2. PACKAGE CONTENTS

Your CASETiFY Impact Magnetic Case package includes:

- 1 x CASETiFY Impact Magnetic Case for Galaxy Z Flip 7

3. INSTALLATION

Follow these steps to properly install your CASETiFY Impact Magnetic Case on your Samsung Galaxy Z Flip 7:

1. **Clean Your Device:** Ensure your Galaxy Z Flip 7 is clean and free of dust or debris before installation.
2. **Align the Top Piece:** Gently place the top half of the case onto the top section of your phone, aligning the camera cutouts and buttons. Press firmly around the edges until it snaps securely into place.
3. **Align the Bottom Piece:** Similarly, place the bottom half of the case onto the bottom section of your phone. Ensure proper alignment with the charging port and speakers. Press firmly until it clicks into position.
4. **Check Fit:** Verify that both halves of the case are securely attached and that all buttons and ports are accessible and functional.

4. OPERATING AND USAGE

The CASETiFY Impact Magnetic Case enhances your Galaxy Z Flip 7 experience with its protective and magnetic features.

4.1 MagSafe Compatibility

The integrated magnetic ring on the back of the case allows for seamless attachment of MagSafe-compatible accessories. Simply align your MagSafe accessory with the ring on the case for a secure connection.

4.2 Wireless Charging

The case supports wireless charging without needing to be removed. Place your cased Galaxy Z Flip 7 on any Qi-compatible wireless charger for convenient power delivery.

4.3 Drop Protection

The EcoShock Protection Technology provides advanced shock absorption, protecting your device from drops up to 5 feet. The raised bezel around the screen and camera offers additional defense against direct impacts and scratches when placed on flat surfaces.

5. MAINTENANCE AND CARE

To maintain the appearance and functionality of your CASETiFY Impact Magnetic Case:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and fingerprints. For tougher stains, use a mild soap solution and rinse thoroughly. Ensure the case is completely dry before reattaching it to your phone.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the case material or finish.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

6. TROUBLESHOOTING

If you encounter any issues with your CASETiFY Impact Magnetic Case, consider the following:

- **Case Not Fitting Properly:** Ensure you have the correct case model for your Samsung Galaxy Z Flip 7. Re-install the case, making sure both halves are aligned and snapped into place correctly.
- **Wireless Charging Issues:** Verify that your wireless charger is Qi-compatible and properly connected to its power source. Ensure there are no foreign objects between the phone and the charger.
- **MagSafe Accessories Not Attaching:** Check that your accessory is MagSafe-compatible. Ensure the accessory is

clean and free of obstructions that might prevent a strong magnetic connection.

- **Discoloration:** Over time, clear cases may show signs of yellowing due to UV exposure. This is a natural process for some materials and does not affect the protective qualities of the case.
