StarAndDaisy Luna Luxe Baby Stroller

StarAndDaisy Luna Luxe Baby Stroller Instruction Manual

Model: Luna Luxe Baby Stroller

INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, and maintenance of your StarAndDaisy Luna Luxe Baby Stroller. Please read this manual thoroughly before first use and retain it for future reference. Ensure all users are familiar with these instructions.

SAFETY INFORMATION

Always prioritize your child's safety. Failure to follow these warnings and instructions could result in serious injury or death.

- Never leave your child unattended in the stroller.
- Always use the 5-point safety harness. Ensure it is correctly fitted and adjusted.
- Engage the brakes whenever the stroller is stationary.
- Do not overload the storage basket or hang bags on the handle, as this can cause the stroller to tip.
- Ensure all locking devices are engaged before placing a child in the stroller.
- Do not use the stroller on stairs or escalators.
- The stroller is designed for children from 0 to 3 years, with a maximum weight of 15 kg.
- Keep children clear of moving parts when making adjustments.

PACKAGE CONTENTS

Verify that all components are present before assembly:

- Stroller Frame
- Seat Unit with Canopy
- Front Wheels (2)
- Rear Wheels (2)

- Removable Child Tray
- Instruction Manual

SETUP AND ASSEMBLY

Follow these steps to assemble your StarAndDaisy Luna Luxe Baby Stroller:

1. Unfolding the Stroller:

Place the folded stroller on a flat surface. Release the folding latch (if engaged). Lift the handle upwards until the frame clicks into its fully open position. Ensure all frame locks are securely engaged.

2. Attaching the Wheels:

Insert the front wheels into their respective slots on the front leg assembly until they click into place. Repeat for the rear wheels. Pull on each wheel to ensure it is securely attached.

3. Attaching the Child Tray:

Align the child tray with the attachment points on the stroller frame and push down until it locks securely. Ensure it is firmly attached before use.

4. Adjusting the Canopy:

Extend the canopy to the desired position to provide shade and protection for your child.

OPERATING INSTRUCTIONS

1. Adjusting the Backrest and Footrest

The stroller features a multi-level recline system for the backrest and an adjustable footrest to ensure your child's comfort.

- **Backrest Adjustment:** Locate the recline lever or strap behind the seat. Squeeze or pull to adjust the backrest to your desired angle (e.g., 95° for comfortable viewing, 135° for a feeding nap, 175° for comfortable sleeping). Ensure it locks securely into place.
- **Footrest Adjustment:** Press the foot pedal adjustment button located on the side of the footrest and move the footrest to the desired position. Release the button to lock.

Adjustable Footrest & Backrest

Backrest Adjustment

Custom comfort, perfect support for every stage.

2. Using the Safety Harness

The 5-point safety harness is crucial for securing your child. Always use it when your child is in the stroller.

1. Place your child in the seat.
2. Bring the shoulder straps over your child's shoulders and the waist straps around their waist.
3. Insert the buckle tongues into the buckle housing until they click.
4. Adjust the straps to ensure a snug fit without being too tight.
5. To release, press the button on the buckle housing.

3. Engaging and Releasing Brakes

The stroller is equipped with lockable wheels for stability.

- **To Engage Brakes:** Push down on the brake lever located on the rear wheels until it clicks. Ensure the stroller does

not move.

- **To Release Brakes:** Lift the brake lever upwards until it disengages.
- The front wheels can swivel 360° for maneuverability or be locked for straight-line travel. Locate the locking mechanism above each front wheel and engage/disengage as needed.

4. Folding the Stroller

The Luna Luxe Stroller features an easy one-push lever folding mechanism for compact storage and transport.

1. Ensure your child is removed from the stroller.
2. Empty the storage basket and remove any items from the child tray.
3. Engage the rear wheel brakes.
4. Locate the one-push lever (often on the handle or side frame). Activate the lever and follow the folding motion until the stroller is fully collapsed.
5. Secure the folding latch if available.

MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your stroller.

- **Cleaning:** Wipe the frame with a damp cloth and mild soap. Do not use abrasive cleaners. Fabric parts can be spot cleaned with a mild detergent. Allow to air dry completely.
- **Wheels:** Periodically check wheels for wear and tear. Remove any debris (dirt, hair, etc.) that may hinder smooth rotation. Lubricate axles with a silicone-based spray if needed.
- **Moving Parts:** Regularly check all moving parts, such as hinges and locking mechanisms, to ensure they operate smoothly. Do not force any parts.
- **Storage:** Store the stroller in a dry, cool place away from direct sunlight to prevent material degradation.

TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Stroller does not fold/unfold smoothly.	Folding mechanism is jammed or not fully released/engaged.	Ensure all safety latches are disengaged before folding. Check for obstructions in the folding mechanism. Apply a silicone lubricant to hinges if stiff.
Wheels are stiff or squeaky.	Debris in wheel axles or lack of lubrication.	Remove any hair or dirt from the wheel axles. Apply a small amount of silicone lubricant to the moving parts of the wheels.
Brakes are not engaging/disengaging.	Brake mechanism is obstructed or misaligned.	Check for debris around the brake mechanism. Ensure the brake lever is fully pushed down or lifted.
Stroller feels unstable.	Frame not fully locked, or wheels not securely attached.	Ensure the stroller frame is fully unfolded and all locking mechanisms are engaged. Verify that all wheels are securely clicked into place.
