## 2. SETUP AND ASSEMBLY

The ModernMate Solid Wood End Table is designed for easy and quick assembly. The drawer and slide components come pre-assembled to simplify the process. Please ensure all parts are present before beginning assembly.

### Included Components:

- Tabletop with integrated drawer
- Lower shelf
- Legs (4 pieces)
- Hardware (screws, Allen wrench)

Refer to the detailed instruction manual included in your packaging for step-by-step visual guides and a complete list of parts.

### Assembly Steps:

1. Carefully unpack all components and verify against the parts list in your manual.
2. Attach the legs to the pre-drilled holes on the underside of the tabletop using the provided hardware. Ensure they are securely fastened.
3. Slide the lower shelf into place between the legs, aligning it with the designated grooves or attachment points. Secure with hardware as instructed.
4. Ensure all connections are tight and the table is stable before use.

## **4. MAINTENANCE AND CARE**

Proper care will ensure the longevity and beauty of your ModernMate Solid Wood End Table.

## Cleaning:

- The acacia wood veneer tabletop is waterproof and stain-proof, allowing for easy daily cleaning.
- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- For spills, wipe immediately with a dry cloth to prevent watermarks or staining.

## General Care:

- Avoid placing hot items directly on the surface; use coasters or protective pads.
- Keep the table away from direct sunlight and heat sources to prevent fading or warping.
- Periodically check and tighten all hardware to maintain stability.
- Avoid dragging the table when moving it; lift it to prevent damage to legs and flooring.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your ModernMate Solid Wood End Table, please refer to the following common solutions:

### Common Issues:

- **Wobbly Table:**

- Ensure all screws and fasteners are securely tightened.
- Verify that the table is placed on a flat, even surface.

- **Drawer Not Sliding Smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawer is properly aligned within its tracks.
- Clean the slides with a dry cloth to remove dust or debris.

- **Minor Scratches/Dents:**

- For minor blemishes, wood repair markers or furniture polish can be used to blend the area.

If these steps do not resolve the issue, please contact customer support for further assistance.
