## YAUWOH MZ04WH02-YWS

# YAUWOH Narrow Metal Cabinet User Manual

MODEL: MZ04WH02-YWS

Brand: YAUWOH

## 1. Introduction

---

Thank you for choosing the YAUWOH Narrow Metal Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

## 2. Important Safety Information

---

- **Anti-Tipping Device:** Always install the provided anchor hardware to secure the cabinet to a wall. This prevents accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 70 pounds (approximately 31.75 kg) per shelf. Overloading shelves can compromise the cabinet's stability and lead to damage or injury.
- **Assembly:** Assemble the cabinet on a soft, clean surface to prevent scratches. Ensure all parts are correctly aligned and fasteners are tightened securely before use.
- **Placement:** Place the cabinet on a level surface. Use the adjustable feet to ensure stability and prevent wobbling.
- **Environment:** This metal cabinet is designed with anti-rust and anti-corrosion layers. However, avoid prolonged exposure to excessive moisture or harsh chemicals to maintain its finish and integrity.

## 3. Package Contents

---

Before assembly, verify that all components listed below are present and undamaged:

- Cabinet Panels (various sizes)
- Adjustable Shelves (4 pieces)
- Barn Doors (1 piece for this model)
- Adjustable Feet (4 pieces)
- Hardware Pack (screws, bolts, anchor hardware)
- Screwdriver
- Gloves
- Specification Document (this manual)

## 4. Assembly Instructions

---

Assembly typically takes approximately one hour with the included screwdriver. For detailed visual guidance, please refer to the official product video below.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a soft, flat surface. Identify each part using the provided parts list in the specification document.
2. **Assemble Frame:** Connect the side panels to the back panel using the designated screws. Ensure all connections are secure.
3. **Install Shelves:** Insert the adjustable shelf brackets into the desired slots on the side panels. Place the shelves onto these brackets. The shelves can be repositioned later to accommodate different item heights.
4. **Attach Doors:** Secure the barn door(s) to the cabinet frame using the provided hinges. Ensure the doors open and close smoothly.
5. **Install Handles:** Attach the door handles to the pre-drilled holes on the doors.
6. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom corners of the cabinet. Adjust them to level the cabinet on uneven surfaces.
7. **Secure to Wall:** Using the anchor hardware, secure the cabinet to a sturdy wall to prevent tipping. This is a critical safety step.

## 5. Operating Instructions

---

Your YAUWOH Narrow Metal Cabinet is designed for versatile storage with user-friendly features.

- **Adjustable Shelves:** The cabinet features four adjustable shelves. To adjust a shelf, remove any items, lift the shelf, and reposition the support brackets to the desired height. Ensure the brackets are securely seated before placing the shelf back. This allows customization for taller items like pasta containers or smaller items like spices.
- **Barn Door Operation:** The single barn door on this model opens smoothly. The door is equipped with magnetic closures at the top and bottom to ensure it stays securely shut when closed.
- **Two Setup Options (for compatible models):** While this specific model (1 Door-white) has a fixed door orientation, other variants of the YAUWOH metal cabinet offer two setup options, allowing the doors to open to the left or right. This feature ensures adaptability to various space layouts.
- **Cable Management:** The open middle section includes a pre-drilled hole for cable management,

ideal for placing small appliances like a microwave or toaster oven.

## 6. Maintenance

To ensure the longevity and appearance of your YAUWOH Narrow Metal Cabinet, follow these maintenance guidelines:

- **Cleaning:** The cabinet is composed of electrostatic powder coating, anti-rust treatment layer, anti-corrosion layer, and high-quality steel. Clean surfaces with a soft, damp cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or moisture damage, especially on the interior shelves.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary. Inspect the anti-tipping hardware regularly.

## 7. Troubleshooting

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Cabinet is Wobbly:** Ensure the cabinet is placed on a level surface. Adjust the individual feet by screwing them in or out until the cabinet is stable. Confirm that all assembly screws are tightened.
- **Doors Not Closing Properly:** Check that the cabinet is level. Verify that the magnetic closures are aligned and free of obstructions. Ensure hinges are securely attached and not bent.
- **Shelves Not Fitting:** Confirm that the shelf support brackets are inserted into the correct slots and are level. If a shelf is difficult to insert, ensure the cabinet frame is square.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact YAUWOH customer support immediately for assistance.

## 8. Specifications

Feature	Detail
Brand	YAUWOH
Model Name	MZ04WH02-YWS
Product Dimensions	11.81"D x 15.75"W x 66.93"H (30cm D x 40cm W x 170cm H)
Color	White
Material	Metal (Heavy-duty steel frame with electrostatic powder coating, anti-rust, anti-corrosion layers)
