5. Operating Instructions

5.1 Storing Items

Open the magnetic front door by gently pulling the handle. Place baby bottles, nipples, pacifiers, breast pump parts, or other accessories onto the shelves. Arrange items efficiently using the adjustable dividers.

5.2 Magnetic Door Operation

The organizer features a magnetic door for easy access and secure closure. To open, gently pull the door. To close, simply push the door until the magnets engage, ensuring a dust-free environment for your baby's essentials.

5.3 Adjusting Dividers

Each tier has multiple grooves to accommodate the removable dividers. To adjust, simply lift the divider and place it into a different set of grooves to create compartments of varying sizes, suitable for different bottle heights or accessory types.

6. Maintenance and Cleaning

To maintain the clarity and hygiene of your HBlife Baby Bottle Storage Organizer:

- Wipe the organizer regularly with a soft, damp cloth.
- For stubborn marks, use a mild soap solution and then wipe clean with a damp cloth, followed by a dry cloth.
- Avoid using abrasive cleaners, harsh chemicals, or scouring pads, as these can scratch or damage the acrylic surface.
- Ensure the organizer is completely dry before placing items back inside.

7. Troubleshooting

If you encounter any issues with your organizer, please refer to the following common solutions:

- **Door not closing properly:** Ensure no items are obstructing the door's path and that the organizer is placed on a flat, stable surface. Check if the magnetic strips are clean.
- **Organizer feels unstable:** Verify that all panels are fully engaged in their grooves. Ensure the silicone non-slip pads are correctly applied to the bottom.
- **Scratches on acrylic:** Minor scratches can sometimes be buffed out with specialized acrylic polish. Prevent scratches by avoiding abrasive materials during cleaning and handling.
