UGREEN W701

UGREEN Qi2 15W Wireless Charger 2-in-1 Instruction Manual

Model: W701

1. Introduction

Thank you for choosing the UGREEN Qi2 15W Wireless Charger 2-in-1. This device is designed to provide efficient and convenient wireless charging for your compatible iPhone and AirPods simultaneously. Please read this manual carefully before use to ensure proper operation and to maximize the product's lifespan.

2. Package Contents

Verify that all items are present in your package:

- 1x UGREEN Qi2 15W Wireless Charger 2-in-1

- 1x 1m USB-C Charging Cable
- 1x User Manual

Image 2.1: Visual representation of the items included in the product package.

3. Setup Instructions

1. **Connect to Power:** Connect the provided USB-C charging cable to the USB-C port on the back of the wireless charger. Plug the other end of the USB-C cable into a compatible power adapter.
2. **Power Adapter Requirement:** For optimal performance and simultaneous charging of both devices, use a Power Delivery (PD) charger of **27W or higher**. Using a lower wattage adapter may result in slower charging or inability to charge both devices simultaneously.
3. **Placement:** Place the charger on a stable, flat surface away from direct sunlight, heat sources, and metallic objects.

4. Operating Instructions

4.1 Charging Your iPhone

1. Ensure your iPhone is compatible with MagSafe or Qi2 wireless charging.
2. Align your iPhone with the magnetic charging pad on the stand. The magnets will automatically snap your device into place, ensuring proper alignment for efficient charging.
3. The charging indicator on your iPhone screen will confirm that charging has begun.

4.2 Charging Your AirPods

1. Place your AirPods charging case (compatible with wireless charging) on the flat charging pad located at the base of the stand.
2. Ensure the AirPods case is centered on the charging pad for optimal contact.
3. The indicator light on your AirPods case will illuminate to confirm charging.

4.3 Simultaneous Charging

The UGREEN Qi2 15W Wireless Charger 2-in-1 allows you to charge your iPhone and AirPods simultaneously. Ensure a sufficient power adapter (27W or higher) is used for optimal dual-device charging performance.

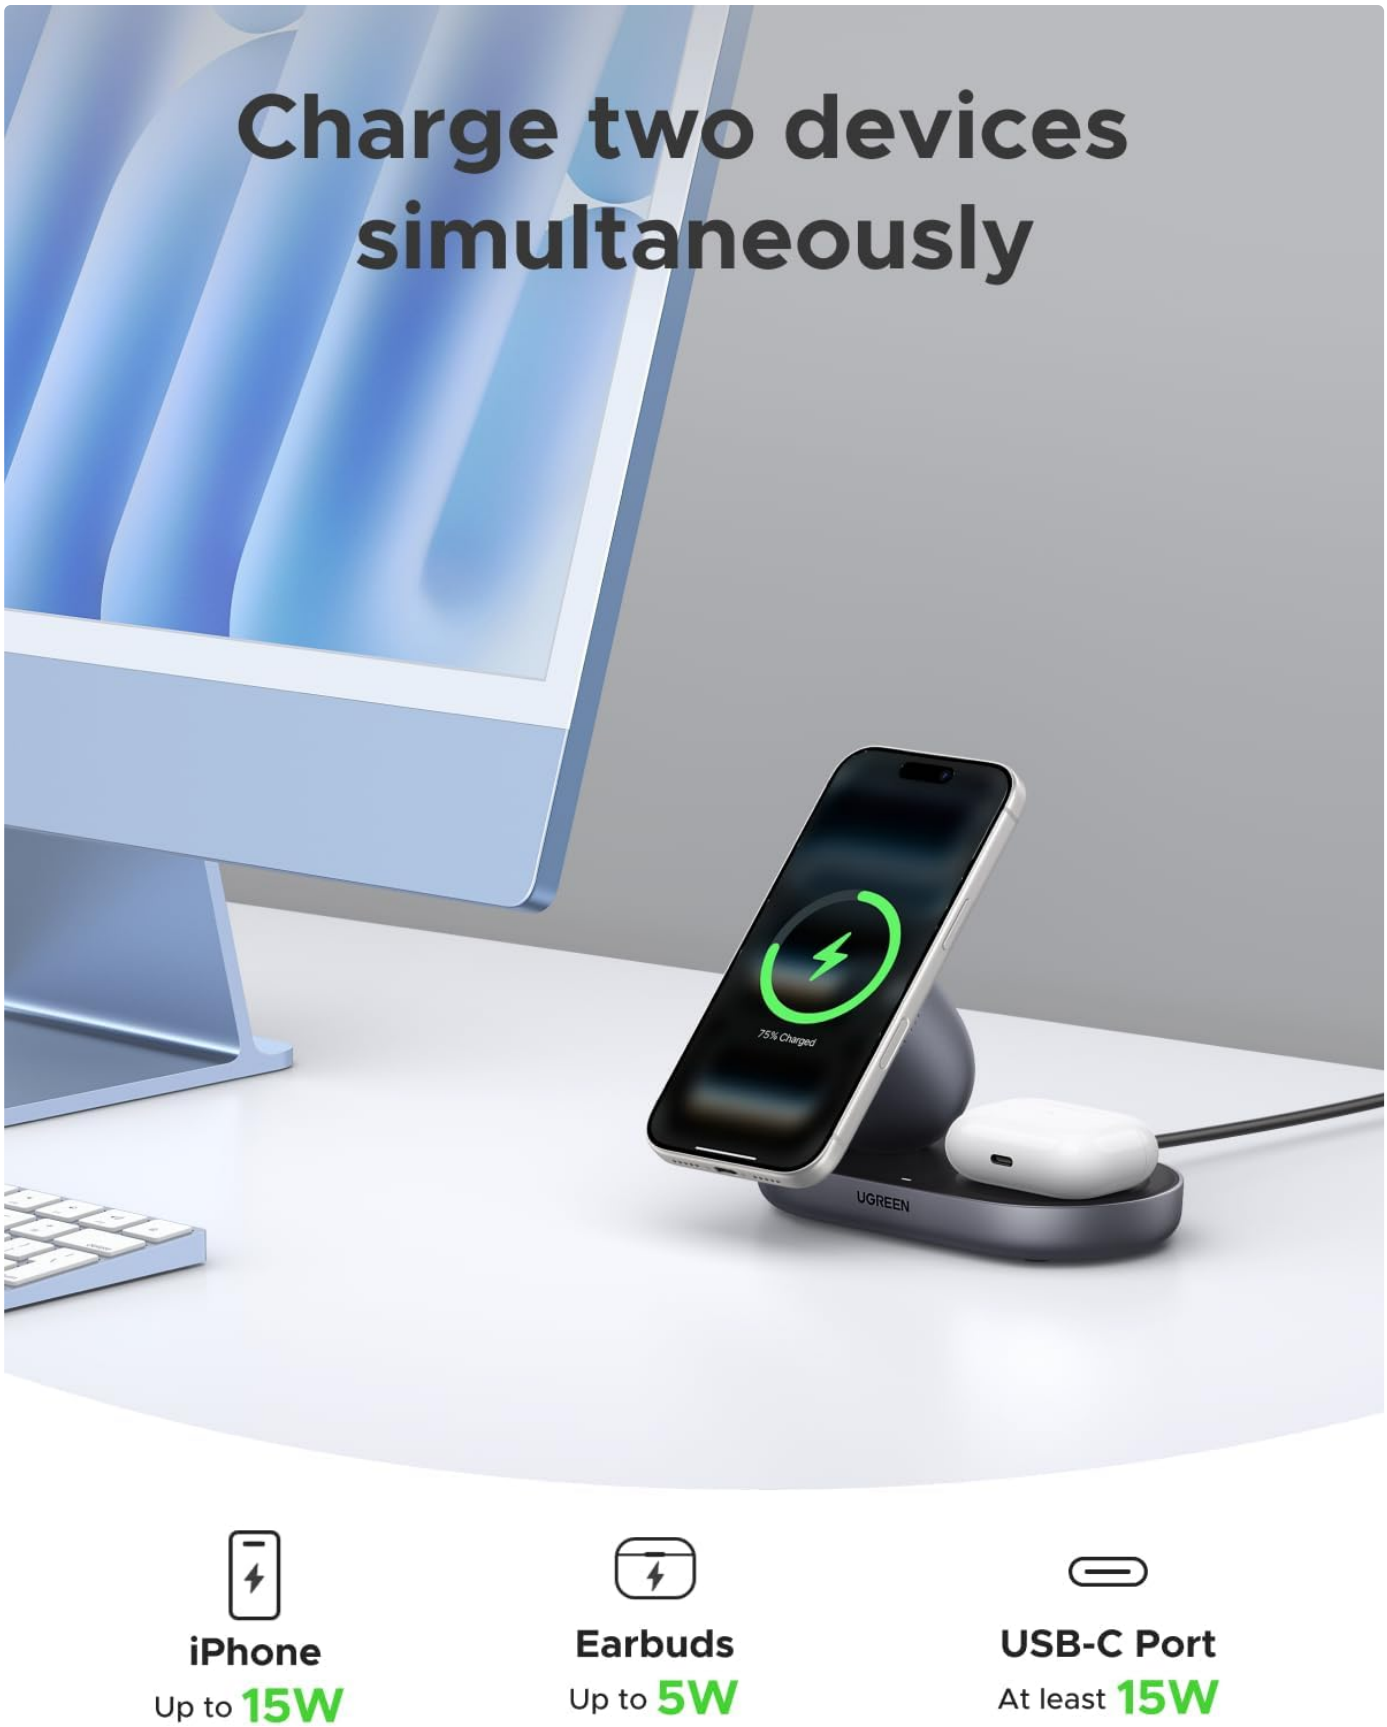

Image 4.1: The charger actively charging both an iPhone and AirPods case.

4.4 Fixed Viewing Angle

The charger features a fixed 48° ergonomic viewing angle, designed for comfortable viewing during video calls, content consumption, or as a desk stand. No adjustment is needed.

Image 4.2: Demonstrating the fixed 48-degree viewing angle for optimal user comfort.

5. Features

- **2-in-1 Wireless Charging:** Charge your compatible iPhone and AirPods simultaneously with a single device.

- **Up to 15W Fast Wireless Charging:** Delivers stable and efficient power for compatible devices.
- **Fixed 48° Ergonomic Viewing Angle:** Provides a comfortable viewing experience without the need for adjustments.
- **Stable One-Piece Stand Design:** Ensures durability and reduces wobble, keeping your devices secure.
- **Compact & Desk-Friendly:** Minimalist design saves desk space and helps maintain a tidy setup.

Image 5.1: The 2-in-1 design helps keep your desk organized by replacing multiple chargers.

6. Compatibility

This charger is compatible with a wide range of devices:

- **15W for iPhone Series:** iPhone 17, iPhone 16, iPhone 15, iPhone 14, iPhone 13, iPhone 12 series (including Plus, Pro, Pro Max, Mini models).
- **5W for Earbuds:** AirPods 2, AirPods 3rd Gen, AirPods Pro 2nd Gen, AirPods Pro. (Note: Not compatible with AirPods model A1602 released in 2017 and model A2897 released in 2022). Also compatible with Galaxy Buds and Xiaomi Buds.
- **Phone Cases:** Compatible with MagSafe cases. Non-MagSafe cases may interfere with magnetic attachment and charging efficiency.

7. Safety Information

The UGREEN Qi2 15W Wireless Charger 2-in-1 incorporates multiple protection mechanisms to ensure safe charging:

- **High Temperature Protection:** Prevents overheating during charging.
- **Short Circuit Protection:** Safeguards against electrical shorts.
- **Overcurrent Protection:** Protects devices from excessive current.
- **Foreign Object Detection (FOD):** Detects metallic foreign objects on the charging surface to prevent damage and ensure safety.
- **ThermalGuard™ Technology:** Continuously monitors temperature 200 times per second for enhanced safety.

8. Specifications

Specification	Detail
Brand	UGREEN
Model Number	W701
Connector Type	USB Type C
Compatible Devices	Headphones, Smartphones
Input Voltage	12 Volts (AC)
Amperage	3 Amps
Total USB Ports	1
Wattage	15 watts (Max)
Connectivity Technology	Wireless
Special Feature	2 in 1 Wireless Charger

Device Output Power Distribution (when charging simultaneously):

PD Adapter Wattage	iPhone Output	AirPods Output
PD15W	5W	2.5W
PD20W	15W	0W
PD27W	15W	5W
PD30W	15W	5W

**The above power distribution applies when both devices are charging simultaneously. Please use a 27W or higher PD charger and a 60W CC cable to ensure your phone and earbuds charge at optimal speed.*

Image 8.1: Power output distribution table for simultaneous charging.

9. Troubleshooting

- **Device not charging:**

- Ensure the charger is properly connected to a power source.
- Verify that your device is correctly aligned on the charging pad/stand.
- Check if your phone case is MagSafe compatible. Non-MagSafe cases may prevent charging or magnetic attachment.
- Remove any metallic foreign objects between the charger and your device.

- **Slow charging or only one device charging:**
  - Ensure you are using a Power Delivery (PD) adapter of**27W or higher**. Lower wattage adapters may not provide enough power for fast or simultaneous charging.
  - Confirm the USB-C cable is functioning correctly and is rated for 60W or higher.

- **Overheating:**
  - If the charger or your device feels excessively hot, discontinue use and allow it to cool down.
  - Ensure there is adequate ventilation around the charger.

10. Maintenance

- Keep the charger clean and free from dust and debris. Use a soft, dry cloth for cleaning.
- Avoid exposing the charger to liquids, extreme temperatures, or high humidity.
- Do not attempt to disassemble or repair the charger yourself. Contact customer support for assistance.

11. Product Video
