Key Features:

- **Powerful Capacity Storage:** This lighted vanity includes 1 top shelf, 4 open shelves, 2 drawers (1 large, 1 small), and 1 storage cabinet. It is designed to organize various beauty essentials from lipsticks and perfumes to styling tools and jewelry.
- **Integrated Power Outlets:** Equipped with 2 standard AC outlets and 2 USB connections, allowing you to power styling tools and charge electronic devices simultaneously.
- **Built-in Dimmable LED Mirror:** The adjustable LED lighting offers 3 customizable modes (Cool Light, Natural Light, Warm Light) and dimmable brightness, controlled by a touch sensor on the mirror.
- **Vanity Table Set:** Comes with a stylish upholstered stool featuring hidden storage, providing both seating and additional organization.
- **Elegant and Functional Design:** A versatile workstation suitable for various beauty routines, enhancing any bedroom space.

Safety Information

Please read and follow all safety instructions carefully to ensure safe operation and longevity of your vanity desk.

- Always follow the assembly instructions carefully.
- Keep electrical components dry and away from heat sources.
- Do not overload the integrated power outlets.
- Unplug the vanity desk from the main power source when not in use or during cleaning.
- Keep away from children and pets to prevent accidents.

Setup & Assembly

The Hogxp Vanity Desk requires assembly. Please ensure all parts are present before beginning. A screwdriver and hammer (not included) may be required.

General Assembly Steps:

1. Unpack all components and verify against the parts list in your included manual.
2. Assemble the base frame of the desk according to the provided diagrams.
3. Attach the side panels and internal shelves.
4. Install the drawer slides and assemble the drawers.
5. Mount the mirror unit onto the desk, ensuring all electrical connections for the LED lights are properly routed and secured.
6. Install the integrated power outlet unit into the designated slot.
7. Assemble the padded stool.
8. Secure the vanity desk to the wall using the provided anti-tip kit for safety.

Operating Instructions

LED Mirror Lighting:

- **Power On/Off:** Gently tap the touch sensor on the mirror to turn the LED lights on or off.
- **Change Color Mode:** Tap the touch sensor repeatedly to cycle through the 3 available color modes: Cool Light (6000K), Natural Light (4000K), and Warm Light (3000K).
- **Adjust Brightness:** Press and hold the touch sensor to dim or brighten the lights to your desired level.

Integrated Power Outlets:

- The vanity desk includes 2 standard 120V/12A AC outlets and 2 5V/2A USB ports.
- Plug in your hairdryer, curling iron, phone charger, or other electronic devices directly into the side-mounted panel.
- Ensure devices are compatible with the provided voltage and amperage.

Maintenance

- **Cleaning:** Wipe the surface of the vanity desk and mirror with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or mirror coating.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth to prevent buildup.
- **Electrical Components:** Ensure the power outlets and LED mirror components remain dry. Do not spray liquids directly onto electrical parts.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, apply a small amount of silicone-based lubricant.

Troubleshooting

- **LED Mirror Lights Not Working:**

- Check if the vanity desk is properly plugged into a working power outlet.
- Ensure the power cord is securely connected to the vanity's internal wiring.
- Verify that the touch sensor area on the mirror is clean and free from obstructions.

- **Power Outlets/USB Ports Not Functioning:**
  - Confirm the main power plug is securely inserted into a wall outlet.
  - Test the wall outlet with another device to ensure it is functional.
  - Avoid overloading the outlets with too many high-power devices.

- **Drawers Sticking or Not Sliding Smoothly:**
  - Check if the drawer slides are properly aligned and free from debris.
  - Ensure the drawers are not overloaded, causing them to sag.
  - Apply a silicone-based lubricant to the drawer slides if necessary.

Specifications

Feature	Detail
Model Number	A-3
