## Cable Management

Utilize the integrated cable management holes to route and organize your power cords and peripheral cables, keeping your workspace neat and free from clutter.

## MAINTENANCE

To ensure the longevity and appearance of your Bestier H107012B desk, follow these care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth, then immediately wipe dry with a clean, dry cloth to prevent moisture damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as these can damage the finish.
- **Weight Capacity:** Do not overload the desk. The sturdy wooden desktop can bear up to 150 pounds, each side shelf up to 25 pounds, and the file drawer up to 20 pounds.
- **Stability:** Periodically check and tighten all screws and fasteners to maintain stability.

- **Placement:** Avoid placing the desk in direct sunlight or near heat sources to prevent warping or discoloration.

## TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the following common solutions:

- **Drawer Not Fitting:** Ensure all drawer slides are correctly installed and aligned. Sometimes, rails may be incorrectly oriented or not fully seated. Double-check the assembly steps for the drawer mechanism.
- **Assembly Difficulty:** If instructions are unclear, refer to the assembly video provided on the product page. Ensure all parts are correctly identified and oriented before fastening. Contact customer support if you are still experiencing difficulties.
- **Desk Wobbles:** Verify that all screws are securely tightened. Ensure the desk is placed on a level surface. Adjustable feet (if included) can be used to stabilize the desk on uneven floors.
- **Keyboard Tray Sticking:** Check the keyboard tray slides for any obstructions or debris. Ensure the screws holding the slides are not overtightened, which can impede smooth movement.
