2. Before You Begin Assembly

Before starting the assembly process, please ensure you have all components and tools ready. Assembly is required for this product.

Safety Precautions:

- Keep small parts away from children during assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws, as this may damage the material.
- Ensure all connections are secure before using the bed.

Tools Required (Not Included):

- Phillips head screwdriver
- Hammer (optional, for dowels)

Package Contents:

The package includes all necessary components for the bed frame, including:

- Headboard
- Footboard
- Side Rails
- Slats
- Hardware (screws, bolts, dowels, etc.)

3. Assembly Instructions

Follow these general steps for assembling your Urban Ladder Zoey King Size Bed. For detailed, step-by-step visual instructions, please refer to the assembly diagram provided with your product packaging.

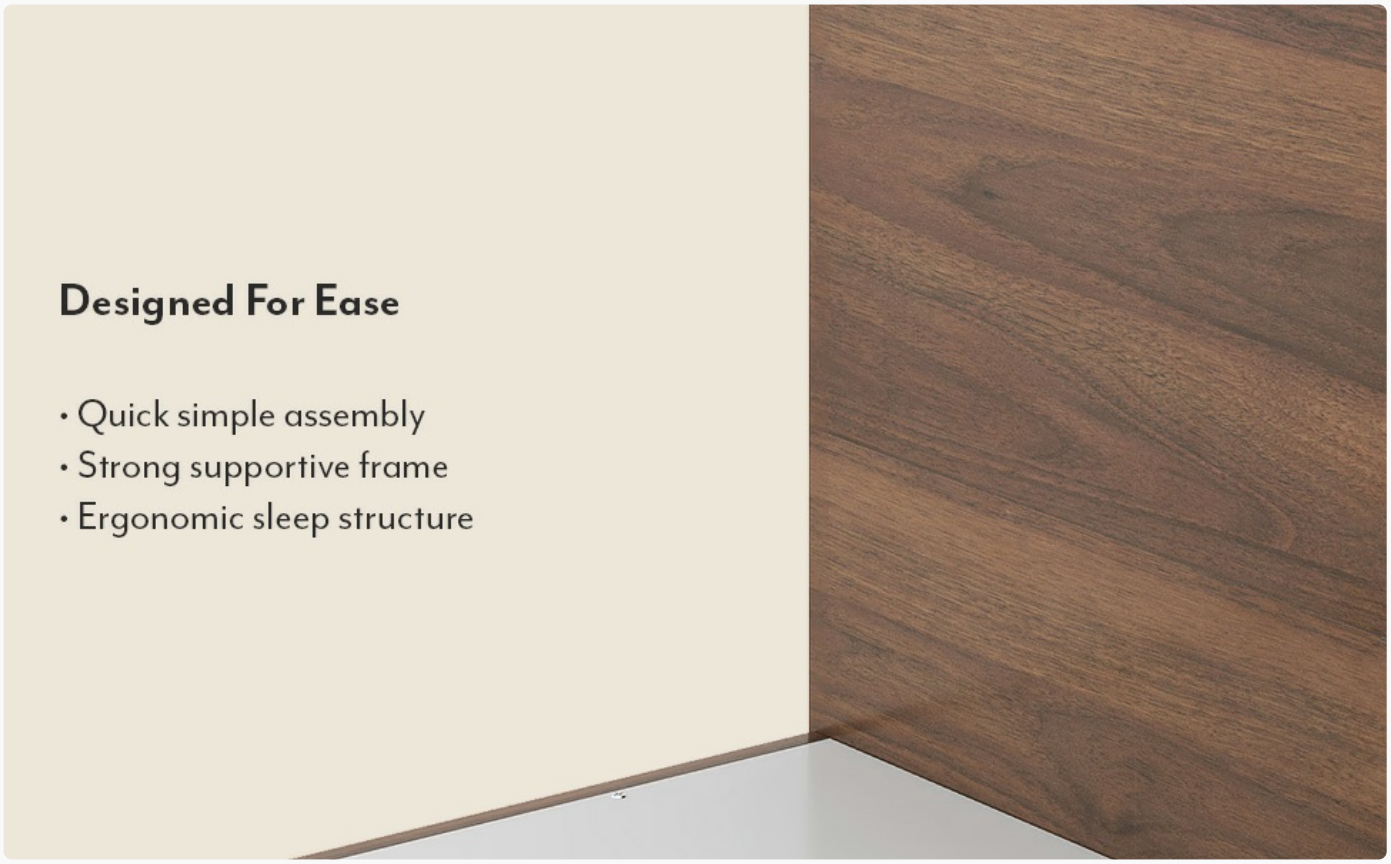

Image: This diagram highlights the 'Designed For Ease' features, indicating quick and simple assembly with a strong, supportive frame and ergonomic sleep structure.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface. Verify that all components listed in the package contents are present.
2. **Attach Headboard and Footboard Legs (if applicable):** Secure any support legs to the headboard and footboard using the provided hardware.
3. **Connect Side Rails:** Attach the side rails to the headboard and footboard using the designated bolts and nuts. Ensure these connections are firm and stable.
4. **Install Center Support (if applicable):** If your bed includes a center support beam, install it now according to the instructions to provide additional stability.
5. **Place Slats:** Position the slats across the bed frame. Secure them to the side rails using the provided screws or clips. Ensure even spacing for optimal mattress support.
