Aiho FS22-RL

Aiho Hall Tree with Bench and Shoe Storage

Model: FS22-RL

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Aiho Hall Tree with Bench and Shoe Storage. This versatile 5-in-1 entryway furniture piece is designed to organize your entrance area efficiently, offering a coat rack, shoe cabinet, storage shelf, entrance lighting, and a comfortable bench. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

IMPORTANT SAFETY INFORMATION

- Always assemble according to the provided instructions.
- This product is heavy and tall when assembled. Ensure it is properly secured to the wall to prevent tip-overs, especially if children or pets are present in the household. Wall anchoring hardware is typically included.
- Do not overload shelves or hooks. Refer to the specifications for weight limits.
- Keep small parts and packaging materials away from children during assembly.
- Use only the components provided by the manufacturer. Substituting parts may compromise safety and void the warranty.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wood Boards (various sizes)
- LED Light Strip with Remote Control
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Coat Hooks (7 pieces)
- Wall Anchoring Kit

- Instruction Manual

SETUP AND ASSEMBLY

Adult assembly is required for this product. Please follow the clear assembly instructions provided in the separate assembly guide included in your package. It is recommended to assemble the unit in the room where it will be used.

Assembly Steps Overview:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all wood boards and hardware using the provided parts list.
3. Assemble the base and shoe storage sections first.
4. Attach the back panel and upper storage sections.
5. Install the coat hooks.
6. Mount the LED light strip according to its specific instructions.
7. Secure the assembled hall tree to the wall using the provided anti-tip hardware. This step is critical for stability and safety.

Image: Overall dimensions of the Aiho Hall Tree. The unit measures approximately 39.4 inches wide, 13.77 inches deep, and 70.9 inches high. The bench height is 18.11 inches.

OPERATING INSTRUCTIONS

LED Light Strip Operation

The integrated LED light strip features 16 colors, adjustable brightness, and various lighting modes. It is controlled via a remote control.

- **Power On/Off:** Use the power button on the remote control.
- **Color Selection:** Select from 16 static colors using the color buttons on the remote.
- **Brightness Adjustment:** Use the brightness up/down buttons to adjust the intensity of the light.
- **Dynamic Modes:** Cycle through various dynamic lighting effects (e.g., flash, strobe, fade, smooth) using the mode buttons.
- **Timing Function:** Set a timer for the lights to turn off automatically (refer to the LED strip's specific remote

instructions for details).

Customizable RGB LED Lighting

Adjust color LED strips with multiple colors to change color and brightness

Image: Detail of the customizable RGB LED lighting strip installed under the top shelf, showing the remote control for adjusting colors, brightness, and dynamic modes.

Adjustable Shoe Storage

The shoe storage section features two adjustable shelves, allowing you to customize the height to accommodate different types of footwear, from sneakers to boots.

- To adjust a shelf, carefully remove any items from it.
- Lift the shelf slightly and pull it out from its current support pegs.
- Reinsert the support pegs into the desired holes on the side panels.
- Place the shelf back onto the pegs, ensuring it is level and secure.

Adjustable Shelf

Three adjustable height shelves, providing ample space to accommodate various product sizes.

Seven Hooks

Provide more options for storing your clothes.

Open Compartment

Display books or decor while keeping them accessible.

Image: Close-up showing the adjustable shelf mechanism with arrows indicating vertical movement, seven coat hooks for hanging items, and an open compartment for display or storage.

Coat Hooks and Storage Compartments

- **Coat Hooks:** Utilize the seven integrated hooks to hang coats, hats, scarves, bags, and other items. Distribute weight evenly.
- **Top Storage:** The two-tier top storage area is suitable for displaying decorative items, storing books, or keeping smaller essentials organized.
- **Open Compartment:** The open compartment provides additional space for displaying decor or keeping frequently accessed items readily available.

Image: A person comfortably seated on the hall tree bench, tying shoelaces, highlighting the convenience of the integrated seating.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all assembly hardware (screws, bolts) and tighten if necessary to maintain stability.
- **LED Strip:** Ensure the LED strip and its connections remain dry. If the LED strip malfunctions, contact customer support.

TROUBLESHOOTING

- **Unit feels wobbly after assembly:** Ensure all screws are tightened. Verify that the unit is properly anchored to the wall using the anti-tip kit.
- **LED lights not working:** Check if the power adapter is securely plugged into a working outlet and the LED strip. Ensure the remote control has working batteries and is pointed directly at the receiver.
- **Difficulty adjusting shelves:** Ensure no items are on the shelf. Gently lift and pull the shelf out before repositioning the support pegs.
- **Missing or damaged parts:** Do not proceed with assembly. Contact Aiho customer support immediately for replacement parts.
