Tanova Tanning Pills

Tanova Tanning Pills Instruction Manual

Model: Tanning Pills

PRODUCT OVERVIEW

Tanova Tanning Pills are a dietary supplement formulated to support the body's natural melanin production, contributing to a golden skin tone. The formula includes ingredients such as Astaxanthin, L-Tyrosine, and Copper Gluconate. Additionally, it contains antioxidants like Vitamin C, Vitamin E, and Polypodium Leucotomos Extract, which support skin vitality and offer protection against sun-induced oxidative stress. Hyaluronic Acid is included for skin hydration, promoting smoothness and elasticity.

USAGE INSTRUCTIONS

Dosage

Take two (2) capsules daily. For optimal absorption, it is recommended to take the capsules with a meal.

Administration

Swallow capsules whole with water. Do not exceed the recommended daily dosage.

2 CAPSULES A DAY TO UNLOCK YOUR GLOW

A simple daily habit for radiant, hydrated,
sun-kissed skin — from the inside out.
