OPERATING INSTRUCTIONS

Extending and Retracting the Tabletop

The table features an ingenious slide-and-lock mechanism for easy transformation.

1. **To Extend:** Gently pull the two halves of the round tabletop apart. The hidden leaves will slide out from underneath. Position the leaves to fill the gap, creating an oval shape. Ensure the leaves lock into place.
2. **To Retract:** Unlock the leaves and slide them back underneath the main tabletop. Push the two halves of the tabletop together until they form a compact round shape.

Using the Integrated Storage

The table base includes a two-tier cabinet for convenient storage.

- Locate the sliding doors on the table's base.
- Gently slide the doors open to access the two storage shelves.
- Store dishes, condiments, or other kitchen essentials as needed.
- Slide the doors closed to conceal the contents and maintain a tidy appearance.
