SAFETY INFORMATION

Important Safety Precautions:

- Do not overload or tip over the product.
- Secure the unit to a wall to prevent tipping, especially if children are present.
- Ensure all parts are correctly assembled and fasteners are tightened before use.
- Keep small parts away from children during assembly.

SETUP AND ASSEMBLY

The Merax Kitchen Island requires assembly. Comprehensive step-by-step instructions, along with labeled parts and hardware, are included in the packaging to facilitate a smooth assembly process.

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Identify all hardware and tools required for assembly. Installation tools are included.
3. Follow the step-by-step assembly instructions carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.
4. Ensure all screws and fasteners are securely tightened. Do not overtighten.
5. Attach the 7 universal wheels, ensuring the 4 lockable wheels are placed as indicated in the assembly guide for easy parking.

OPERATING INSTRUCTIONS

Extendable Dining Table

The kitchen island features an extendable dining table designed for flexible use. The main storage unit's tabletop

measures 44" L x 19" W. The extendable dining table can be pulled out to a maximum length of 27 inches, accommodating up to two additional people. To extend, gently pull the dining table section outwards until fully extended. To retract, push it back into the main unit until it is flush.

MAINTENANCE

To maintain the appearance and longevity of your Merax Kitchen Island:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.
- **Wheels:** Keep wheels free of debris to ensure smooth movement.

TROUBLESHOOTING

If you encounter any issues with your kitchen island, consider the following:

- **Stability Issues:** Ensure all wheels are locked when the island needs to be stationary. Verify all assembly screws are tightened.
- **Drawers or Table Not Sliding Smoothly:** Check for any obstructions in the slides. Ensure the slides are clean and free of debris.
- **Missing Parts:** If any parts were missing during assembly, refer to the included parts list and contact Merax customer support.
