### Braun 9660CCPS

## Braun Series 9 PRO+ Electric Shaver 9660CCPS User Manual

Brand: Braun | Model: 9660CCPS

### INTRODUCTION

The Braun Series 9 PRO+ Electric Shaver is engineered for men seeking a close shave and skin protection. It features Ultra Thin Precision Blades and 5+1 Technology, which includes a Direct&Cut Blade, ProTrimmer, skin-skimming OptiFoil, protective SkinGuard, and a titanium-coated ProLift Blade. The Pro SensoAdapt technology monitors beard density 300 times per second, adjusting shaving power as needed. This model includes an extra shaver head for sustained performance and a 6-in-1 SmartCare Center for cleaning, blade protection, drying, charging, and maintenance. The Series 9 PRO+ is 100% waterproof and manufactured in Germany.

## SETUP

### Initial Charging

Before first use, fully charge your Braun Series 9 PRO+ shaver. Connect the Smart Plug to the shaver or the SmartCare Center, then plug it into a power outlet. The LED display on the shaver will indicate charging progress. A full charge typically provides up to 60 minutes of shaving time. A 5-minute quick charge is available for one shave.

## SmartCare Center Preparation

To use the 6-in-1 SmartCare Center, ensure a cleaning cartridge is correctly inserted. The SmartCare Center will automatically select the appropriate cleaning program, dry the shaver, and charge it.

## OPERATING INSTRUCTIONS

## Shaving Technique

For optimal results, hold the shaver at a right angle (90°) to your skin and shave against the direction of hair growth. Apply light, even pressure. The flexible head adapts to your facial contours, ensuring maximum skin contact. The Pro SensoAdapt technology will automatically adjust power for different beard densities.

## Wet & Dry Use

The Series 9 PRO+ is 100% waterproof. You can use it dry for a quick shave or with foam, gel, or even in the shower for a refreshing experience. Always ensure the shaver is unplugged when used with water.

## Using the ProTrimmer

The integrated Precision ProTrimmer can be activated for precise shaping of sideburns, mustache, or beard lines. Slide the trimmer up to engage it, and use short, controlled strokes.

## MAINTENANCE

### SmartCare Center Cleaning

After each shave, place the shaver in the SmartCare Center. It will automatically clean, lubricate, dry, and charge the shaver. The cleaning cartridge should be replaced when indicated by the SmartCare Center's display.

### Manual Cleaning

If not using the SmartCare Center, you can clean the shaver manually. Rinse the shaver head under warm running water after each use. For a more thorough clean, remove the shaver head and brush away any trapped hairs using the provided cleaning brush. Ensure the shaver is completely dry before storing or recharging.

### Replacing Shaver Parts

For optimal shaving performance, it is recommended to replace the shaver head every 18 months. The SmartCare Center cleaning cartridges should be replaced approximately once a month, depending on usage.

## SPECIFICATIONS

<b>Product Dimensions</b>	7.67 x 4.56 x 9.44 inches; 2.66 Pounds
<b>Item Model Number</b>	P_12229
<b>Manufacturer</b>	Procter & Gamble

<b>Brand</b>	Braun
<b>Recommended Uses</b>	Beard
<b>Special Feature</b>	Waterproof
<b>Power Source</b>	Corded Electric
<b>Model Name</b>	Series 9 PRO+

## TROUBLESHOOTING

If you encounter issues with your Braun Series 9 PRO+ shaver, consider the following common solutions:

- **Shaver not turning on:** Ensure the shaver is fully charged. If using the SmartCare Center, verify it is plugged in and the shaver is correctly seated.
- **Reduced shaving performance:** The shaver head may need cleaning or replacement. Refer to the "Maintenance" section for instructions.
- **Skin irritation:** Ensure you are shaving against the grain with light pressure. Consider using the shaver wet with foam or gel for increased comfort.
- **SmartCare Center not functioning:** Check if the cleaning cartridge needs replacement or if the unit is properly plugged into a power source.

For persistent issues, please refer to the "Warranty & Support" section for further assistance.

## WARRANTY & SUPPORT

### Warranty Information

The Braun Series 9 PRO+ Electric Shaver comes with up to a 5-year warranty. Specific terms and conditions apply and can be found on the official Braun website.

### Customer Support
