SETUP

1. Charging the Device

Before first use, fully charge your Bigme E-reader. Connect the included USB cable to the device's USB port and plug the other end into a compatible USB power adapter (not included) or a computer's USB port. The charging indicator light will show the charging status.

2. Powering On/Off

To power on the device, press and hold the power button for a few seconds until the screen activates. To power off, press and hold the power button, then select "Power Off" from the options. A short press will put the device into sleep mode.

3. Initial Setup and Wi-Fi Connection

Upon first power-on, follow the on-screen instructions to select your language, time zone, and connect to a Wi-Fi network. A stable Wi-Fi connection is necessary for downloading books, updates, and accessing online services.
