Features and Components

Three-Way Mirror System with Smart Lighting

The vanity features a comprehensive three-way mirror system, including two 12-inch side mirrors and a 23-inch center mirror. This design provides an all-around view, ensuring even lighting and minimal shadows for precise makeup application and hairstyling. The touch-controlled lighting allows for adjustment of brightness and color temperature (Cool Daylight, Neutral Light, Warm Light) to suit various needs and preferences.

Setup and Assembly

The T4TREAM Fluted Makeup Vanity Desk requires assembly. Each component is meticulously labeled with serial numbers, and clear, user-friendly instructions are provided to streamline the assembly process. It is recommended to follow the instructions step-by-step to ensure proper construction and stability.

For optimal assembly, ensure you have adequate space and consider having a second person assist, especially when positioning larger components like the tabletops.

The package is protected with Styrofoam sheets and protective boards to safeguard your vanity during shipping. Even if the shipping box shows signs of damage, the internal packaging is designed to protect the contents.

Operating Instructions

Mirror Lighting Control

- **Power On/Off:** Lightly tap the touch sensor on the mirror to turn the lights on or off.

- **Adjust Brightness:** Long press the touch sensor to smoothly adjust the brightness level from 0% to 100%.
- **Change Color Mode:** Tap the touch sensor repeatedly to cycle through the three lighting modes: Cool Daylight, Neutral Light, and Warm Light.

Charging Station Usage

- Plug the vanity's power cord into a standard wall outlet.
- Connect your devices (hair dryer, phone, etc.) to the available AC outlets, USB port, or Type-C port as needed.
- Ensure devices are compatible with the 125V/12A AC outlets and 5V/2A USB/Type-C ports.

Maintenance

To ensure the longevity and appearance of your T4TREAM Vanity Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or glass.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood and glass surfaces.
- **Weight Capacity:** The tempered glass tabletop can bear up to 30 lbs. Avoid placing excessively heavy items on it.
- **Material Care:** The vanity is crafted from FSC-Certified wood, optimal MDF, and P2 engineered wood. These materials are durable but should be protected from extreme temperatures and humidity.

Troubleshooting

This section provides solutions to common issues you might encounter with your vanity desk.

Lights Not Working

- **Check Power Connection:** Ensure the vanity's power cord is securely plugged into a functional wall outlet.
- **Verify Touch Sensor:** Make sure you are tapping or long-pressing the touch sensor correctly.
- **Inspect Wiring:** If the issue persists after checking power, inspect the wiring connections to the mirror lights (refer to assembly instructions if needed).

Drawers or Doors Not Closing Smoothly

- **Check for Obstructions:** Remove any items that might be blocking the drawer slides or door hinges.
- **Verify Assembly:** Ensure all screws and fittings for the drawer slides and door hinges are properly tightened according to the assembly instructions.
- **Level Surface:** Confirm the vanity is placed on a level surface. Uneven flooring can affect the alignment of drawers and doors.
