3. SETUP AND ASSEMBLY

Your LIKIMIO Armoire Wardrobe Closet is delivered flat-packed and requires assembly. Please follow the included detailed instructions carefully. Ensure all parts are present before beginning assembly. A screwdriver is provided for convenience.

3.1 Unpacking and Part Identification

Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in your separate assembly guide to identify each piece.

3.2 Assembly Steps

Follow the step-by-step diagrams and instructions provided in the separate assembly manual. It is recommended to have two people for assembly to ensure stability and ease of construction.

4. OPERATING INSTRUCTIONS

4.1 Using the Doors

The wardrobe features two doors that open to reveal the main storage compartment. The doors are equipped with adjustable silent hinges for smooth and quiet operation. To open, gently pull the metal handles. To close, push the doors until they are flush with the cabinet frame.

4.2 Utilizing the Hanging Rod

The upper section includes a removable hanging rod. This rod can be used to hang shirts, dresses, coats, and other garments. If you prefer to use the space for folded items, the rod can be easily removed.

4.3 Accessing the Drawers

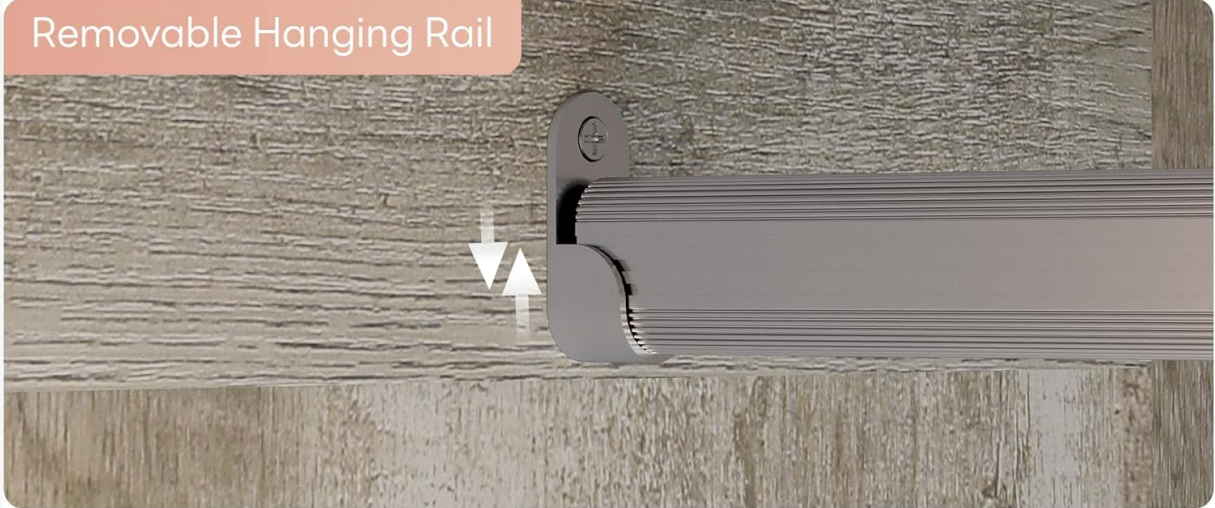

The two lower drawers provide additional storage for folded clothes, accessories, or other personal items. Pull the metal handles to open the drawers and push them back in to close. The drawers are designed for smooth operation.

5. MAINTENANCE

To ensure the longevity and appearance of your LIKIMIO Armoire Wardrobe Closet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Humidity:** Maintain a stable humidity level in the room to prevent wood warping or cracking.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Tighten if necessary.

6. TROUBLESHOOTING

6.1 Door Alignment Issues

If the doors do not align properly or have uneven gaps, the concealed hinges can be adjusted. Refer to the video

below for detailed instructions on how to adjust the door position and gap using a screwdriver.

6.2 Drawers Sticking

If drawers are difficult to open or close, check for any obstructions in the drawer slides. Ensure the slides are clean and free of debris. If necessary, apply a small amount of silicone lubricant to the slides.

6.3 Loose Hardware

If any part of the wardrobe feels wobbly or loose, re-tighten all screws and fasteners. Do not over-tighten.
