## SETUP AND ASSEMBLY

The WLIVE Coffee Table is designed for straightforward assembly. All necessary parts and tools are included and clearly labeled. Follow the step-by-step instructions provided in the assembly guide that came with your product.

### Before You Begin:

- **Inspect all components:** Ensure all parts are present and undamaged. Refer to the parts list in your assembly guide.
- **Clear a workspace:** Choose a spacious, clean, and flat area for assembly to prevent scratches or damage.
- **Gather tools:** While most tools are provided, a hammer, screwdriver, and wrench may be recommended for certain steps.

### Assembly Steps Overview:

1. Unpack all components and lay them out according to their labels.
2. Attach the side panels to the base structure.
3. Install the open shelf.

4. Assemble the two storage drawers, ensuring the FGV side glides are correctly aligned for smooth operation.
5. Secure the tabletop to the assembled frame.

For detailed visual instructions, please refer to the included assembly guide. If you encounter any difficulties, please contact customer support.

## OPERATING INSTRUCTIONS

Your WLIVE coffee table is designed for versatile use in your living space. It features two storage drawers and an open display shelf.

### Using the Storage Drawers:

- The two drawers are equipped with FGV side glides for smooth opening and closing.
- Use the black metal handles to pull the drawers open.
- Store items such as remote controls, magazines, or small personal belongings to keep your living area tidy.

- Avoid overloading drawers to ensure smooth operation and prevent damage to the glides. Each drawer supports up to 16.5 lbs.

### Utilizing the Open Shelf:

- The open shelf provides easy access storage for books, laptops, or decorative items.
- Ensure items placed on the shelf do not obstruct the movement of the drawers.

### Tabletop Usage:

- The tabletop can support up to 88 lbs.
- It is suitable for holding beverages, snacks, decorative accents, or as a surface for activities.

## MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your WLIVE coffee table.

- **Cleaning:** The scratch-resistant wood-grain top features a waterproof coating. Simply wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Wipe up spills immediately to prevent staining, especially on the edges or unsealed surfaces.
- **Protection:** Use coasters under drinks and placemats under hot items to protect the tabletop surface.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the finish.
- **Stability:** Periodically check and tighten all screws and fasteners to ensure the table remains stable.

## TROUBLESHOOTING

If you encounter any issues with your coffee table, refer to the following common solutions:

| Problem                        | Possible Cause                               | Solution                                                                                                                                                               |
|--------------------------------|----------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Table is wobbly or unstable.   | Loose fasteners or uneven floor.             | Ensure all screws and bolts are securely tightened. Adjust the table's position or use furniture pads on uneven legs.                                                  |
| Drawers do not slide smoothly. | Incorrect glide installation or obstruction. | Verify that the FGV side glides are installed correctly according to the assembly guide. Check for any objects obstructing the drawer's path. Do not overload drawers. |

| Problem                        | Possible Cause              | Solution                                                                                                                                              |
|--------------------------------|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Missing parts during assembly. | Packaging error.            | Double-check all packaging materials. If parts are still missing, contact WLIVE customer support with your product model and a list of missing items. |
| Surface scratches or damage.   | Impact or abrasive contact. | For minor scratches, furniture repair pens or waxes may be used. For significant damage, contact customer support for advice.                         |
