TABWEE P10

TABWEE P10 WIFI Digital Calendar and Photo Frame User Manual

Model: P10

INTRODUCTION

The TABWEE P10 is a versatile 10.1-inch digital calendar and photo frame designed to simplify family and professional scheduling. This device connects via Wi-Fi and synchronizes with various calendar applications, offering real-time updates for all family members. It also functions as a digital photo frame, displaying cherished memories. This manual provides detailed instructions for setup, operation, and maintenance of your TABWEE P10.

SETUP GUIDE

1. Unboxing and Initial Power-On

Carefully remove the TABWEE P10 from its packaging. Connect the power adapter to the device and plug it into a power outlet. The device will automatically power on.

2. Wi-Fi Connection

1. On the device screen, navigate to **Settings**.
2. Select **Wi-Fi** and choose your preferred network.
3. Enter your Wi-Fi password and tap **Connect**.

3. Mobile App Installation and Synchronization

The TABWEE P10 supports synchronization with mobile applications (iOS and Android) for seamless management.

1. Download the official TABWEE mobile application from your device's app store.
2. Create an account or log in.
3. Follow the on-screen instructions in the app to pair your TABWEE P10 device. This typically involves scanning a QR code displayed on the P10 screen.
4. Once paired, you can link your existing calendar accounts (Google, Apple, iCloud, Outlook, Yahoo, Cozi, etc.) through the mobile app for two-way synchronization.

OPERATING INSTRUCTIONS

1. Calendar Management

- **Viewing Schedules:** The P10 displays schedules in various formats (daily, weekly, monthly). Tap on the screen to switch between views.
- **Adding/Editing Events:** Use the touchscreen directly or the mobile app to add new events, appointments, or reminders. Events can be color-coded for easy identification.
- **Real-time Synchronization:** All changes made on the device or through linked calendar apps will update in real-time across all platforms.

2. Digital Photo Frame Functionality

The P10 can display personal photos, transforming into a digital photo frame when not actively used for scheduling.

- **Uploading Photos:** Send photos from your mobile app to the P10.
- **Display Modes:** The device supports both landscape and portrait orientations. You can configure slideshow settings, including transition effects and display duration.
- **Sleep Mode:** The P10 features a sleep mode that allows the screen to turn off and wake up at set times, conserving energy.

3. Task Management and Rewards System

Organize household chores and encourage good habits with the integrated task manager and rewards system.

- **Creating Tasks:** Parents can create tasks via the device or mobile app and assign them to family members.
- **Earning Rewards:** Children can earn stars upon completing tasks, which can then be redeemed for custom rewards set by parents.

4. Meal Planning

Plan daily meals and healthy recipes directly on the device.

- **Customizable Recipes:** Input and store healthy recipes.
- **Meal Schedule:** Plan breakfast, lunch, dinner, and snacks for the week, ensuring balanced nutrition and timely meals.

Planification des repas

Redéfinissez vos habitudes alimentaires avec un plan plus sain.

USAGE SCENARIOS

The TABWEE P10 is designed for various environments to enhance organization and connectivity.

- **For Families:** Centralize family schedules, manage household tasks, and share moments.
- **For Children:** Utilize the rewards system to foster good habits and independence.
- **For Seniors:** Provides clear reminders for medication, appointments, and healthy meal plans.
- **For Office Workers:** Display meeting agendas, task deadlines, and project schedules with color-coded priorities.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the screen and exterior. Avoid abrasive cleaners or sprays directly on the screen.
- **Software Updates:** Ensure your device's software is up to date for optimal performance and new features. Check for updates via the Settings menu or the mobile app.
- **Environmental Conditions:** Operate the device in a dry environment, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Common Issues and Solutions:

- **Device Not Powering On:** Ensure the power adapter is securely connected to both the device and a working power outlet.
- **Wi-Fi Connection Issues:** Verify your Wi-Fi password. Try restarting your router and the TABWEE P10. Ensure the device is within range of your Wi-Fi network.

- **Synchronization Problems:** Check your internet connection. Ensure the mobile app is updated and correctly paired with the device. Re-link your calendar accounts if necessary.
- **Screen Unresponsive:** Try restarting the device. If the issue persists, contact customer support.

For further assistance, please refer to the Warranty and Support section.
