## Forlivese B0FGTM7DX1

# Forlivese 6ft Multi-Functional Dimmable LED Cone Tree Light Instruction Manual

Model: B0FGTM7DX1

Brand: Forlivese

## 1. INTRODUCTION

---

Thank you for choosing the Forlivese 6ft Multi-Functional Dimmable LED Cone Tree Light. This product is designed to provide versatile and vibrant lighting for your indoor and outdoor holiday decorations. Featuring 16 million colors, dynamic lighting modes, music synchronization, and smart control via an app or remote, this LED cone tree light offers a customizable experience. Please read this manual thoroughly before assembly and operation to ensure safe and optimal use.

## 2. SAFETY INFORMATION

---

- **Electrical Safety:** Ensure the power adapter is connected to a suitable AC power source. Do not overload electrical outlets.
- **Outdoor Use:** This product has an IP65 waterproof rating, making it suitable for outdoor use. However, ensure all electrical connections are secure and protected from direct water exposure.
- **Installation:** Always secure the cone tree light firmly using the provided ground stakes, especially when used outdoors, to prevent tipping in windy conditions.
- **Handling:** Handle the LED strings with care to avoid damage. Do not pull or twist the wires excessively.
- **Children and Pets:** Keep the product and its components out of reach of small children and pets to prevent choking hazards or electrical shock.
- **Storage:** When not in use, store the product in a cool, dry place, away from direct sunlight and extreme temperatures.

## 3. PACKAGE CONTENTS

---

Verify that all items listed below are included in your package:

- 6ft LED Cone Tree Light (pre-assembled LED strings)
- Star Topper
- Remote Control
- Power Adapter
- Ground Stakes (for outdoor securing)
- User Manual (this document)

## 4. SETUP INSTRUCTIONS

---

1. **Unpack Components:** Carefully remove all items from the packaging. Inspect for any damage.
2. **Assemble Base:** Connect the base segments if they are separate, ensuring they form a stable circular foundation.
3. **Insert Center Pole:** Insert the main center pole into the designated slot in the base.
4. **Attach LED Strings:** The LED strings are typically pre-attached to the top of the center pole. Gently spread them out evenly around the base, securing each string to the corresponding hook or slot on the base ring.
5. **Install Star Topper:** Place the star topper securely on the top of the center pole. Ensure its connection is firm.
6. **Secure Outdoors (if applicable):** For outdoor use, insert the ground stakes through the designated holes in the base and firmly into the ground to prevent movement.
7. **Connect Power:** Plug the power adapter into the LED cone tree light's power input, then plug the adapter into a standard AC electrical outlet.

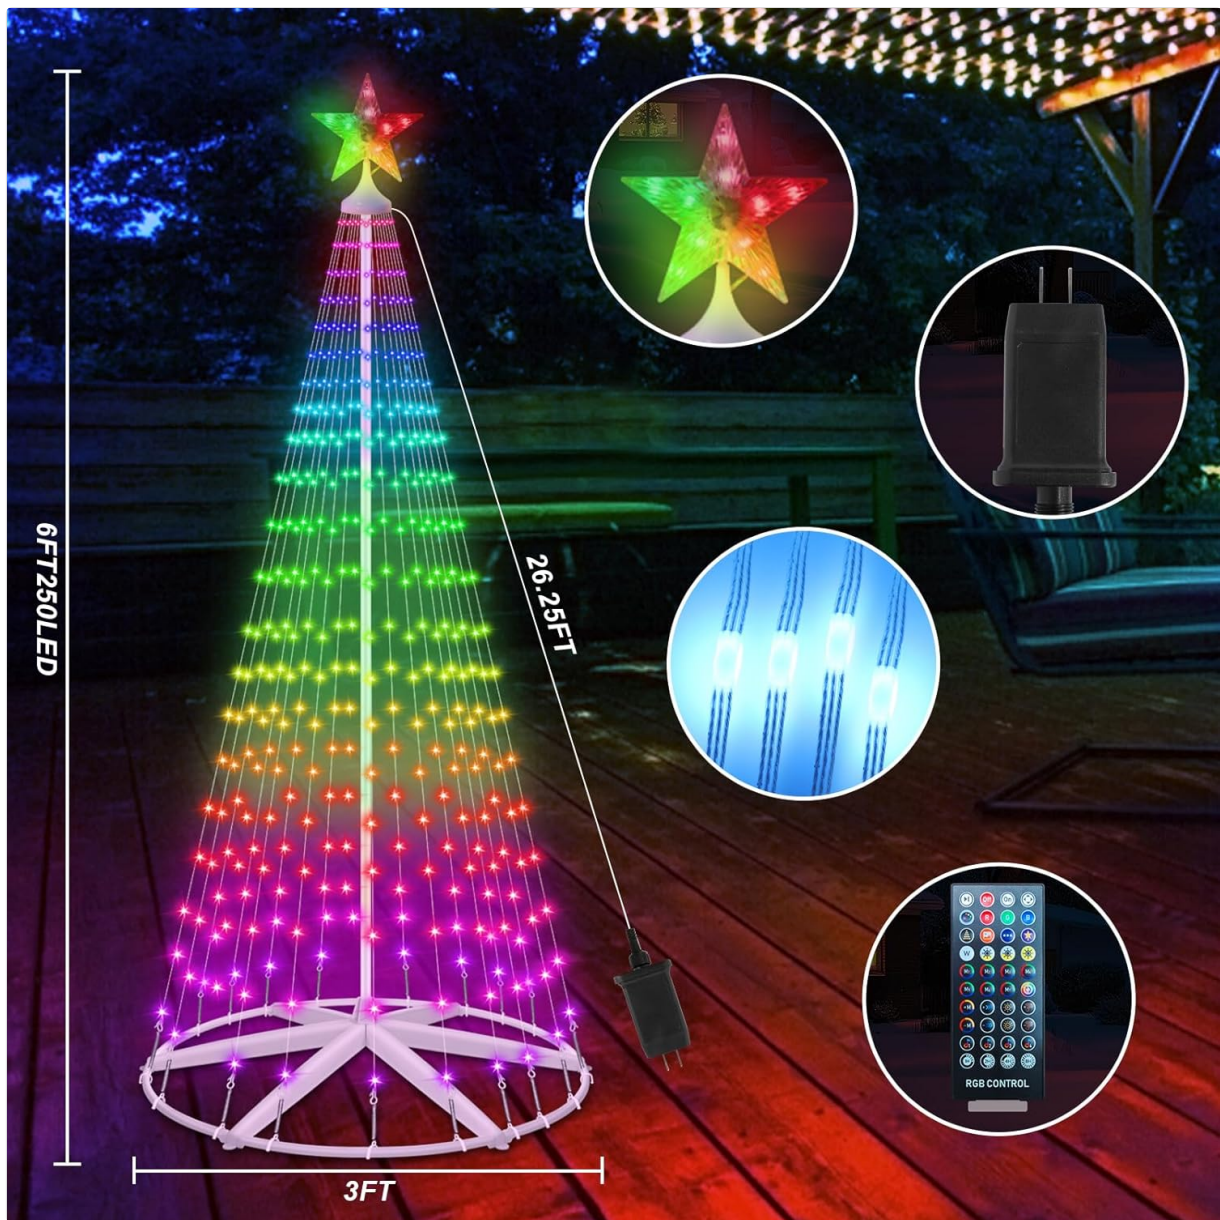

Figure 4.1: Product dimensions and components. The image illustrates the 6ft height, 3ft base diameter, 26.25ft power cord, a close-up of the individual LED lights, and the power adapter.

## 5. OPERATING INSTRUCTIONS

### 5.1. Power On/Off

Once the power adapter is connected to an electrical outlet, the light will power on. Use the remote control or app to turn the lights on or off.

### 5.2. Remote Control Operation

The included remote control allows for basic functions:

- **On/Off:** Power the lights on or off.
- **Color Selection:** Choose from various static colors.
- **Mode Selection:** Cycle through pre-set dynamic lighting modes (e.g., combination, waves, sequential, slow fade, twinkle, steady glow).
- **Brightness Adjustment:** Increase or decrease the light intensity.
- **Speed Adjustment:** Control the speed of dynamic lighting effects.

### 5.3. Smart App Control

For advanced customization and control, download the "Hello Fairy" app.

1. **Download App:** Scan the QR code on the product packaging or visit <http://www.qrtransfer.com/fairylight.html> to download the "Hello Fairy" app.
2. **Pairing:** Follow the in-app instructions to pair your device with the LED cone tree light via Bluetooth.
3. **Features:** The app unlocks a wide range of features:
  - **16 Million Colors:** Select any color from the full RGB spectrum.
  - **Dynamic Lighting Modes:** Access over 20 pre-set modes.
  - **Custom Color Adjustment:** Fine-tune colors to your preference.
  - **DIY Mode:** Design custom light patterns, pixel art effects, or even display text messages.
  - **Music Sync Mode:** Synchronize lights to the rhythm and beat of ambient music.
  - **Dimmable Control:** Adjust brightness from 1% to 100%.
  - **Direction Control:** Individually adjust the lighting direction (left/right or up/down).
  - **Timer Function:** Set daily schedules for automatic on/off times.
  - **Memory Function:** The device automatically saves your last settings.

## 6. MAINTENANCE

- **Cleaning:** To clean the LED cone tree light, gently wipe it with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Weather Resistance:** The product is rated IP65 waterproof, meaning it is protected against dust and low-pressure water jets. It is designed to withstand rain and snow.
- **Storage:** Before storing, ensure the unit is clean and dry. Disassemble the tree by reversing the setup steps and store all components in their original packaging or a suitable container in a cool, dry

place.

- **Inspection:** Periodically inspect the power cord and LED strings for any signs of damage. If damage is found, discontinue use and contact customer support.

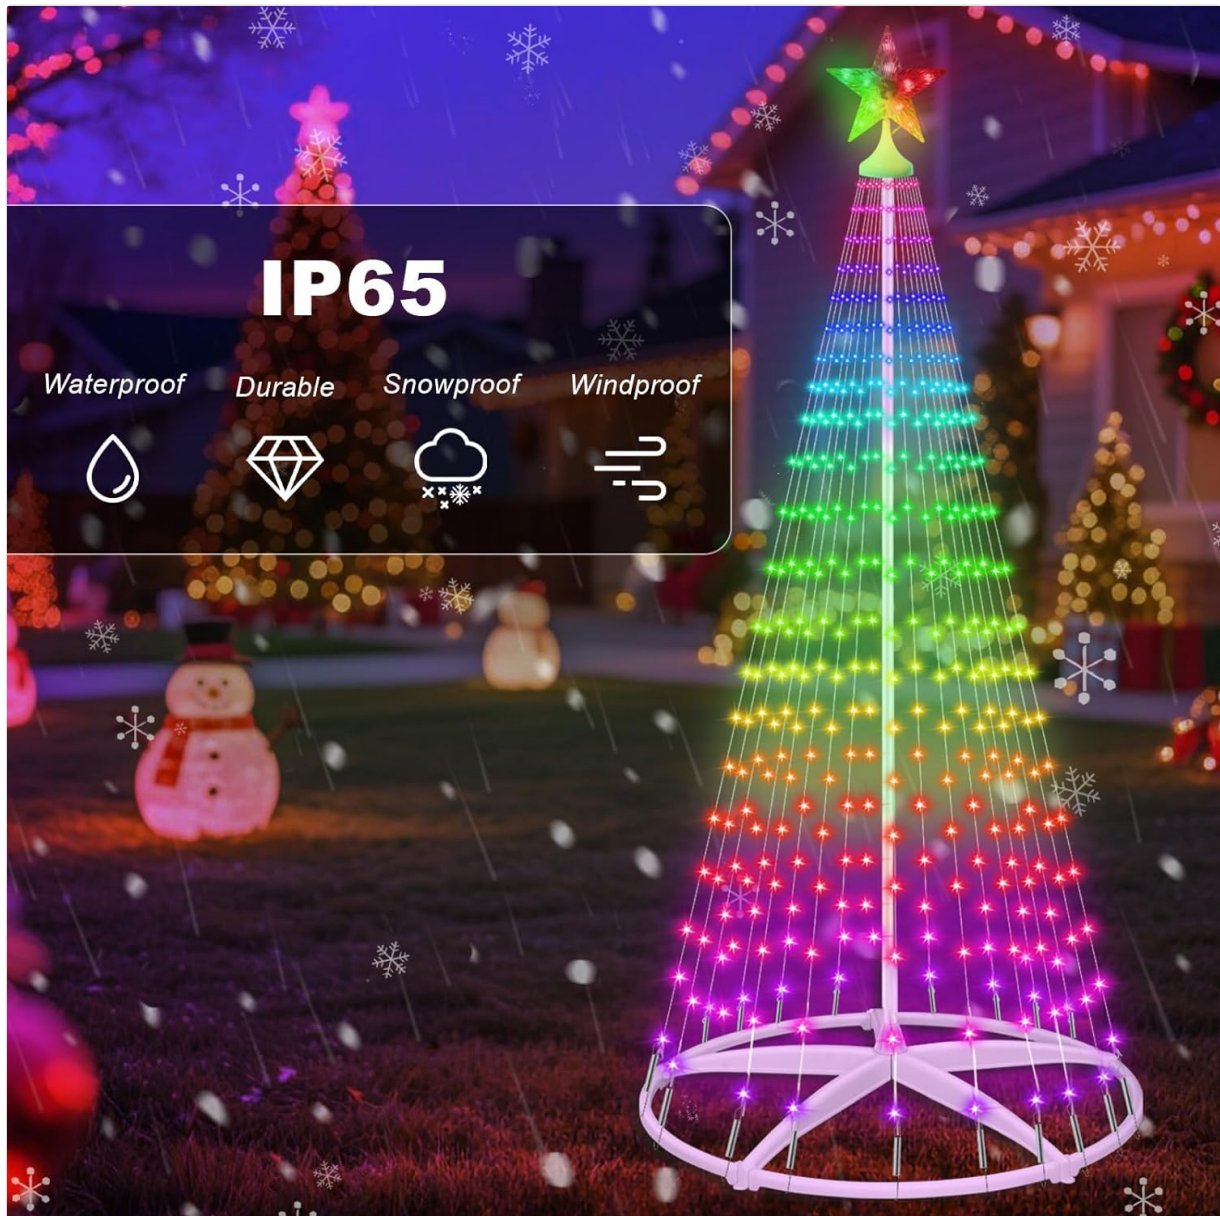

Figure 6.1: The IP65 rating ensures durability and weather resistance for outdoor use.

## 7. TROUBLESHOOTING

- **Lights Not Turning On:**

- Ensure the power adapter is securely plugged into both the light and a working electrical outlet.
- Check if the remote control battery needs replacement.
- Verify that the power button on the adapter (if present) is in the 'On' position.

- **Remote Control or App Not Responding:**

- For remote control, ensure there are no obstructions between the remote and the light's receiver.
- For app control, ensure Bluetooth is enabled on your smartphone and the device is within range. Try re-pairing the device in the app settings.
- Restart the app or power cycle the LED cone tree light by unplugging and re-plugging it.

- **Inconsistent Lighting or Flickering:**

- Check all physical connections of the LED strings to the base and pole.
- Ensure the power supply is stable and not experiencing fluctuations.

- **Missing Parts:** If any parts are missing upon arrival, please contact customer support immediately for assistance.
