IKIFLY HU9433-BK

IKIFLY King Size Bed Frame User Manual

Model: HU9433-BK

1. Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your IKIFLY King Size Bed Frame. This bed frame features a tall upholstered wingback headboard with hidden storage, integrated LED lighting, a charging station, and four lockable storage drawers. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

2. Safety Information

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Do not exceed the maximum weight recommendation of 1000 pounds for the bed frame.
- Be cautious of sharp edges and potential pinch points during assembly and use.
- Always follow the assembly instructions carefully to prevent instability or collapse.
- Ensure all connections are securely fastened before use. Periodically check and re-tighten fasteners.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not stand on the bed frame or headboard.

3. Package Contents

Verify that all components are present before beginning assembly. The bed frame is shipped in two boxes.

- Headboard components
- Side rails and footboard

- Solid wood slats
- Four storage drawers with wheels
- LED light strip and remote control
- Charging station module (2 USB ports, 1 Type-C port, 2 AC outlets)
- Assembly hardware (screws, bolts, washers, Allen wrench)
- Instruction manual

4. Assembly Instructions

Assembly is required. It is recommended that two people assemble this bed frame. All necessary tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.

2. **Assemble Headboard:** Follow the step-by-step diagrams provided in the included instruction booklet to connect the headboard sections, including the hidden storage compartment.
3. **Install LED Lights and Charging Station:** Integrate the LED light strip into the designated channel within the headboard. Secure the charging station module into its slot.
4. **Attach Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all bolts are tightened securely.
5. **Insert Wood Slats:** Place the solid wood slats onto the bed frame. The slats are designed for noise-free support.
6. **Assemble Drawers:** Construct the four storage drawers and attach the smooth-rolling wheels.
7. **Insert Drawers:** Slide the assembled drawers into their designated positions under the bed frame. Ensure the drawer fixtures prevent them from sliding out unintentionally.

5. Operating Instructions

5.1 Hidden Storage Headboard

The 49.2-inch tall wingback headboard features a hidden 2-tier open shelf compartment. To access, gently lift the upholstered panels. This space is ideal for storing books, electronics, or personal items. Side pockets are also available for smaller items like remote controls or mobile phones.

5.2 LED Lights

The integrated RGB LED lighting system can be controlled via the included remote control or a mobile application. You can adjust the color (over 60,000 options), brightness, and various modes (e.g., Mic Mode, Music Mode, Timing Mode) to create your desired ambiance.

5.3 Charging Station

The headboard includes a built-in charging station with 2 USB ports, 1 Type-C port, and 2 AC outlets. Connect your electronic devices to charge them conveniently while in bed.

5.4 Storage Drawers

The bed frame features four spacious, lockable storage drawers with smooth-rolling wheels. These drawers are designed to store clothes, bedding, and other items, helping to keep your bedroom tidy and organized. The locking mechanism prevents accidental sliding.

6. Maintenance

- **Cleaning Upholstery:** For general cleaning, vacuum the upholstered surfaces regularly with a soft brush attachment. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner. Do not use harsh chemicals.
- **Cleaning Wood/Metal Surfaces:** Wipe wood and metal surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- **LED Lights:** The LED lights are designed for long-term use. If issues arise, check the power connection and remote control battery. Do not attempt to replace individual LEDs.
- **Charging Station:** Keep the charging ports free of dust and debris. Do not force plugs into the ports.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Drawer Maintenance:** Keep drawer tracks clean. If drawers become stiff, a small amount of silicone lubricant can

be applied to the wheel axles.

7. Troubleshooting

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose hardware; uneven assembly.	Check and tighten all bolts and screws. Ensure the frame is on a level surface.
LED lights not working.	Power connection issue; remote battery dead; light strip damage.	Verify power adapter is plugged in. Replace remote control battery. Contact customer support if lights remain non-functional.
Charging station not providing power.	Power connection issue; device not compatible; port damage.	Ensure the bed frame is plugged into a working wall outlet. Test with a different device and cable. Check for debris in ports.
Drawers are difficult to open/close.	Obstruction in track; wheels dirty; drawer overloaded.	Clear any obstructions. Clean wheels and tracks. Reduce weight in drawers.
Headboard storage panels do not close properly.	Items obstructing closure; hinge issue.	Rearrange items in the storage compartment. Check hinges for damage or misalignment.

8. Specifications

- **Model:** HU9433-BK
