VIVOSUN VSG-SPRAY-PP2L

VIVOSUN 70oz Pump Sprayer Instruction Manual

Model: VSG-SPRAY-PP2L

Introduction

Thank you for choosing the VIVOSUN 70oz Pump Sprayer. This manual provides essential information for the safe and efficient operation, maintenance, and care of your sprayer. Please read these instructions thoroughly before first use and retain them for future reference.

Safety Information

- Always keep the sprayer upright when not in use.
- Do not over-pressurize the sprayer. The pressure release valve automatically vents excess air.
- After use, clean and dry the sprayer thoroughly before storing.
- Do not dispose of the sprayer in regular trash. Follow local regulations for disposal of chemical containers.
- Keep the sprayer out of reach of children and pets.
- Always follow safety guidelines for any liquids or chemicals used with the sprayer.

Product Overview

Familiarize yourself with the components of your VIVOSUN 70oz Pump Sprayer:

Figure 1: Labeled components of the VIVOSUN 70oz Pump Sprayer, including the adjustable nozzle, filling port with measuring cup, thickened base, safety valve, spray switch, ergonomic handle, and transparent tank.

1. **Adjustable Nozzle:** Controls spray pattern from fine mist to strong stream.
2. **Filling Port with Measuring Cup:** Side port for easy and accurate liquid refills without removing the main lid.
3. **Thickened Base:** Provides stability and durability.
4. **Safety Valve:** Automatically releases excess pressure for safe operation.
5. **Spray Switch:** Activates the spray. Can be locked for continuous spraying.
6. **Ergonomic Handle:** Designed for comfortable grip and reduced hand fatigue.
7. **Transparent Tank:** Allows for easy monitoring of liquid levels.

Setup

1. Filling the Sprayer

The transparent tank and side filling port simplify the filling process:

Figure 2: Transparent tank with clear graduated markings for precise liquid measurement.

1. Ensure the sprayer is depressurized by pulling the safety valve.
2. Unscrew the side filling port cap.
3. Use the included measuring cup to accurately add your desired liquid to the tank. The transparent tank allows you to monitor the liquid level easily. Do not overfill past the maximum fill line.
4. Securely close the side filling port cap.

Figure 3: Side filling port with integrated measuring cup for convenient and mess-free liquid addition.

Operating Instructions

1. Building Pressure

1. Ensure the main pump handle is fully seated and twisted securely.
2. Pump the handle up and down repeatedly to build pressure inside the tank. You will feel resistance as pressure builds.
3. Stop pumping when sufficient pressure is achieved, or if the safety valve activates.

2. Adjusting the Nozzle

The adjustable nozzle allows you to customize the spray pattern for various applications:

Figure 4: The adjustable nozzle can be rotated to change the spray pattern from a fine mist to a strong stream.

- Rotate the nozzle clockwise for a finer mist, suitable for delicate plants or broad coverage.
- Rotate the nozzle counter-clockwise for a stronger, more concentrated stream, ideal for targeted spraying or cleaning.

3. Spraying

1. Aim the nozzle at the target area.
2. Press the spray switch on the ergonomic handle to begin spraying.
3. For continuous spraying, push the spray switch forward until it locks into place. To stop, pull the switch back.
4. If the spray weakens, pump the handle again to re-pressurize the tank.

4. Versatile Applications

This sprayer is suitable for a variety of tasks:

Figure 5: The VIVOSUN sprayer is ideal for pest control, weed control, and general plant care.

- Watering and fertilizing plants.
- Applying herbicides or pesticides.
- Cleaning around the home or garden.
- Washing vehicles.

Maintenance

1. Cleaning After Use

1. Empty any remaining liquid from the tank.
2. Rinse the tank thoroughly with clean water.
3. Pump clean water through the nozzle to flush out any residue.
4. Disassemble the nozzle and clean any blockages if necessary.

5. Dry all components before storage.

2. Checking Seals

The sprayer features durable fluororubber gaskets for leak resistance. Periodically inspect these seals for wear or damage. Replace if necessary to maintain optimal performance and prevent leaks.

Figure 6: Internal components showing the pressure release valve and durable fluorine seals designed for longevity and leak prevention.

3. Storage

Store the sprayer in a cool, dry place, away from direct sunlight and freezing temperatures. Ensure the tank is empty and clean before storage.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
No spray or weak spray	Insufficient pressure; clogged nozzle; low liquid level.	Pump handle to build pressure; clean nozzle; refill tank.
Leaking from nozzle or connections	Loose connections; worn seals.	Tighten connections; inspect and replace seals if damaged.
Difficulty pumping	Pump mechanism obstruction; dry seals.	Check for debris; lubricate pump seals with silicone grease.

Specifications

Figure 7: Detailed specifications and included accessories for the VIVOSUN 70oz Pump Sprayer.

- **Brand:** VIVOSUN

- **Model Name:** VSG-SPRAY-PP2L
- **Tank Volume:** 70 fluid ounces (approx. 2 Liters)
- **Material:** Plastic, Rubber
- **Color:** Black
- **Item Weight:** 0.74 kg (1.63 lbs)
- **Item Dimensions (W x H):** 6.13"W x 9.25"H
- **Maximum Pressure:** 36 psi
- **Power Source:** Manual
- **Included Components:** Measuring Cap, Aluminum Extension Rod (7.87 inches)
