

OWIPAW GBV002

OWIPAW 36-inch White Bathroom Vanity with Sink - Instruction Manual

Model: GBV002

INTRODUCTION

Thank you for choosing the OWIPAW 36-inch White Bathroom Vanity with Sink. This manual provides essential information for the safe assembly, operation, and maintenance of your new bathroom vanity. Please read these instructions carefully before beginning installation and retain them for future reference.

SAFETY INFORMATION

Important Safety Precautions:

- Always unplug the charging station before cleaning.
- Do not use the vanity if it is damaged or wet.
- Always follow the assembly instructions carefully to avoid injury.
- Keep the vanity away from heat sources and do not place heavy objects on the vanity top.
- Ensure all electrical connections for the charging station are installed by a qualified professional if local codes require.

PRODUCT OVERVIEW

The OWIPAW 36-inch Bathroom Vanity is designed for modern bathrooms, offering both functionality and style. Key features include:

- **Built-in Charging Station:** Located within a drawer, it includes 2 three-prong plugs, 1 USB port, and 1 Type-C port, along with dedicated holders for a hair dryer and curling iron. This design helps protect against water entry.
- **Spacious & Organized Storage:** Features 3 drawers, 1 pull-down drawer, and 2 doors, providing ample space for bathroom essentials, keeping them organized and protected from moisture and dust.
- **High-quality Material:** Constructed with a solid wood frame and a waterproof finish for durability and stability. Rounded edges enhance longevity and prevent wobbling.
- **Elegant Ceramic Widen Sink:** A spacious ceramic basin with overflow protection and three faucet holes ensures a functional, easy-to-clean surface.

SETUP AND INSTALLATION

This vanity requires assembly. A detailed step-by-step instruction manual with clearly labeled parts is included in the packaging to ensure a straightforward assembly process. For a comprehensive guide, please refer to the official Installation Manual (PDF) available online.

- **Tools Required:** A Phillips screwdriver is typically sufficient for assembly. Additional tools may be required for plumbing and wall mounting (not included).
- **Assembly Time:** Assembly typically takes 2 people approximately 2 hours.
- **Included Components:** Cabinet handles, sink.
- **Not Included:** Mounting bracket, faucet, mirror, drain assembly, backsplash.

Image: Close-up views of the vanity's components, including solid wood table legs, solid metal handles, durable hydraulic hinges, and smooth cushioning drawer rails.

Installation Steps (Summary):

1. Unpack all components and verify against the parts list.
2. Assemble the cabinet frame according to the provided diagrams.
3. Install drawers and doors. Ensure drawer slides operate smoothly.
4. Place the ceramic sink top onto the cabinet.
5. Connect plumbing (faucet and drain assembly, not included) to the sink.
6. Connect the charging station to a suitable power outlet.
7. Secure the vanity to the wall if desired for added stability (mounting bracket not included).

For detailed instructions, please refer to the [Installation Manual \(PDF\)](#).

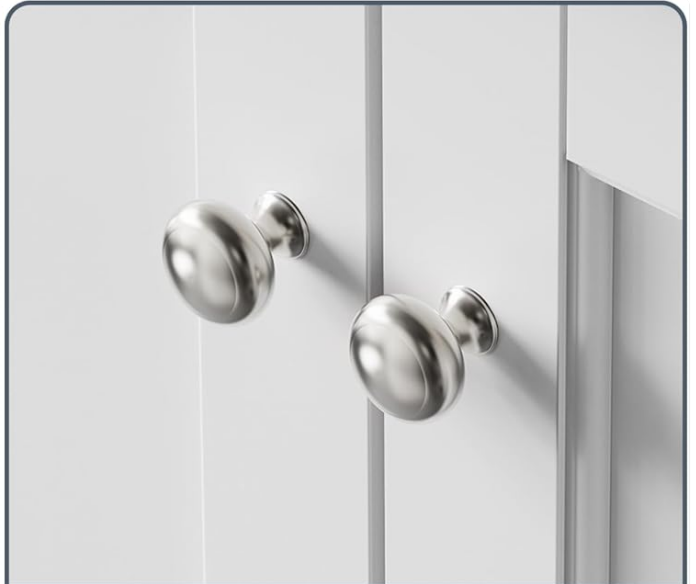

OPERATING INSTRUCTIONS

Your OWIPAW bathroom vanity is designed for ease of use and organization.

- **Drawers and Doors:** The vanity features smooth-gliding drawers and soft-closing doors. To open, gently pull the handles. To close, push firmly until the soft-close mechanism engages.
- **Charging Station:** The built-in charging station is located in the pull-down drawer. To use, open the drawer and plug your devices into the 2 three-prong plugs, 1 USB port, or 1 Type-C port. Utilize the dedicated holders for your hair dryer and curling iron. Ensure the charging station is dry before use.

MAINTENANCE

Proper care will ensure the longevity and appearance of your OWIPAW vanity.

- **Cleaning the Cabinet:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish. Dry immediately after cleaning.
- **Cleaning the Sink:** The ceramic sink can be cleaned with standard non-abrasive bathroom cleaners. Rinse thoroughly after cleaning to prevent residue buildup.
- **Charging Station:** Always unplug the charging station before cleaning. Use a dry cloth to wipe the surface. Do not allow water to enter the electrical components.
- **Hardware:** Periodically check and tighten any loose screws on handles, hinges, or drawer slides.
- **Spills:** Wipe up any spills immediately to prevent water damage to the wood finish.

TROUBLESHOOTING

If you encounter issues with your vanity, refer to the following common solutions:

Problem	Possible Cause	Solution
Drawers do not slide smoothly or are misaligned.	Loose drawer slides or incorrect assembly.	Check that drawer slides are securely fastened and properly aligned. Refer to the assembly manual for correct installation.
Charging station is not working.	Not plugged in, power outage, or internal fault.	Ensure the vanity's power cord is securely plugged into a functional wall outlet. Check your home's circuit breaker. If the issue persists, contact customer support.
Doors do not close properly.	Misaligned hinges or obstructions.	Adjust the hinges as per the assembly instructions. Remove any items obstructing the door's path.
Water leakage around the sink.	Improperly sealed plumbing connections.	Ensure all plumbing connections (faucet, drain) are tightened and properly sealed with plumber's putty or silicone sealant. Consult a professional plumber if necessary.

If you experience any problems not listed here or if the suggested solutions do not resolve the issue, please contact OWIPAW customer support.
