# Reobrix St. Mark's Campanile Model Kit Instruction Manual

Model Number: 55013

## INTRODUCTION

---

This instruction manual provides comprehensive guidance for assembling, maintaining, and displaying your Reobrix St. Mark's Campanile Model Kit (Model 55013). This architectural building set allows you to construct a detailed replica of the iconic Venetian landmark. Please read through all instructions carefully before beginning assembly.

## SAFETY INFORMATION

---

- This building set contains small parts and is recommended for individuals aged 14 and above.
- Keep small parts away from young children to prevent choking hazards.
- Always assemble on a clean, flat, and stable surface.

## PACKAGE CONTENTS

---

Before starting assembly, please verify that your package contains the following components:

- Building blocks (various shapes and sizes, approximately 3903 pieces)
- Detailed pictorial instruction manual
- Specialized components (e.g., golden angel statue, decorative elements)

## ASSEMBLY INSTRUCTIONS

---

Follow the numbered steps in the included pictorial guide. Sorting blocks by color and shape before beginning assembly can significantly streamline the process.

### 1. Base Assembly

Begin by constructing the foundation and surrounding plaza elements, including the fountain and trees. Ensure all base plates are securely connected to form a stable platform.

## MAINTENANCE

To clean your model, gently dust with a soft, dry cloth or a soft brush. Avoid using liquid cleaners or abrasive materials, as these may damage the plastic blocks or cause discoloration.

## TROUBLESHOOTING

### Missing Parts

If you find any missing parts, please contact Reobrix customer support with your model number (55013) and a description of the missing components. Refer to the parts list in your instruction manual to identify specific pieces.

### Loose Connections

Ensure all blocks are firmly pressed together during assembly. If sections feel loose, carefully re-examine the connections according to the instruction guide, applying gentle but firm pressure.
