

Mirightone B0FGPRRJQV

Mirightone Teepee Floor Bed User Manual

Model: Full White With Light (B0FGPRRJQV)

1. INTRODUCTION

Thank you for choosing the Mirightone Teepee Floor Bed. This product is designed to provide a safe, comfortable, and imaginative sleeping environment for children. Featuring a convertible design, it can be used as a whimsical teepee bed or a practical floor bed. This manual provides essential information for assembly, safe operation, and maintenance to ensure long-lasting enjoyment of your new bed.

2. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Adult Assembly Required:** This product must be assembled by an adult.
- **Supervision:** Always supervise young children, especially during initial use.
- **Low Height Design:** The bed is constructed with a low platform to the ground, minimizing fall risks.
- **Guardrails:** Integrated guardrails provide enhanced safety and prevent accidental falls.
- **Weight Limit:** Do not exceed the recommended weight capacity of 250 lbs.
- **Mattress Thickness:** Use a mattress with a recommended thickness of 6 inches for optimal safety and fit.
- **Secure Fasteners:** Regularly check all bolts and screws to ensure they are tight. Do not overtighten.
- **No Sharp Edges:** The design features child-safe edges to prevent injury.
- **ASTM Compliance:** This product meets or exceeds safety standards enacted by the US Product Safety Commission and the American Society of Testing Manufacturers (ASTM).

3. PARTS LIST

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

Included Components:

- Bed Frame components (headboard, footboard, side rails)
- Guardrails
- Slats Supports
- Teepee Tent Poles (for teepee configuration)
- Hanging Rack components
- Hardware (screws, bolts, nuts, Allen wrench)
- Assembly Manual

4. SETUP AND ASSEMBLY

Assembly is required for this product. Follow the steps below carefully. It is recommended to have two adults for assembly.

Step-by-Step Assembly:

1. **Unpack and Identify Parts:** Lay out all components on a soft, clean surface to prevent scratches. Refer to the parts list to ensure everything is present.
2. **Assemble the Bed Base:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure but do not fully tighten until the frame is aligned.
3. **Install Slats:** Place the wooden slats across the bed frame. Secure them according to the instructions in the included manual. Ensure slats are evenly spaced and firmly attached to support the mattress.
4. **Attach Guardrails:** Secure the guardrails to the designated positions on the bed frame.
5. **Assemble Teepee Structure (Optional):** If using the teepee configuration, attach the teepee poles to the bed frame as indicated in the detailed manual. Ensure all connections are stable.

6. **Install Hanging Rack (Optional):** Attach the hanging racks to the teepee poles or bed frame as desired.
7. **Final Tightening:** Once all components are assembled and aligned, fully tighten all screws and bolts.

5. OPERATING INSTRUCTIONS

The Mirightone Teepee Floor Bed offers versatile usage options to suit your child's needs and preferences.

Convertible Design:

This bed can be easily converted between a teepee tent bed and a standard floor bed. To convert to a flat floor bed, simply detach and remove the teepee tent poles from the bed frame. This allows for flexibility as your child grows or as room decor changes.

Two Ways of Using

Image: A visual guide demonstrating the two primary configurations of the bed: the full teepee structure and the simplified floor bed.

Hanging Rack Functionality:

The integrated hanging racks provide convenient storage for lightweight items such as headphones, small toys, or decorative elements. Ensure items hung are not heavy or pose a choking hazard to children.

Integrated Lighting (White With Light Model):

This model includes integrated lighting to create a cozy ambiance. The lights can be used during the day for a bright, playful atmosphere or at night for a soft, comforting glow.

Day Version

Warm wood + soft string light glow

Night Version

6. MAINTENANCE

Proper care and maintenance will extend the life of your Mirightone Teepee Floor Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the wood finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and fasteners. Tighten any loose connections to maintain stability and safety.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight to prevent warping or fading.
- **Mattress Care:** Follow the manufacturer's instructions for mattress care.

7. TROUBLESHOOTING

If you encounter any issues with your bed, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable	Loose hardware connections.	Check and tighten all bolts and screws. Ensure components are correctly aligned.
Squeaking noises	Loose connections or friction between wood parts.	Tighten all hardware. Apply a small amount of paraffin wax or silicone spray to contact points if necessary.
Teepee poles not secure	Incorrect assembly or loose fasteners.	Review assembly instructions for the teepee structure. Ensure all connecting hardware is fully tightened.
Lights not working	Power source issue or damaged wiring.	Check power connection. If battery-operated, replace batteries. If problem persists, contact customer support.
