- LED Mirror with integrated lighting
- Power Outlet unit (2 AC, 2 USB)
- Vanity Stool (assembly required)
- Hardware pack (screws, dowels, cam locks, etc.)
- Assembly Tools (e.g., Allen wrench, screwdriver)
- Instruction Manual

## SETUP AND ASSEMBLY

---

Assembly is required for this vanity desk. It is recommended to follow each step in the provided detailed instructions. Organize all parts by their corresponding numbers to facilitate quick assembly. Two people are recommended for certain steps.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all hardware and match them with the parts list in the instruction manual.
3. Begin assembling the main desk frame, followed by the drawer units and shelves.
4. Attach the LED mirror and connect its power supply.
5. Install the integrated power outlet and hair dryer stand.
6. Assemble the vanity stool.
7. Ensure all connections are tight and the desk is stable before use.

## OPERATING INSTRUCTIONS

The vanity desk offers extensive storage solutions:

- **9 Drawers:** Multiple drawers provide ample space for organizing cosmetics, skincare, jewelry, and other personal items.
- **4 Shelves:** Open shelving units offer additional display and storage options.
- **Embedded Tempered Glass Tabletop:** A visible glass top allows you to easily locate cosmetics or accessories stored beneath.

## MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the mirror, use a glass cleaner.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Spills:** Clean up spills immediately to prevent damage to the engineered wood.
- **Electrical Components:** Ensure power is disconnected before cleaning around the power outlet or LED lights.

- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.

## TROUBLESHOOTING

---

If you encounter any issues with your Yanosaku Vanity Desk, please refer to the following common solutions:

- **Assembly Difficulties:** Double-check the instruction manual to ensure all steps were followed correctly and all parts are oriented properly. Ensure all hardware is securely fastened.
- **LED Lights Not Working:** Verify that the power cord is securely plugged into a working outlet and that the mirror's power switch is on. Check for any loose connections.
- **Power Outlet Not Functioning:** Ensure the vanity desk's main power cord is plugged in. Test the outlet with another device to confirm it's not a device-specific issue.
- **Drawers Sticking:** Ensure drawer slides are properly aligned and lubricated if necessary. Check for any obstructions within the drawer or on the slides.

If problems persist, please contact Yanosaku customer support for assistance.
