IKIFLY HU9430

IKIFLY Mirrored Fireplace TV Stand (Model HU9430) User Manual

Brand: **IKIFLY** | Model: **HU9430**

1. Introduction

This manual provides essential information for the safe and efficient use of your IKIFLY Mirrored Fireplace TV Stand. This entertainment center features a 27-inch electric fireplace, RGB LED lighting, ample storage, and a crushed diamond design. Please read these instructions carefully before assembly and operation, and retain them for future reference.

2. Safety Information

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and injury to persons.

- Ensure the TV stand is placed on a stable, level surface.
- Do not overload the TV stand with items exceeding its weight capacity.
- Keep flammable materials at least 3 feet (0.9 meters) away from the front of the fireplace.
- The tempered glass on the fireplace surface remains cool to the touch for added safety around children and pets. However, always supervise children and pets near the unit.
- Only use the provided power cord and plug into a grounded outlet.
- Do not operate the fireplace with a damaged cord or plug, or if the heater malfunctions.

- Avoid blocking the air vents of the fireplace to prevent overheating.

3. Package Contents

Verify that all components are present before beginning assembly:

- Fireplace Unit
- LED Strip
- Remote Control (for LED lights)
- TV Stand Components
- User Manual (this document)
- Assembly Hardware (screws, connectors, etc.)

4. Product Dimensions

The overall dimensions of the IKIFLY Mirrored Fireplace TV Stand are:

Length: 61 inches (154.9 cm)

Width: 13.8 inches (35.1 cm)

Height: 21.6 inches (54.9 cm)

5. Assembly Instructions

The IKIFLY Mirrored Fireplace TV Stand is designed for straightforward assembly, typically completed in under 5 minutes. Follow the step-by-step guide provided in the included assembly manual for detailed instructions.

1. Unpack all components and verify against the package contents list.
2. Identify the main panels and hardware.
3. Connect the base and side panels using the provided hardware.
4. Install the electric fireplace unit into the central opening.
5. Attach the cabinet doors, ensuring the damping hinges operate smoothly.
6. Apply the LED strip to the designated area, typically underneath the console table.
7. Place the TV stand in its desired location, ensuring it is stable.

6. Operating Instructions

6.1 Electric Fireplace Operation

The integrated 27-inch electric fireplace offers various settings for ambiance and warmth. Use the control panel on the fireplace or the dedicated remote control to adjust settings.

- **Power On/Off:** Press the power button to activate or deactivate the fireplace.
- **Temperature Control:** Adjust the heat output to your desired level. The fireplace includes programmable temperature settings.
- **Flame Effects:** Change the 3D flame colors and brightness settings. Multiple color options are available to suit your preference.
- **Timer Function:** Set a timer for automatic power-off, ranging from 1 to 9 hours.
- **Safety Feature:** The fireplace has an automatic power-off feature to prevent overheating.

6.2 RGB LED Light Operation

The integrated RGB LED lights enhance the ambiance of your living space. They can be controlled via the included remote or a dedicated app.

- **Power On/Off:** Use the remote control or app to switch the LED lights on or off.
- **Color Selection:** Choose from over 6000 color options to match your mood or decor.
- **Brightness Adjustment:** Adjust the intensity of the LED lighting.
- **Modes:** Explore dynamic and music modes for interactive lighting effects.

7. Maintenance

Proper care will ensure the longevity and appearance of your TV stand.

- **Cleaning Mirrored Surfaces:** Use a soft, lint-free cloth and a glass cleaner to wipe mirrored surfaces. Avoid abrasive cleaners that may scratch the finish.
- **Cleaning Crushed Diamond Accents:** Gently dust with a soft brush or cloth. Do not use liquid cleaners directly on the crushed diamond areas.
- **General Cleaning:** Dust the unit regularly with a dry, soft cloth.
- **Electrical Components:** Ensure the fireplace and LED components are unplugged before cleaning. Do not spray liquids directly onto electrical parts.

8. Troubleshooting

If you encounter issues with your TV stand, refer to the following common solutions:

- **Fireplace Not Turning On:**
  - Check if the power cord is securely plugged into a working outlet.
  - Ensure the main power switch on the fireplace unit is in the 'ON' position.
  - Verify that the remote control batteries are functional.
- **LED Lights Not Working:**
  - Check the connection of the LED strip to its power source.
  - Ensure the remote control or app is properly paired and has working batteries.
- **Unstable Stand:**
  - Ensure all assembly hardware is tightened securely.
  - Place the stand on a flat, even surface.
