3. SETUP GUIDE

3.1 Charging the Earbuds and Case

1. Place the earbuds into the charging case.
2. Connect the provided USB-C charging cable to the charging port on the case and to a power source.
3. The LED display on the charging case will show the battery percentage and charging status of both the case and individual earbuds.
4. A full charge for the case takes approximately 1 hour, providing up to 36 hours of total use with the earbuds.

ULTRA LONG BATTERY LIFE

6 H
Single Charge

36 H
With Charging Case

Data is based on internal lab testing. Actually play time is based on the different devices.
Some devices may have more higher power consumption.

This image illustrates the charging case with its LED display showing battery levels for both the case and the earbuds, emphasizing the long battery life.

3.2 Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "S19" from the list of devices to connect.
4. Once paired, the earbuds will automatically connect to your device when taken out of the case for future use.

2025 BLUETOOTH 6.1 AI TECHNOLOGY

This graphic highlights the advanced Bluetooth 6.1 AI chipset, indicating stable and clear sound for calls and music.

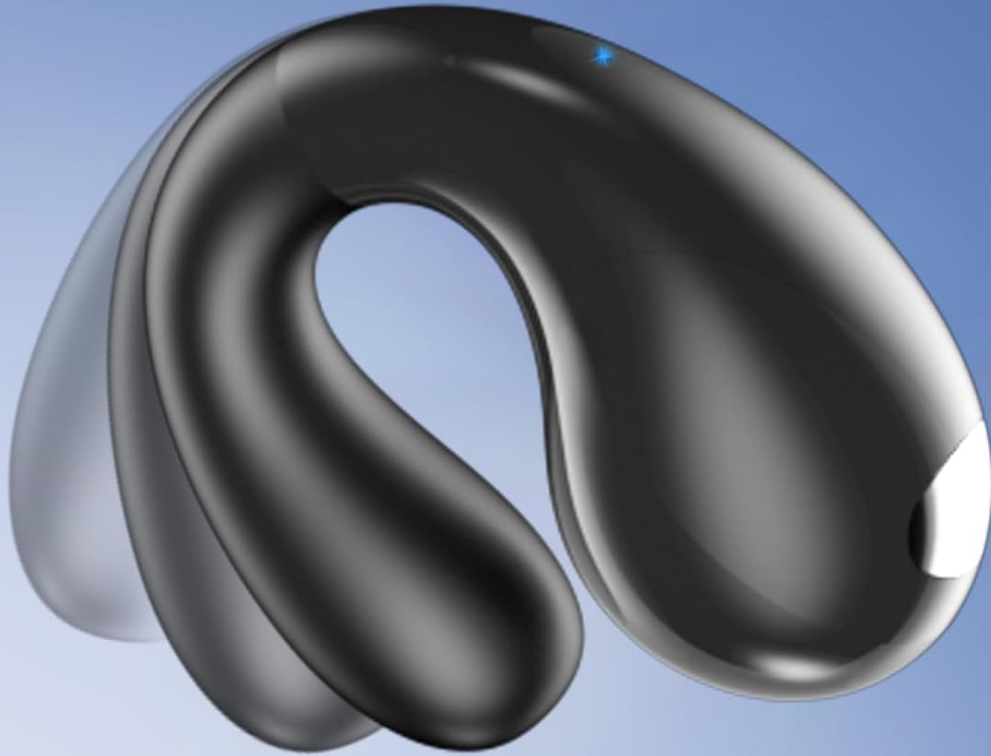

3.3 Wearing the Earbuds

The S19 earbuds feature an adjustable ear clip design for a secure and comfortable fit.

1. Gently place the earbud over your ear, ensuring the speaker part is positioned towards your ear canal.
2. Adjust the flexible clip to snugly fit the contour of your ear. The soft silicone material at the rear ensures comfort for extended wear.
3. The lightweight (5g per earbud) and open-ear design allows for ambient awareness while providing immersive sound.

SUITABLE FOR EVERY EAR

The Shape and Size are not Limited

Video 3.1: Unboxing and Wearing Demonstration

This video provides a visual guide on how to unbox the VNMN S19 earbuds, identify the components, and correctly wear them for optimal comfort and fit.

4. OPERATING INSTRUCTIONS

4.1 Touch Controls

The earbuds feature touch controls for easy management of audio and calls. Specific touch functions are typically detailed in the included product manual. Common functions include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up/Down:** Triple tap (specific earbud for up/down).
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant:** Press and hold for 2 seconds on either earbud.

4.2 Call Management

The S19 earbuds are equipped with AI noise reduction algorithms and powerful 16.3mm drivers for crystal clear calls.

- Ensure earbuds are properly connected to your device.
- Use the touch controls to answer, end, or reject calls.
- The AI noise reduction minimizes background noise, ensuring your voice is heard clearly by the recipient.

4.3 Multipoint Connection

The earbuds support multipoint connection, allowing you to connect to two different Bluetooth devices simultaneously.

1. Pair the earbuds with your first device (e.g., smartphone) as described in Section 3.2.
2. Disable Bluetooth on the first device. The earbuds will re-enter pairing mode.
3. Pair the earbuds with your second device (e.g., laptop).
4. Re-enable Bluetooth on the first device. The earbuds should now be connected to both devices, allowing seamless switching between audio sources.

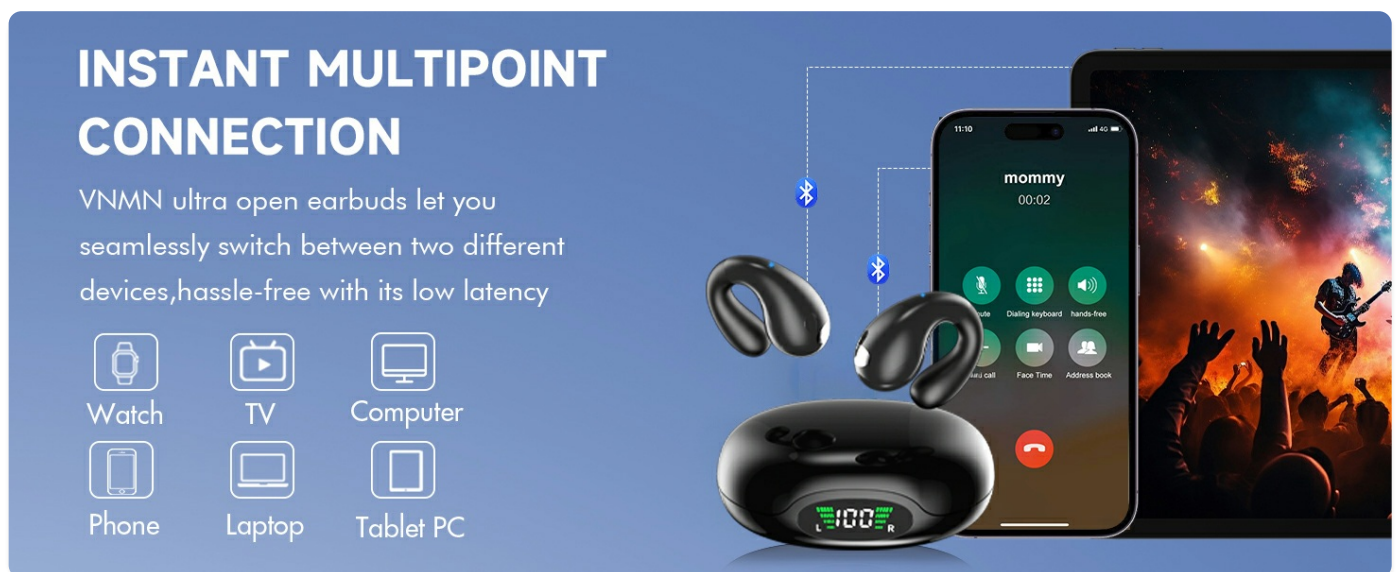

Image 4.1: Instant Multipoint Connection

This image visually represents the earbuds connected to multiple devices like a watch, TV, computer, phone, laptop, and tablet PC, illustrating the multipoint connection feature.

Video 4.1: Features and Usage Overview

This video demonstrates various features of the VNMN S19 Open Ear Earbuds, including their comfortable fit, sound quality, and suitability for active lifestyles.

5. MAINTENANCE

5.1 Cleaning

- Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Avoid using abrasive materials, alcohol, or chemical cleaners.
- Ensure charging contacts are clean and free of debris for optimal charging.

5.2 Water Resistance

The S19 earbuds are IPX7 waterproof, offering protection against sweat, rain, and splashes.

- Do not submerge the earbuds in water for extended periods.
- The charging case is not waterproof; avoid exposing it to liquids.
- Dry the earbuds thoroughly before placing them back into the charging case to prevent damage.

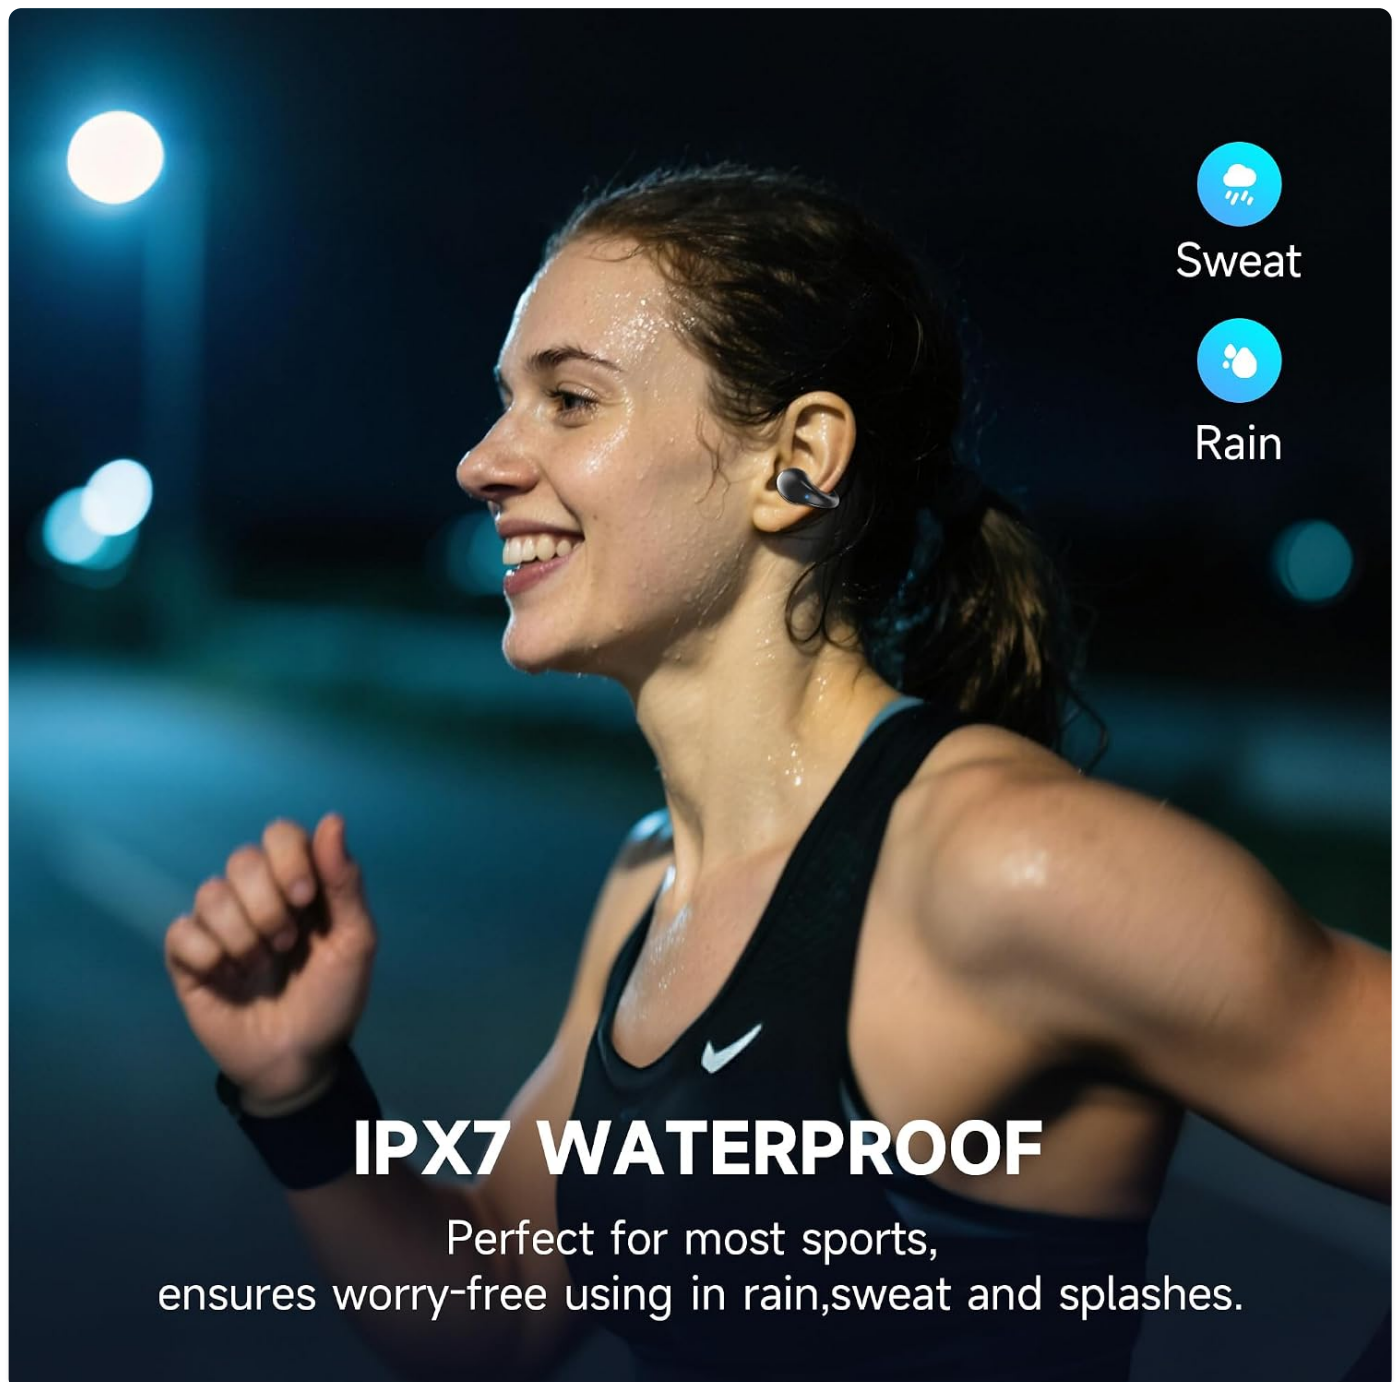

Image 5.1: IPX7 Waterproof

This image highlights the IPX7 waterproof rating of the earbuds, showing them being used during activities involving sweat and rain.

6. TROUBLESHOOTING

If you encounter any issues with your VNMN S19 earbuds, please refer to the following common solutions:

- **No Sound/Low Volume:** Ensure earbuds are charged, connected, and device volume is up. Check for debris blocking speaker grilles.
- **Connection Issues:** Turn Bluetooth off and on on your device. Forget the device in your Bluetooth settings and re-pair. Ensure earbuds are within the 33-foot Bluetooth range.
- **Earbuds Not Charging:** Ensure the charging cable is securely connected to both the case and power source. Check if the charging contacts on the earbuds and case are clean. Verify the charging case has sufficient power.
- **Uncomfortable Fit:** Adjust the ear clip to find the most secure and comfortable position for your ear.
