3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step guide provided in the included instruction manual for effortless assembly. Assembly typically takes approximately 5 to 8 hours for one person. For certain steps, particularly when installing the mirror, a second person may be required for assistance to ensure safety and proper alignment.

Important: Before starting, carefully review all instructions and identify each component. Ensure all parts are accounted for and undamaged. If any parts are missing or broken, contact customer support immediately.

4. OPERATING INSTRUCTIONS

4.1 Mirror Lighting

The vanity mirror features 13 LED bulbs with three distinct lighting modes: warm, natural, and cool. To switch between these modes, briefly press the designated switch. To adjust the brightness within each mode, long-press the switch until

the desired illumination level is achieved.

5. MAINTENANCE

The vanity desk is designed for easy cleaning. For general maintenance, wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish or glass tabletop. Ensure the power station is unplugged before cleaning near electrical components.

6. TROUBLESHOOTING

- **Missing or Damaged Parts:** If you discover any missing or broken pieces upon delivery or during assembly, contact customer support immediately for assistance.
- **Mirror Lights Not Working:** Ensure the power cord is securely plugged into a functional outlet. Check the connection between the mirror and the vanity desk. If issues persist, contact customer support.
- **Charging Station Not Functioning:** Verify the vanity desk is properly connected to a power source. Test the

outlets and USB ports with different devices to isolate the issue.
