SoBuy KLS11-L-GR Outdoor Waterproof Storage Shed User Manual

Model: KLS11-L-GR

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your SoBuy KLS11-L-GR Outdoor Waterproof Storage Shed. Designed for versatile outdoor storage, this shed offers protection for bicycles, motorcycles, garden tools, and other equipment.

Key features include a waterproof PE fabric and aluminum frame, full zipper closure for dust and sun protection, and integrated ventilation to prevent condensation.

Safety Warning: Assemble with caution and anchor securely to prevent displacement in strong winds.

SETUP AND ASSEMBLY

The SoBuy KLS11-L-GR storage shed is designed for easy self-assembly. All components are numbered, and illustrated instructions are included in the package to guide you through the process.

Package Contents:

- Canopy (Waterproof PE fabric)
- Tubular frame components (Aluminum)
- Mounting accessories (screws, connectors, etc.)
- 14 tie-down straps
- 4 storm anchors

Assembly Steps:

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Assemble the tubular aluminum frame according to the numbered parts and illustrations. Ensure all connections are secure.
3. Drape the waterproof PE canopy over the assembled frame, aligning the openings and securing points.
4. Fasten the canopy to the frame using the provided mounting accessories.
5. Utilize the 14 tie-down straps and 4 storm anchors to securely fix the shed to the ground. This is crucial for

stability, especially in windy conditions.

Figure 1: Product Dimensions and Structure. The shed measures approximately 219cm (depth) x 159cm (width) x 165cm (height).

OPERATING INSTRUCTIONS

The SoBuy KLS11-L-GR shed provides a secure and protected space for various items.

Storage Capacity:

- Accommodates bicycles, motorcycles, lawnmowers, garden tools, cushions, and barbecue equipment.
- Equipped with two types of hooks for hanging tools, helmets, and other accessories.

Access:

The shed features a full zipper closure on the door, providing complete protection against dust and sunlight. Simply unzip to open and zip to close for secure storage.

MAINTENANCE

Proper maintenance will extend the lifespan of your storage shed.

- **Waterproofing:** If the shed is exposed to heavy rain, it is recommended to treat the canopy with a waterproofing spray to enhance its water resistance.
- **Cleaning:** Clean the canopy periodically with mild soap and water. Avoid harsh chemicals that may damage the fabric.
- **Inspection:** Regularly inspect the frame and canopy for any signs of wear, damage, or loose connections. Tighten any loose bolts and repair any tears in the fabric promptly.
- **Anchoring:** Ensure the tie-down straps and storm anchors remain securely fastened, especially before

anticipated strong winds.

TROUBLESHOOTING

- **Condensation/Mold:** The shed is equipped with two integrated openings to prevent condensation and ensure good air circulation. Ensure these openings are not obstructed to maintain proper ventilation and prevent mold or unpleasant odors.
- **Instability in Wind:** If the shed appears unstable, verify that all 14 tie-down straps are correctly attached and tightened, and that the 4 storm anchors are firmly secured into the ground. Relocate the shed to a more sheltered area if strong winds are a persistent issue.
- **Water Leakage:** Check for any tears or punctures in the canopy fabric. Apply a waterproofing spray as recommended in the Maintenance section.

SPECIFICATIONS

Feature	Detail
Model Number	KLS11-L-GR
Product Dimensions (L x W x H)	219 cm x 159 cm x 165 cm
Item Weight	8.3 Kilograms
