
protect perfectly your camera without hindering your daily use!

1/4"-20 Threaded Hole

1/4"-20 D-Ring Screw

Note

You can install the case easily by 1/4 D-RING screw at the bottom

4.2 Attaching the Shoulder Strap

1. Identify the attachment points on the camera case and the shoulder strap.
2. Thread the strap's leather ends through the metal rings on the case.
3. Secure the strap by looping the leather end back through its own buckle or ring, as shown in the diagram.
4. Repeat for the other side of the strap. Ensure both sides are securely attached before use.

5. OPERATING AND USAGE

5.1 Enhanced Grip

The built-in front grip and rear thumb rest are designed to improve handling and minimize slippage, providing a more secure hold on your camera during photography sessions.

► Dual Grip Support ◀

Built-in front grip and rear thumb rest minimize slippage during extended shooting.

5.2 Portability

Utilize the included cross-body shoulder strap for convenient and comfortable carrying of your camera. Adjust the strap length to your preference for optimal comfort and accessibility.

▶ Retro PU Shoulder Strap Included ▶

With soft and comfortable PU shoulder strap, make it easy to carry the camera.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the PU leather surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Protection:** While the case offers protection, avoid exposing it to excessive moisture or sharp objects that could damage the material.

7. TROUBLESHOOTING

- **Case does not fit:** Ensure you have the correct model (Nikon Z f) and that the camera is properly aligned before tightening the screw.
- **Strap feels loose:** Double-check that the strap is threaded correctly and securely fastened at both attachment points.

- **Difficulty accessing battery/card slot:** The case is designed with an open bottom for easy access to the battery and memory card compartments without removal. Ensure the camera is correctly seated.

8. SPECIFICATIONS
