PAXA Ctbuds01

PAXA 2-in-1 Ctbuds User Manual

Model: Ctbuds01

INTRODUCTION

Thank you for choosing the PAXA 2-in-1 Ctbuds. This innovative audio solution offers the flexibility of both clip-on open-ear earbuds and traditional in-ear earbuds, designed to adapt to various scenarios from active workouts to focused work environments. Featuring Bluetooth 6.0 for stable connectivity and a unique 360° rotatable charging case, these earbuds provide a versatile and comfortable listening experience. This manual provides essential information on setting up, operating, and maintaining your PAXA Ctbuds to ensure optimal performance and longevity.

WHAT'S IN THE BOX

Upon opening your PAXA Ctbuds package, please verify that all the following components are included:

- Clip-on Earbuds (x2)
- In-Ear Earbuds (x2)
- Charging Case (x1)
- User Manual (x1)
- Type-C Charging Cable (x1)

Ultra-Light 5.3g Earbuds

Weighing just 5.30g, these earbuds feel lighter than a feather for all-day comfort. Enjoy effortless, fatigue-free listening

PRODUCT OVERVIEW

The PAXA Ctbuds feature a unique design that allows you to switch between two distinct earbud types: clip-on open-ear for situational awareness and in-ear for immersive sound and privacy. The accompanying charging case is designed for convenience and includes a 360° rotatable metal ring for stress relief.

Image: Overview of the PAXA Ctbuds, highlighting the two earbud types and the charging case.

Switching Scene Need Anytime, Anywhere

Double stable and comfortable fit to the ears, enjoying the perfect balance between audio clarity and situational awareness

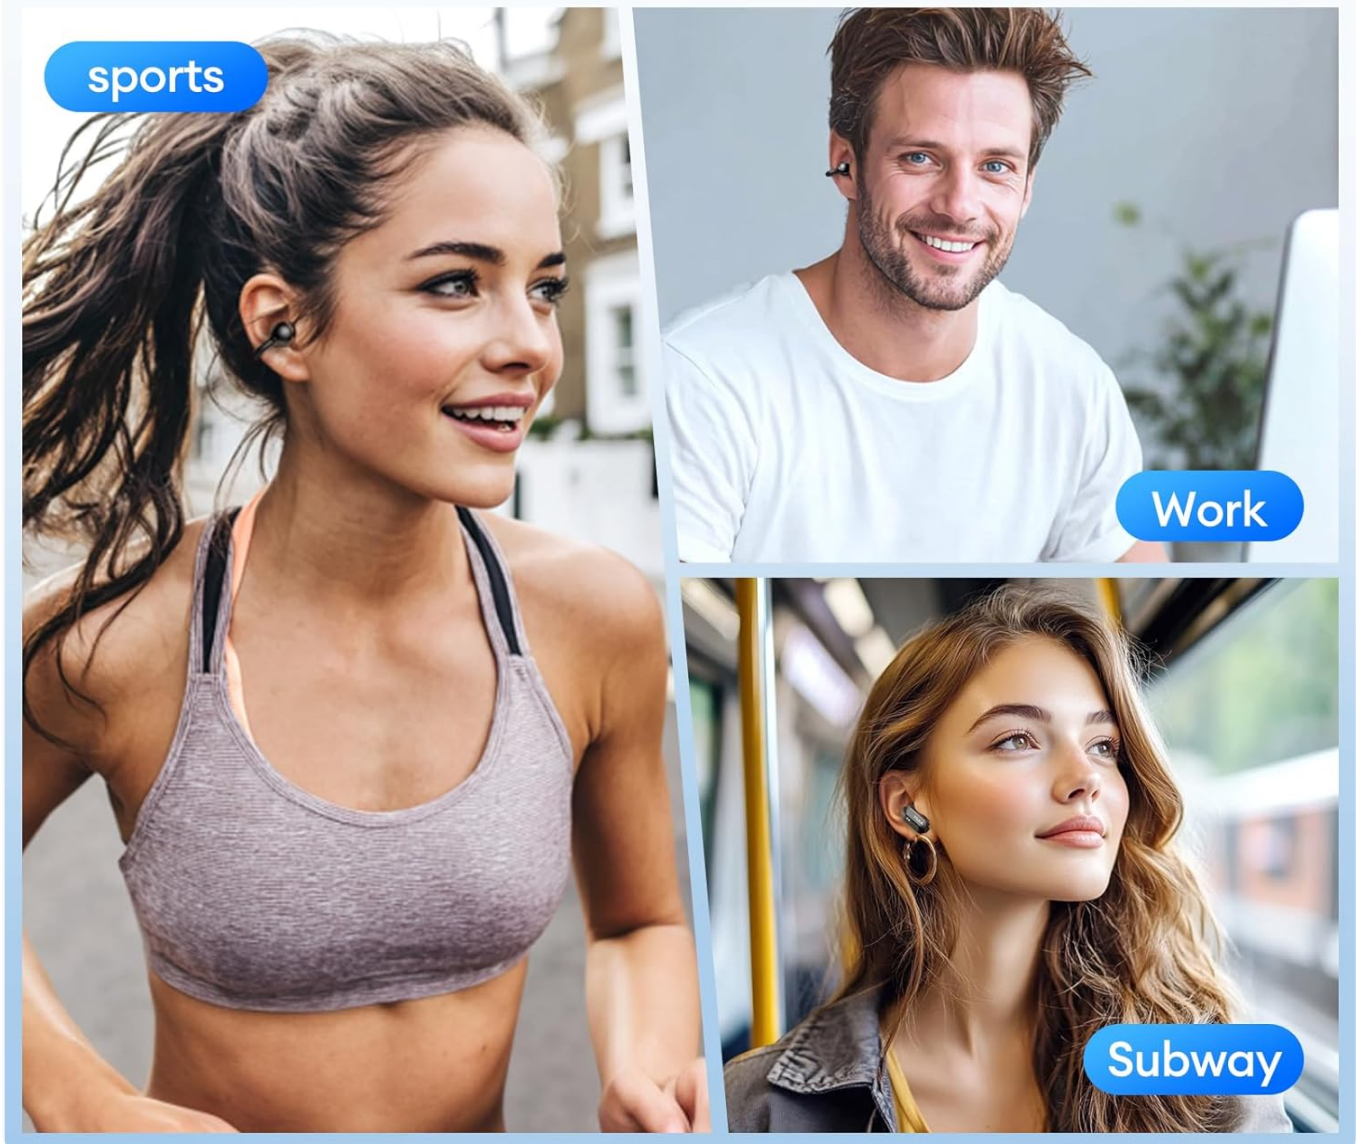

Image: The unique 360° rotatable charging case, designed for both charging and stress relief.

SETUP

1. Charging the Earbuds and Case

Before first use, it is recommended to fully charge the charging case and earbuds. The first full charge requires 6-8 hours to activate the battery. Subsequent full charges typically take about 2.5 hours.

- Connect the provided Type-C charging cable to the charging port on the case and a compatible USB power source.
- During charging, the red light on the earbud case will flash.
- Once fully charged, the red light will become steady.
- Place the earbuds into the charging case to charge them. The earbuds will indicate their charging status (refer to earbud specific indicators if available, otherwise assume case indicators apply).

140H Ultra Battery Life

Anytime to keep going, no need to wait for charging, just switch in a second

Fast Charging

10Mins Fast Charging =

3Hrs Playtime

Image: Charging the PAXA Ct buds case, which provides up to 140 hours of total playtime.

2. Bluetooth Pairing

The PAXA Ct buds utilize Bluetooth 6.0 for ultra-stable and low-latency connections.

1. Ensure the earbuds are charged and placed in the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode (indicated by flashing lights on the earbuds).
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "PAXA Ct buds" from the list of found devices.
5. Once connected, the earbud lights will stop flashing, indicating a successful pairing.
6. The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

Latest Bluetooth 6.0 Chip

Ultra-stable DT5.0 directional pairing speed, providing zero latency stronger processing power, and efficient energy consumption

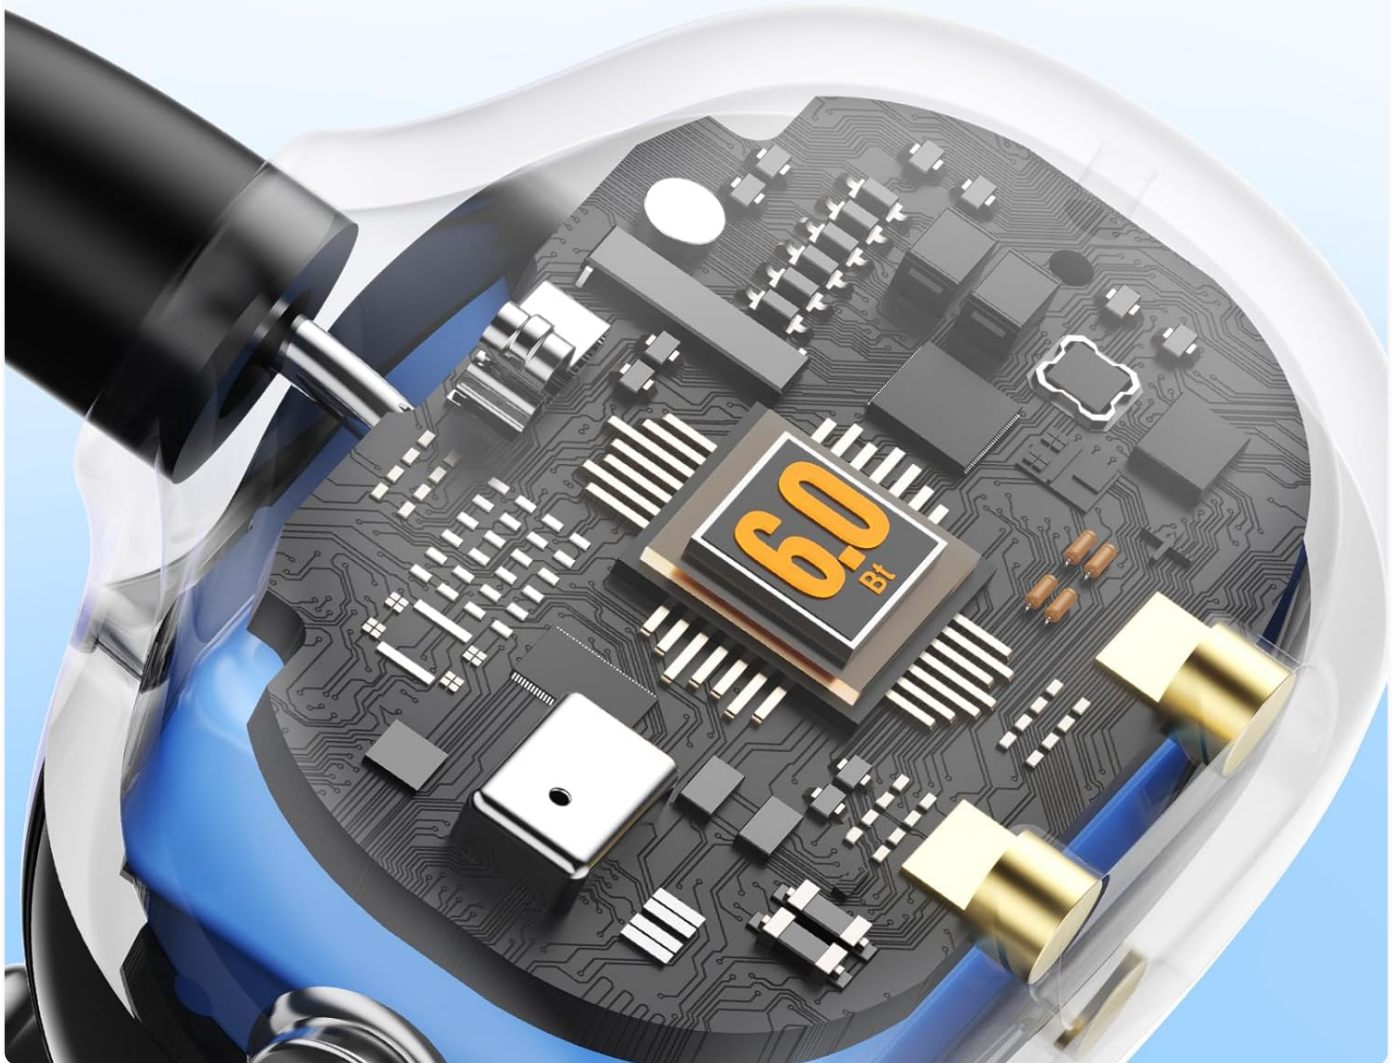

Image: The advanced Bluetooth 6.0 chip ensures a stable and efficient wireless connection.

OPERATING INSTRUCTIONS

1. Wearing the Earbuds

The PAXA Ct buds offer two wearing styles for different needs:

- **Clip-on Open-Ear Earbuds:** These earbuds clip onto the outer ear, allowing you to hear your surroundings while enjoying audio. Ideal for outdoor activities, sports, or situations where situational awareness is crucial.
- **In-Ear Earbuds:** These earbuds fit directly into the ear canal, providing a more immersive audio experience and better noise isolation. Suitable for focused work, study, or private listening.

PAXA 2 in 1 Clip On Open Ear Earbuds

No more dead batteries or scene-hopping compromises.
Never choose between – own two pairs!

Ergonomically Designed
for all day Wearing Comfort

MAINTENANCE

1. Cleaning

To maintain optimal sound quality and hygiene, regularly clean your earbuds:

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- For in-ear earbuds, remove any earwax buildup from the ear tips using a small brush or cotton swab.
- Avoid using abrasive materials, solvents, or harsh chemicals.

2. Storage

When not in use, always store the earbuds in their charging case to protect them from dust, damage, and to keep them charged.

3. Water Resistance (IPX5)

The PAXA Ct buds are IPX5 water resistant, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for workouts and light rain. However, they are not designed for submersion in water or exposure to high-pressure water jets.

360° Rotatable Earbuds Case

- Relieve your anxiety and release stress
- Funny spinning stress relief toy

Image: The IPX5 water resistance rating ensures durability during workouts and in light rain.

TROUBLESHOOTING

If you encounter issues with your PAXA Ct buds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing/connecting	<ul style="list-style-type: none">• Ensure earbuds are fully charged.• Turn off and on Bluetooth on your device.• Place earbuds back in the case, close, wait a few seconds, then open again to re-enter pairing mode.• Forget "PAXA Ct buds" from your device's Bluetooth list and try pairing again.• Perform a factory reset (triple-click either earbud 5 times).

Problem	Possible Solution
No sound or low volume	<ul style="list-style-type: none"> • Check volume levels on both your device and the earbuds. • Ensure earbuds are properly seated in your ears. • Clean any debris from the earbud speakers. • Reconnect the earbuds to your device.
Intermittent connection/audio dropouts	<ul style="list-style-type: none"> • Ensure your device is within the effective Bluetooth range (typically 10-15 meters) and there are no major obstructions. • Avoid strong electromagnetic interference from other devices. • Try disconnecting and reconnecting the earbuds.
Earbuds not charging	<ul style="list-style-type: none"> • Ensure the charging cable is securely connected to both the case and the power source. • Verify the power source is active. • Clean the charging contacts on both the earbuds and inside the case.
