IKIFLY B0FGX738PV

IKIFLY California King Bed Frame User Manual

Model: B0FGX738PV

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your IKIFLY California King Bed Frame. Designed for comfort and functionality, this bed frame features a hidden storage headboard, integrated LED lighting, a charging station, and four lockable storage drawers. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

Safety Instructions

Adhere to the following safety guidelines to prevent injury and damage to the product:

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the bed frame on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep small parts away from children during assembly.
- Do not exceed the maximum weight capacity of 1000 lbs.
- Ensure the bed frame is placed on a level surface.
- Unplug the charging station and LED lights from the power source before cleaning or maintenance.

Package Contents

Your IKIFLY California King Bed Frame is delivered in two packages. Verify all parts against the included instruction manual's parts list before assembly.

Figure 2: Product dimensions and packaging information. Note: Item ships in two packages.

Included Components:

- Upholstered Wingback Headboard with Hidden Storage
- Bed Frame Side Rails and Footboard
- Solid Wood Slats and Steel Reinforced Base
- 4 Lockable Storage Drawers with Wheels
- LED Light Strips and Remote Control
- Built-in Charging Station (2 USB ports, 1 Type-C port)
- Assembly Hardware and Tools
- Instruction Manual

Setup and Assembly

Assembly typically requires two adults and takes approximately 1-2 hours. Follow the steps below carefully.

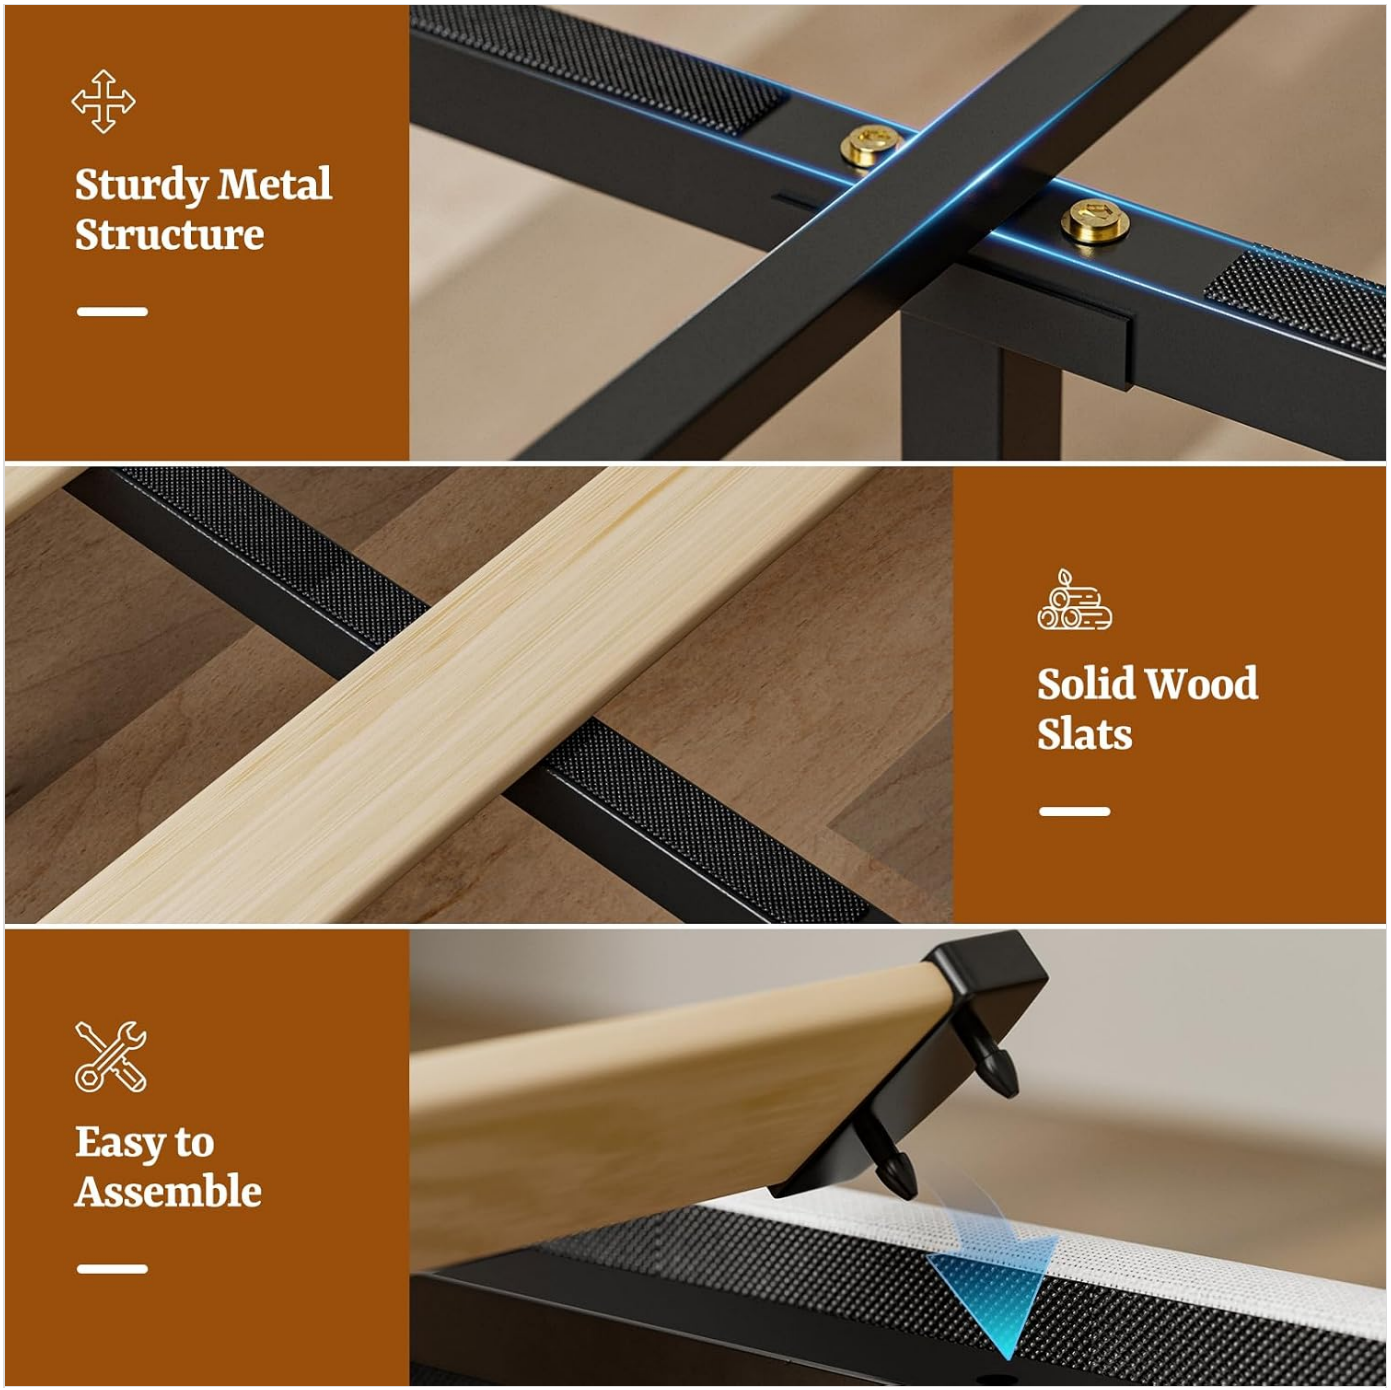

Figure 3: Details of the bed frame's sturdy construction and slat installation.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the two packages and lay them out on a clean, soft surface to prevent damage. Identify all components using the parts list in the separate instruction manual.
2. **Assemble Headboard:** Attach the wingback sections to the main headboard unit. Secure the hidden storage shelves within the headboard using the provided hardware.
3. **Connect Side Rails:** Attach the side rails to the headboard and footboard using the designated bolts and nuts. Ensure all connections are secure but do not overtighten.
4. **Install Center Support:** Assemble and install the central support beam(s) and legs for added stability.
5. **Place Slats:** Lay the solid wood slats across the bed frame, ensuring they are evenly spaced and secured according to the manual. The non-slip design helps keep the mattress in place.

6. **Assemble Drawers:** Construct the four storage drawers. Attach the wheels to the bottom of each drawer.
7. **Install LED Lights and Charging Station:** Follow the specific instructions in the manual to install the LED light strips and connect the charging station wiring. Ensure all electrical connections are secure and properly routed.
8. **Final Check:** Verify that all screws are tightened, and the bed frame is stable before placing a mattress on it.

Operating Instructions

Hidden Storage Headboard

The headboard features a dual-functional design with a hidden secret compartment and a 2-tier open shelf. To access the hidden compartment, gently lift the upholstered panels. The open shelves are suitable for displaying items or storing frequently used objects.

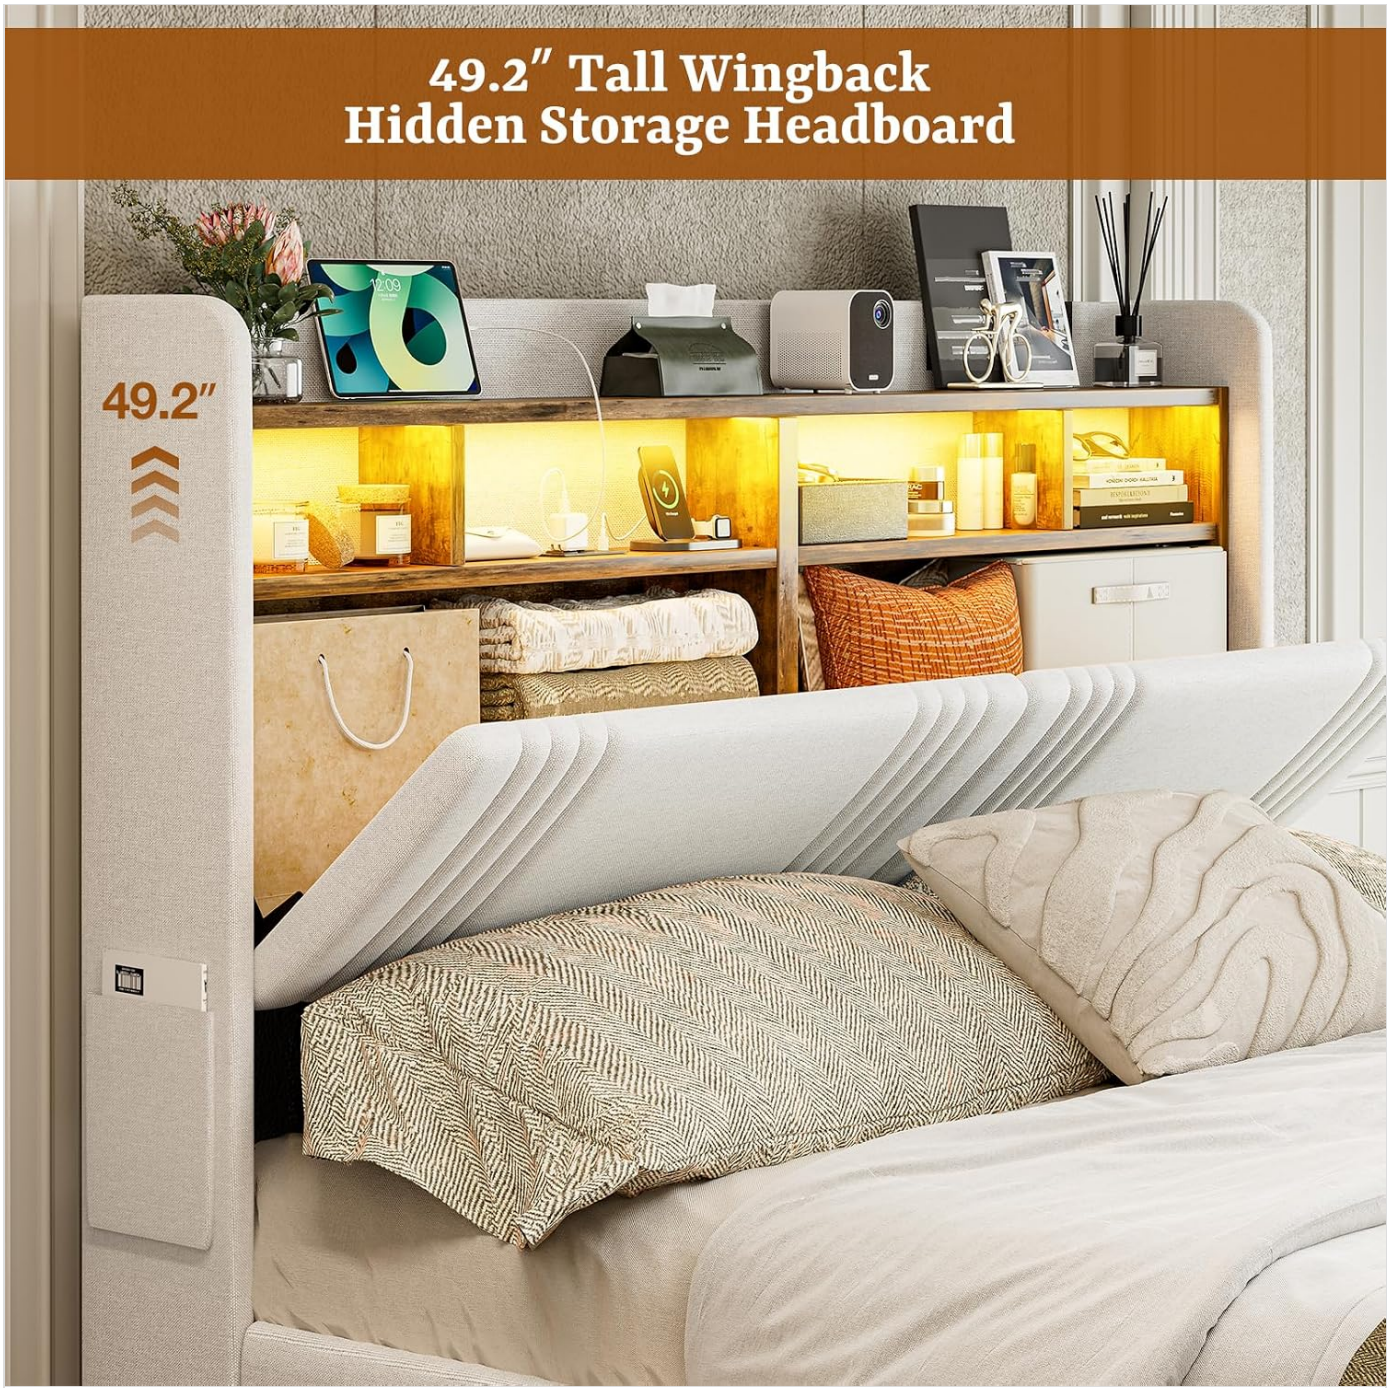

Figure 4: Hidden storage and open shelving within the headboard.

Storage pockets are located on both sides of the headboard for convenient access to small items like remote controls or mobile phones.

LED Lights and Charging Station

The integrated RGB LED lighting system can be controlled via a remote control or a mobile application. This allows for customization of color, brightness, and lighting modes (e.g., music mode, timing mode).

Figure 5: Customizable RGB LED lighting with remote control and app options.

The built-in charging station is located on the headboard, providing easy access to power for your devices. It includes:

- 2 USB Ports (5V/2A)
- 1 Type-C Port (5V/3A)
- 2 AC Outlets (125V/12A)

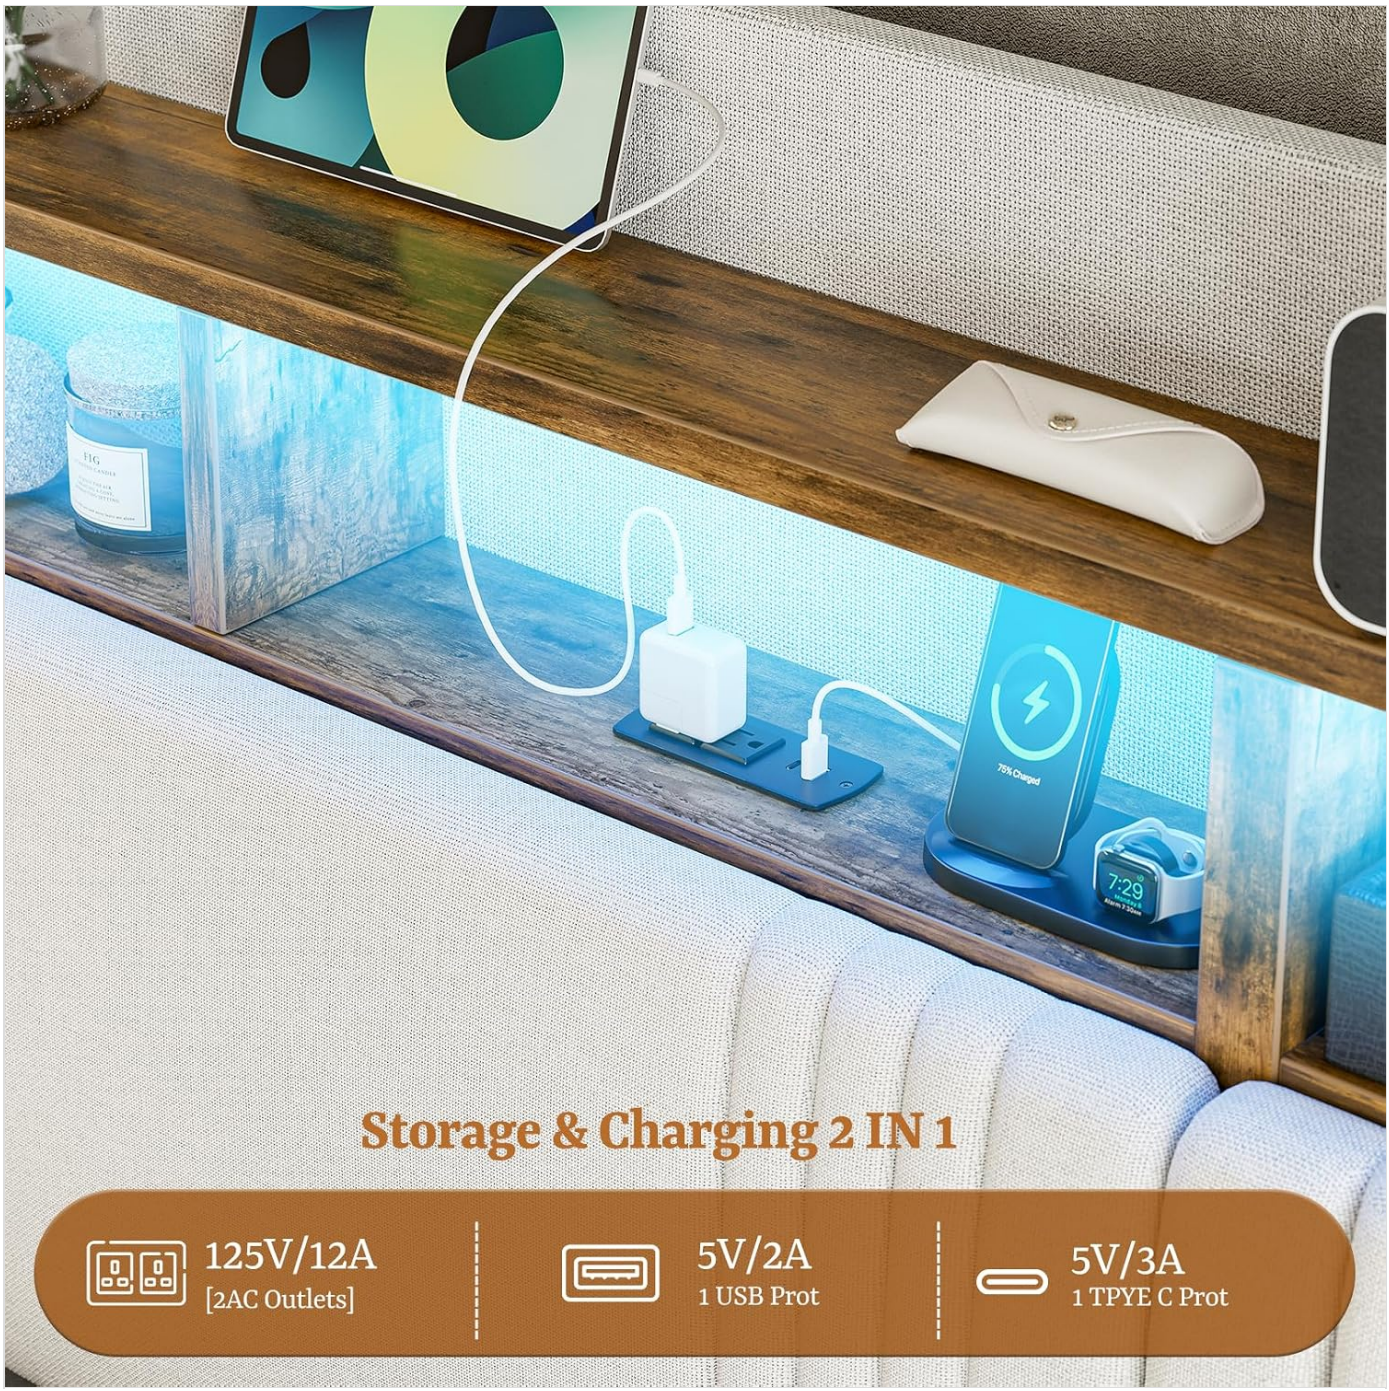

Figure 6: Integrated charging station with various power outlets.

Storage Drawers

The bed frame includes four spacious, lockable storage drawers on wheels. These drawers are designed for easy access and organization of clothing, bedding, and other items. To lock a drawer, ensure it is fully pushed in and engage the locking mechanism (if applicable, refer to the separate assembly manual for specific locking instructions).

Figure 7: Four large under-bed storage drawers with wheels.

Maintenance

Regular maintenance will extend the life and appearance of your bed frame.

- **Cleaning:** For the upholstered surfaces, use a soft, damp cloth with mild soap. Avoid harsh chemicals. For the wooden and metal parts, wipe with a dry or slightly damp cloth.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary.
- **Drawer Maintenance:** Keep drawer wheels free of debris to ensure smooth operation.
- **Electrical Components:** Ensure the charging station and LED light connections are secure. Do not attempt to repair electrical components yourself; contact qualified personnel.

Troubleshooting

Refer to the table below for common issues and their solutions.

Problem	Possible Cause	Solution
Bed frame is wobbly/noisy.	Loose bolts or uneven floor.	Check and tighten all assembly bolts. Ensure the bed is on a level surface.
LED lights not working.	Power connection issue, remote battery low, or app connectivity problem.	Check power cable connection. Replace remote battery. Re-pair with mobile app.
Charging station not providing power.	Not plugged in, loose connection, or device compatibility.	Ensure the bed frame's power cord is plugged into a working outlet. Check all internal connections. Test with a different device.
Drawers are difficult to open/close.	Obstruction, debris in wheels, or overloaded.	Clear any obstructions. Clean wheels. Reduce drawer contents if overloaded.

Specifications

Key specifications for the IKIFLY California King Bed Frame:

Feature	Detail
Size	California King
Product Dimensions (L x W x H)	93.2" x 72.4" x 49.2"
